SUMMARY FACTS ABOUT MILTON WIRT

June 26, 1991

In 1934 after graduating from Seaman Rural High School, Topeka, Kansas I enrolled at Stricklers Topeka Business College to pursue business accounting and secretarial training. My desire to work for the school as a janitor paid for my tuition and another job six blocks from school at a boarding house took care of my room and board. A summers bookkeeping position in 1936 led to a full time (54 hours a week) for $75 a month that lasted for eleven years until the Lord led me become a student at Miltonvale Wesleyan College.

The 1947 post war expansion program at MWC was on so construction workers were needed when we arrived that summer so I worked on the school building project during the day and our home project several hours each night. As time went by it developed that my accounting knowledge and experience could be used by the college, so over a period of years my class work became less and my office work increased to full time. I felt very strongly the Lord had called me to attend MWC than a call to preach, so we were willing to do His will as he revealed it unto us.

Surely, the Lord led us into pleasant places during our eighteen years of associations with BWC as a student, teacher, bookkeeper, business manager-treas., choir bus driver-mechanic and sometimes handyman. All three of our children took their high school and junior college studies there and two of them found their life mates while attending MWC.

The pending denominational merger of early 1960 began to cloud the long term future of MWC and again the Lord graciously opened a new door of opportunity to purchase a Farmers Insurance Group agency in Clay Center where we spent another eighteen years serving the Lord in the Clay Center Wesleyan Church. This same year (1966) our daughter's family (Wayne and Alice Huff) with two small children went to Guatemala as Wycliffe Bible Translators so I went along to help drive the carryall pulling a trailer and to get a "hands on" experienc of their work. Fay stayed at home to assist in the insurance office the two weeks while I was gone.

Christmas time in 1968 found Fay and me driving the 5400 mile round trip to Guatemala City alone in our own car on our first time ever foreign missionary work trip to build window and door screens for their mountain village home at an elevation of 6500 feet. This family visit and our initial encounter with their Guatemalan friends and customs planted a desire within us to go on more missionary work trips without pay and at our own expense to other countries and different supervisory groups. Todate we have experienced missionary work assignments to twenty foreign countries on four continents and many islands. Our stateside projects have taken us to over a dozen different sites besides our numerious visits to BWC to help with maintenance assignments.

Our retirement years since 1984 have by choice become as busy as our working years and much more rewarding. Several times we have found ourselves responding to former MWC students call "come over and help us". On our first missionary trip with Project Partners in Christ, they taught our twenty-four members some nice choruses as we flew to Barbados in their private plane, my favorite was "you will never be the same again". We have certainly found this song to be true and as long as we are physically able and the good Lord continues to help us we are still looking forward to more volunteer assignments at age 75.

Yours in His service,

Milton Wirt

Note from submitter:

I had the privledge to see the Meacham/Miles Family bible on July 8, 1998 in Christiansburg Va. I had been trying to set this up for about 3 yrs. and finally made it! It was well worth it as you will see. This is the only known documentation showing Elijah D. Meacham and his wife with their children. I believe the early Meacham entries were made by Elijah D. Meacham himself because the writing matches closely to his signature on his pension application in 1818.

There is also some information that I can't make out, I am going to try to enlarge it and see if I can read it then, it is partially readable now.

I hope others in the Meacham (various spellings) and Miles families can use this information.

Elijah D. Meacham married Francis Miles March 8, 1837 in Montgomery Co. and to my knowledge they never had any children. (None as seen are listed in the bible)

The bible is in pretty sad brittle shape, I have pictures, which are pretty easy to read and that is what I used to enter this info.

Any questions, please feel free to email me at: chester@powersupply.net

Good luck to all Meacham/Miles researchers-- Cheryl Mitchem-Chester

DESCRIPTIONS OF CEMETERIES

1-1 LONE STAR CEMETERY

Lone Star Cemetery is located 1½ miles east, 2 miles north, and ½ mile east of Pretty Prairie in Albion Township. The legal description is SE corner of SW¼ Sec. 4-26-6. Originally, a tract of two acres was deeded to the Lone Star Cemetery Association by Edwin F. Brener on 3 December 1901. This is the best groomed and most beautiful cemetery in Reno County. Its maintenance has been endowed by the Collingwood families. It is currently an active cemetery with about 738 graves; the oldest recorded burial is that of John Powell, 22 May 1878.

1-2 PRETTY PRAIRIE MENNONITE CEMETERY

Pretty Prairie Mennonite Cemetery is located on a hill 2½ miles east of Pretty Prairie in Albion Township. The first portion of land was deeded to the church by Peter Kaufman on 7 May 1885. It has been enlarged twice; once on 7 May 1888 and again on 19 February 1924. The cemetery lies on one side of a large beautiful church. The legal description is SE corner of SW ¼ Sec. 15-26-6.

1-3 FAIRVIEW CEMETERY

The Fairview Cemetery is an inactive, unkept, small cemetery in which only five marked graves can be found. No one knows of any record of the burials, but there is an historical account of how the cemetery started. In the early days, there was a school on this land. A family traveling in a covered wagon stopped at the school and asked for help, because their small daughter had died. The school teacher dismissed school, sent for a minister and had a funeral in the school for the child. Then the mourners buried her in a corner of the school yard.

The oldest marked grave is that of Asa B. Tarant. No one knows whether this is the grave of the above mentioned child. It is possible that her grave was not marked.

W.S. Clark deeded 1½ acres for burial purposes in 1884. The cemetery is located 1 mile south of the east road of Pretty Prairie in Albion Township. The legal description is SE corner of SE¼ of Sec. 19-26-6.

2-1 ARLINGTON CEMETERY

Arlington Cemetery is located on a hill approximately 1 mile northeast of Arlington in Arlington Township. The legal description is SW corner of NE¼ Sec. 2-25-8. An historical account relates that the first person in the area to die was buried 2 August 1881, on his father's farm. Later this piece of land became Arlington Cemetery. Unfortunately, a number of people were buried for which no records were made. According to the caretaker, there are a number of unmarked graves on the north and the west sides of the cemetery tract.

3-1 LERADO CEMETERY

Lerado is an old but active cemetery. Its name came from the town of Lerado in Bell Township. The town was started in this location because the people thought it would be close to the path of the first railroad in the area. Unfortunately, the railroad did not come near Lerado, and the young town did not continue to develop. The cemetery is ½ mile north of where the town of Lerado was. Its legal description is NW corner of SW¼ of Sec. 14-26-9. It can be located by driving 5 miles south and 2 miles east of Langdon, Kansas. The original tract was given to the cemetery board by John Brady 2 October 1885. Additional land was acquired 26 May 1889. Memorial Sunday at this cemetery is "old friends" day. People from adjoining states come to decorate graves and to see old friends. Often, two or three picnics can be seen in the grove of trees. This is a large cemetery of about 924 recorded graves and a few very old unmarked ones.

4-1 SAINT AGNES CATHOLIC CEMETERY

Saint Agnes Catholic Cemetery is very old. Although it is no longer considered an active burial place, a few graves have been placed here in recent years. The cemetery is located 2½ miles south and ½ mile west of Castleton in Castleton Township. The legal description is SE corner of NE¼ Sec. 33-25-6. County records show that this plot was deeded by John V. Kennedy to Timothy Sweet, Trustee. There is a large unused area in front of the cemetery which might indicate that there was a church at one time.

5-1 PARTRIDGE CEMETERY

Partridge Cemetery, Center Township, (originally Reno Center Cemetery) was used for a burial ground soon after the First Church of Reno Center was organized in December 1873. The first deed to the Trustees was made 26 July 1879. A tract of two acres in the NW corner of SW¼ Sec. 15-24-7 was given by Rev. Samuel Dilley for use as a public cemetery. Local people believe that many graves from nearby private or family burial lots were moved to this new cemetery.

On November 12, 1921 Claude W. Puckett and Edna (Dilley) Puckett gave approximately two acres for North Annex to Reno Cemetery Association, and in 1975 land for the East Annex was purchased from the

William S. Williams family and Robert Puckett. The cemetery now consists of approximately six acres and is platted into about 680 lots. The cemetery is located one half mile south of Partridge.

Center Township assumed the maintenance and management in 1923 and taxes are levied for this purpose. It is a well kept cemetery enclosed by a chain link fence.

A history and listing of burials as well as ownership of lots was published in 1963 by Marson H. French. Lillian (Crotts) French of Rural Route Partridge and Mrs. William Peterson (Malinda Crotts).

5-2 AMISH CEMETERY

E.E. Borntrager deeded a one acre tract to the Amish Church Society of Center Township for a cemetery on 23 January 1900. The legal description is SE corner SW¼ Sec. 2-24-7. This cemetery can be found on the north side of Highway 50, 2 miles northeast of Partridge. This attractive cemetery is very neatly arranged in rows. All graves are marked with identical round-topped, white, flat stones. Sometime in the past, the bodies of sixteen children were moved to this cemetery from a settlement in Ford County near Bucklin, Kansas.

5-3 ASBURY METHODIST CEMETERY

Asbury Methodist Cemetery was located 2 miles east of Partridge in Center Township, NW¼ Sec. 12-24-7. However, the church does not exist at the present time. On May 27 1884, the Trustees of the church paid Watkins Davis $80.00 for 4 acres of land that were to be used for a church building and a cemetery. The number of graves that were in the cemetery is not known.

In 1889, a lot was purchased in Partridge and the church was moved. It is believed that some of the graves were moved to the Reno Center Cemetery (Partridge Cemetery). The trustees of Asbury M.E. Church gave a quit claim deed to R.A.L. Davis for the 4 acres on 21 February 1903. Thus, at the present time, there is no physical evidence of a cemetery on this site.

6-1 HUTCHINSON EASTSIDE CEMETERY

Hutchinson Eastside Cemetery is the oldest Hutchinson cemetery. It is located south of Avenue "D" between Cleveland and Severance Streets. It was established in 1883; however, there are several grave markers with the death dates of 1880. Since the first recorded burials were in 1882, it is believed that the earlier graves were moved from another location. For example, there was a small cemetery in the northwest part of Hutchinson near Monroe Street and between Sixteenth and Seventeenth Avenues. Because some people feared that the cemetery was polluting their drinking water, the graves were moved. It is probable that most of the graves were relocated in Eastside Cemetery. Unfortunately, some of the early records of Eastside Cemetery were burned. Thus there is no record of more than 1,000 unmarked graves. The Eastside Cemetery had gone through a period of neglect before the city of Hutchinson took over its maintenance. It is now a carefully maintained cemetery of about 13,000 graves. The legal description is NE¼ of SW¼ - Sec. 18-23-5, Clay Township.

6-2 FAIRLAWN CEMETERY

Fairlawn is a large, beautiful cemetery located in the southeast part of Hutchinson, bounded by Avenue "G" on the south, Carey Boulevard on the north, and Halstead Street on the east. The legal description is SE Corner SE¼ Sec. 17-23-5 in Clay Township. This cemetery was started in December 1918 by Emerson Carey, a prominent business man. In 1931, the cemetery was transferred to the Carey Foundation and was incorporated. In 1974 it was sold to a private company. Since that time, it has been owned and operated by local persons. In the cemetery, there are many large stones marking the graves of formerly well-known Hutchinson residents.

6-3 REFORMATORY CEMETERY

Reformatory Cemetery is a small plot of land located on the state owned property of the Kansas Industrial Reformatory at the southeast corner of Lorraine Street and Avenue "G". The legal description is SE corner of SE¼ Sec. 18-23-5 in Clay Township. There are several white stone crosses marking the graves of the former inmates whose bodies were never claimed by relatives. These crosses have no names on them. Also, there are several unmarked graves in this small burial place. Since no cemetery records were kept, the names could dot be obtained by the researchers. This plot is no longer used for burials. Now, the inmates who die and are not claimed are buried in nearby Eastside Cemetery.

7-1 PEACE BETHEL CEMETERY

Peace Bethel Cemetery is located 13 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue) in Enterprise Township. The legal description is SW corner SW¼ Sec 8-23-8. The land was purchased from George Newman by the trustees of the Bethel Cemetery Association for $18.00 on 30 August 1880. It is a small country cemetery maintained by the township. There are 20 marked graves, and it is believed there are several unmarked ones. A person with historical knowledge of the area stated that at one time there was a church at this location. Later, it was abandoned, and the church building was moved south to a town called Pekin. However, the town and the church are no longer in existence.

7-2 FAIRVIEW METHODIST CEMETERY

Fairview Methodist Cemetery is located SW Corner SW¼ of Sec. 12-23-8 in Enterprise Township. One can find this plot, which is on the church yard, 8 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue). At the present time the church and cemetery are active. On 2 January 1879, 100 years ago, the citizens of the area met to select a place for a church and a cemetery. At that time, lots sold for $1.00 each. This small cemetery has 128 marked graves; however, it is known that there are several unmarked graves.

8-1 WILDMEAD CEMETERY

Wildmead is a large and old cemetery located 1 mile west of the city of Nickerson in Grant Township. The legal description is N Side NE¼ Sec. 9-22-7. Unfortunately, a few years ago the cemetery records were destroyed by fire. However, there are about 1,519 marked graves, the oldest of which have been there since the 1880s. The cemetery has been well maintained by the city of Nickerson.

8-2 MITCHELL CEMETERY

Mitchell Cemetery is located on a one acre tract that was deeded to the trustees of Southwest Methodist Church by J.O. and Anna Schyler in 1896. Sarah Schuler, J.O. Schuler's mother, was the first person to be buried in the new cemetery. The location of the church and burial ground is 4 miles west of Hutchinson in Grant Township, in NW Corner of NW¼ Sec. 27-22-6. This active cemetery is the resting place of many of the settlers of this area.

9-1 GLENDALE CEMETERY

Glendale is a little known cemetery, because it is not on any main road. One can go to it by turning east off the Turon-Sylvia road, 6 miles north of Turon, going 1 mile, then continuing north ½ mile. Also, it can be found by going 3 miles south of Sylvia, turning and going east 1 mile, then going ½ mile north. It is in the NW Corner SW¼ Sec. 2-25-10 in Grove Township. This tract of 3 acres of land was given to the trustees of the Baptist Church for a burial ground 27 January 1892. It is a well kept, but little-used cemetery of 39 graves. The oldest grave is that of Harry Thomas, 1885, who was either moved to the cemetery or was buried before the church acquired the land.

9-2 MOUNT ZION BAPTIST CEMETERY

Mount Zion Baptist location is on the SE corner of SE¼ Sec. 8-25-10 in Grove Township. The land was sold by John Aiton to the trustees of Mount Zion Baptist Church on 1 August 1893. Thus there is some evidence that a church and possibly a cemetery were at this location. At the present time, however, no one could be found who remembers either a church or a cemetery. The abandoned site is covered with grass, tall weeds, and untrimmed trees.

10-1 SAINT PAUL LUTHERAN CEMETERY

Saint Paul Lutheran Cemetery is located behind the St. Paul Lutheran Church 1 mile west of Haven in Haven Township. It is on the NW Corner of NE¼ Sec. 7-25-4. The land was deeded by Charles A. Smith to the trustees of the St. Paul Lutheran Church 15 December 1881, for the purpost of establishing a church and a cemetery. In time, the old church was replaced with a new one. It is a large, well-kept active cemetery, in which there are about 358 recorded graves. Some of the oldest grave stones show dates in the 1880s.

10-2 HAVEN PRIEST CEMETERY

Haven Priest Cemetery is located 2 miles south and 1½ miles east of Haven in Haven Township. The legal description is NW Corner NE¼ Sec. 22-25-4. William Priest deeded land to the Priest Cemetery Association for burial purposes on 11 July 1888, although there were several graves on the land before that date. The earliest person buried was Emmie Priest in 1880. At present, there are about 329 graves in this cemetery.

11-1 PEACE CREEK CEMETERY

Although Peace Creek Church was located in the SW Corner of Sec. 8-23-10, apparently there was no land available for a cemetery. Thus the cemetery was located away from the church, 1 mile west and ½ mile north of the church site. The legal description is NE Corner of SE¼ Sec. 12-23-11 in Stafford County. Peace Creek is a semi-active cemetery that has about 604 graves. The oldest grave stone carries the date of 1877.

11-2 HAYES TOWNSHIP CEMETERY

Hayes Township Cemetery is in the NE Corner of SW¼ Sec. 15-23-10 in Hayes Township. It can be found by going 6 miles north and ½ mile west of Sylvia, Kansas. The road leading to the center of the section where the cemetery is located is part of the land deeded to the Church of Christ by Fred Youst on an unknown date. The church. like Peace Creek Cemetery (11-1), is remote from the cemetery, be-

cause the donor of the land for the church did not include enough for a cemetery. The burial plot contains about 202 graves.

11-3

This church located in the SE Corner of SW$\frac{1}{4}$ Sec. 14-23-10 did not have a connected cemetery. Natives of the area say that the person who gave land for the church did not want to give land for a cemetery, so someone else donated land for a cemetery in Sec. 15--one mile west. The cemetery (11-2) is maintained by Hayes Township and is called Hayes Township Cemetery.

11-4 UNITED BRETHERN CEMETERY

An old map of Reno County indicated that there was a church and possibly a cemetery in the NW corner of NW$\frac{1}{4}$ Sec. 25-23-10 in Hayes Township. In fact, Thomas Kidde transferred a plot of land to the Fairview Chapel on 29 October 1892. At the present time, however, there is no evidence of a church or cemetery ever having been at this location. Local residents believe that there was a church, but not a cemetery.

12-1 LUTHERAN CEMETERY

The Lutheran Cemetery is located on the SW Corner of SE$\frac{1}{4}$ Sec. 17-23-9 in Huntsville Township. Land was deeded to the Evangelical Lutheran St. Paul Church in March of 1902. This small cemetery of 26 graves was used by people of German descent. It is neatly trimmed and orderly with all the markers in good condition. One can find this cemetery by going 18 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue) to the Huntsville Corner. From that corner, one should go 1 mile south and then $\frac{1}{2}$ mile west.

12-2 HUNTSVILLE CEMETERY

Huntsville Cemetery is sometimes called Pleasant View. It is located 16 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue), then 1 mile north. It is in Huntsville Township SW Corner of SW$\frac{1}{4}$ Sec. 2-23-9. There are about 281 graves in this cemetery; the oldest grave is dated 1883.

12-3

Another old cemetery was indicated on an old Reno County map in NW corner of NE$\frac{1}{4}$ Sec. 4-23-9 in Huntsville Township, but a survey of this location does not show either a church or a cemetery and local residents could furnish no information. The map shows a St. Paul Lutheran Church was here; however, no land transactions were found. It could be possible that a church was located here at one time, while the cemetery was placed some distance from the church (see cemetery 12-1).

13-1 MAPLE HILL-LANGDON CEMETERY

Maple Hill-Langdon Cemetery is located 1 mile east of Langdon, Kansas, in Langdon Township on the NE Corner of NE$\frac{1}{4}$ Sec. 28-25-9. It contains about 430 graves. A local resident said that at one time it was across the road and north of the present site. However, the researchers could learn of no reason for its having been moved.

13-2 BAINUM CEMETERY

Bainum Cemetery is one of the few family plots in the county. Local residents said that the ten people buried here were related to each other and to the Bainum family. In 1883, Oscar Bainum was the first person to be buried. The cemetery is located in SE Corner of NE$\frac{1}{4}$ Sec. 14-25-9. This is 3 miles east and 1$\frac{1}{2}$ miles north of Langdon in Langdon Township.

13-3 LANGDON CEMETERY (Old)

Old Langdon Cemetery was used by the community before Maple Hill Cemetery (13-1) was opened. It can be seen by going 4 miles east and 2$\frac{1}{2}$ north of Langdon in Langdon Township in the SE Corner of NE$\frac{1}{4}$ Sec. 12-25-9. The land was set aside for burial purposes by Julius Elliott on 18 December 1878. There are only about 35 marked graves in this little cemetery.

14-1 PLEASANT HILL-DARLOW CEMETERY

Pleasant Hill-Darlow Cemetery is one of the oldest cemeteries in Reno County. The first plot of land was acquired by the German Baptist Church on 19 January 1887. The second plot was deeded by Enoch Eby on 13 August 1892. In 1917, the cemetery was expanded further by land transferred from the Rexroad estate to the Church of the Brethern. This active cemetery, in Lincoln Township, has about 393 graves. The legal description is NW Corner NW$\frac{1}{4}$ Sec. 34-24-6.

14-2 LINCOLN TOWNSHIP CEMETERY

Old maps of Reno County indicate a cemetery was once located in NE Corner of SE$\frac{1}{4}$ Sec. 32-24-6 in

Lincoln Township. A survey of the area does not indicate a cemetery there at the present time. Nevertheless, a deed record of 3 November 1876 shows that John McCoy deeded a parcel of land 97 yards square to the trustees of the Lincoln Cemetery Association. A resident of the area, whose father owned the land at one time, said there had been a cemetery with 12 or more graves on it. When it was destroyed is not known, but it has been plowed over. There is no known record of the graves that were once on this plot.

14-3 PLAINVIEW AMISH CEMETERY

The Plainview Amish burial plot is a part of the Plainview Amish Church ground. It is a relatively new cemetery with 13 graves; the oldest grave was placed there in 1962. Its location is 4 miles east of Partridge on the Partridge-Crupper Road in the SE Corner of SE¼ Sec. 7-24-6 of Lincoln Township.

15-1 LITTLE RIVER TOWNSHIP CEMETERY

Little River Township purchased approximately 2 acres of land from Sarah Harvey for a cemetery. Although most of the people of the area belonged to the Mennonite Church, there were a few who did not belong and who did not wish to be buried in the Mennonite Cemetery. Hence, Little River Township used the land they had purchased to establish a cemetery open to anyone. Today it is not a large cemetery, but it is still active. It is located in the NE Corner of SE¼ of Sec. 14-22-4, which is 3 miles east and ½ mile south of Buhler.

15-2 BUHLER EAST CEMETERY

Buhler East Cemetery, sometimes called Old Ebenezer Cemetery, is in the SW Corner of SE¼ of Sec. 12-22-4 of Little River Township. It consists of approximately 4 acres 3½ miles east of Buhler. Originally, 2 acres was purchased in 1887 by the Alta Mennonite Church. However, in 1906 the Ebenezer Mennonite Church acquired the 2 acre plot and purchased an additional 2 acres. It is not known whether there was ever a church at this site. At the present time it is used to augment the Buhler Municipal Cemetery.

15-3 BUHLER MUNICIPAL CEMETERY

Buhler Municipal Cemetery, in Little River Township, was purchased and plotted in 1919. It consists of 4 acres in NW Corner of NW¼ of Sec. 16-22-4 at the northwest edge of the city of Buhler. This attractive cemetery has many cedar trees and large upright stones. However, there is very little space that can be purchased in this well-filled burial plot.

15-4 THIESSEN CEMETERY (Old)

Thiessen Cemetery, in Little River Township, was a small family burial plot believed to have been started in 1893. At the present time it holds only 5 graves, two of which were moved from other locations on the Thiessen farm. Sometime ago the farm was sold and the burial plot was to be destroyed. However, members of the family purchased the small burial plot in 1977 and had a fence placed around it. It is in NE¼ of Sec. 17-22-4 at the edge of Buhler.

16-1 SEGO CEMETERY

Sego is one of the many old cemeteries in Reno County. It is located in SW Corner of SE¼ Sec. 11-26-8, in Loda Township. One can drive to it by going 7 miles south from Highway #61 at Arlington on Highway #14, then going 1½ miles east. Or one can go 7 miles west of Pretty Prairie, 1 mile north, and then ½ mile west. This plot of land was transferred to Sego Cemetery Board on 23 July 1883; another section was added 8 August 1891. There are about 432 marked graves, and no doubt there are several unmarked ones. The researchers were unable to find anyone who could give the historical background of this cemetery.

16-2 PLEASANT HILL CEMETERY

Pleasant Hill is a small old cemetery in the SW corner of SE¼ Sec. 6-26-8 in Loda Township. It can be found by going 2½ miles west from Highway #14 at a point 2 miles north of the Pretty Prairie-Lerado Road. Originally, land was trnasferred from J.W. Banks to the trustees of Pleasant Hill Cemetery on 2 March 1886. Another acre of land was acquired from William Cole on 7 Mar 1893 for a church building. Eventually the church was closed and the building moved. Many of the graves were moved to Lerado Cemetery (3-1). There has not been a burial at Pleasant Hill in the twentieth century. There was a new grave stone placed on the grave of the infant son of Wallace and Nancy Cole in May 1978, but the infant had died 12 February 1889. There are 5 graves stones with legible names and 3 with names so weathered they could not be read. At one time, Mr. McKinney, a neighbor who cares for the cemetery, installed 27 wooden crosses that he painted white where he thought there were unmarked graves.

17-1 UNITED BRETHERN CHURCH CEMETERY

An old map of Reno County indicated a church, and possibly a cemetery, located in Medford Township at one time. The location was NE Corner of NW¼ Sec. 32-22-8. A visit to this site did not reveal

either a church or a cemetery. There was no local resident who knew about either. However, Reno County land records did show that land was transferred to the trustees of United Brethern Church on 22 June 1883.

18-0

This is the number assigned to Medora Township by the researchers, but this is one of two townships in Reno County that has no cemeteries.

19-1 TURON CEMETERY

Turon Cemetery came into existence with Thomas Sabin's giving land to the Turon Cemetery on 4 July 1910. However, some of the earliest graves are dated 1904. More than 1,044 graves are in this burial plot. It is 1 mile west and ½ mile south of Turon in NW Corner of SW¼ Sec. 8-26-10 in Miami Township.

20-1 PLEASANT HILL CEMETERY

Pleasant Hill Cemetery is located on the edge of Cheney Lake in Ninnescah Township which is in the south-east corner of Reno County. Its legal description is SW Corner NW¼ Sec. 27-26-5. The land was purchased from Lorenze Birch by trustees of Pleasant Hill Cemetery Association on 9 March 1895. This well kept cemetery contains about 147 graves

21-0

This number was assigned to North Hayes Township in the northwest corner of the county; however, there are no cemeteries in this township.

22-1 PLEVNA CEMETERY

Plevna Cemetery is located ½ mile west of Plevna in the NE corner of NW¼ Sec. 16-24-9 in Plevna Township. The 1902 Historical Atlas of Plevna noted that 1 acre of land was donated to the St. Paul Lutheran Church in 1903 by a Mr. Spaniel, who was not a member of the church. According to Reno County land records, an additional 2 acres was purchased from J.L. Snyder on 18 December 1906. Although the church was closed and moved away, the cemetery, with its some 215 graves, has been well maintained.

22-2 HAZEN CEMETERY

Hazen Cemetery is located 3 miles west and ½ mile south of Plevna in Plevna Township. It is in the SW Corner of NW¼ Sec. 18-24-9. The cemetery holds about 182 graves, the oldest of which is dated 1872. Although it is maintained by Plevna Township, it is seldom used.

23-1 MEMORIAL PARK CEMETERY

Memorial Park is probably the newest cemetery in Reno County, since it was opened by a private company called Cemeteries of America on 11 October 1927. It is a beautiful, well-groomed resting place for some 6,821 graves. This cemetery can be viewed by going west on old Highway #50 (West Fourth Avenue) 1½ miles west of the Arkansas River Bridge on what is known locally as 'Rayl's Hill'. The legal description is NW Corner of NE¼ Sec. 18-23-6 of Reno Township.

24-1 SCHOOLEY CEMETERY

Schooley Cemetery is located 5 miles north and 1½ miles east of Kingman, Kansas on the north side of the Kingman County-Reno County line in Roscoe Township. The cemetery is in the SE¼ Sec. 33-26 7. Charles L. Schooley, who homesteaded this quarter section of land, gave 1 acre of land for burials after the death of a small boy. The boy was Richard Brown, four years old, who died from a rattle snake bite in 1880. By 1885, two other of the Brown's children were buried in this plot. As the years passed, this small cemetery, which held 8 graves, became obscure and little used.

In 1964, two sisters, Malinda (Crotts) Peterson and Lillian (Crotts) French, charter members of the Reno County Genealogical Society, found the grave of their grandmother in this almost forgotten cemetery. In August of 1964 members of the families who had relatives buried in this cemetery, including the Brown Family, met and discussed plans for renovating the cemetery. Mrs. French and Mrs. Peterson were able to secure a Warranty Deed from the surviving member of the original Schooley Family, W. Thomas Schooley, in 1964, who deeded the tract of land for the cemetery to Roscoe Township. The Brown Family seeded the ground and the Crotts sisters had a chain-link fence placed around the tract, placing a bronze plaque on the fence identifying it as the "Schooley Cemetery".

25-1 SALEM CEMETERY

There are about 149 graves in Salem Cemetery in the SW Corner of SW¼ Sec. 19-22-7 in Salt Creek Township. One can find it by going 3 miles west and 2 miles south of Nickerson, Kansas. This obscure small cemetery is surrounded by cedar trees behind the parsonage of the Salem Church. This church is on the west side of the road west of the parsonage.

26-1 SAINT JOSEPH CATHOLIC CEMETERY

The small community of St. Joe contains a school, a large Catholic church, and the Saint Joseph Cemetery. St. Joseph's church has been a land mark in the southeast corner of Reno County for many years. The cemetery is not visible from the road, since it was placed at the back of the church property. It is quite old; some of the grave stones have dates more than 100 years old. Many of the names show the people were of German descent. Although about 380 graves have been recorded, the cemetery has room for many more. It is located on the NE corner NW$\frac{1}{4}$ Sec. 35-26-4 in Sumner Township. One can find it by going 10 miles south and 2$\frac{1}{2}$ miles east of Haven, Kansas.

26-2

A small cemetery is located in the SW Corner of NW$\frac{1}{4}$ Sec. 14-26-4. One can find it on the east side of the road 2$\frac{1}{2}$ miles north of St. Joe in Sumner Township. This unused, unkept cemetery with 4 marked graves is over-grown with grass taller than some of the grave markers No one in this area seems to know the name of the cemetery, nor how long it has been there. One resident told of a farmer who attempted to stack hay on the plot, but the neighbors objected. As a result, the hay was removed and the fence replaced.

26-3

An old county map showed a church and possibly a cemetery were located in Sumner Township on the south side of Sec. 34-25-4, 5 miles south and 1$\frac{1}{2}$ miles east of Haven, on the parallel road. There is no evidence of either a church or a cemetery there now. The researchers could not find anyone who remembered them. Possibly there was a church, many years ago, that did not survive, but very few cemeteries are lost completely as churches are.

26-4

In the NE Corner of SE$\frac{1}{4}$ Sec. 32-25-4, in Sumner Township, there is a plot of ground surrounded by a row of cedar trees which would seem to indicate a cemetery was here at one time. Now, there is a dense covering of tall weeds, but the researchers, after an intensive search, did not locate any grave markers. Some residents said that long ago there were graves that were removed to other cemeteries.

27-1 SYLVIA CEMETERY

The Sylvia Cemetery is 1 mile east of Sylvia in the SW Corner of SE$\frac{1}{4}$ Sec. 14-24-10. In August 1890, William A. Rice deeded 4 acres to the Sylvia I.O.O.F. Lodge for burial purposes. This large cemetery in Sylvia Township contains about 665 marked graves.

27-2 UNITED BRETHERN

An old Reno County Atlas indicated that there was a church and possibly a cemetery located on the SE Corner of SW$\frac{1}{4}$ Sec 36-24-10 of Sylvia Township. No evidence of either a church or a cemetery could be found at this location. Local citizens could give no information. Further, a search of the county land records did not show any property at this location ever having been in the name of a church.

28-1

This cemetery consists of a tract 12 aquare rods, located in the SE Corner of the SW$\frac{1}{4}$ of SW$\frac{1}{4}$ in Sec. 10-25-7 in Troy Township. It is generally known by residents of the area that the cemetery was fenced and bordered with trees, and at one time there were burials. At present, there is no evidence of a cemetery.

28-2 BAKER CEMETERY

Baker Cemetery is a tract of two acres that was given for a burial plot by Fredrick W. Baker to Samuel Slack and trustees on 16 April 1878. It was located in SW Corner of SE$\frac{1}{4}$ Sec. 22-25-7 in Troy Township. Unfortunately, this cemetery has had no care for several years. There is evidence of nineteen graves, but most of the stones have fallen down or have been carried away.

29-1 VALLEY CEMETERY

The property deed for Valley Cemetery was transferred to the Valley Cemetery Association on 18 April 1888, from John Reed. The location in unique in as much as it is located in the center of the section, NW Corner of SE$\frac{1}{4}$ Sec. 22-24-4 of Valley Township. A local citizen told the researchers the reason for this strange location. The body of an old trapper was found along the Arkansas River. Those who found him asked a landowner if they could bury the trapper on the owner's land. The owner gave his consent with the condition that they bury the trapper in the corner, so that the owner would not have to plow around the grave. Thus the location was determined, and later other bodies were buried there. Eventually, the plot was set aside for a formal cemetery. Now there are about 197 graves in Valley Cemetery.

30-1 STERLING MENNONITE CEMETERY

The Sterling Mennonite Cemetery was laid out 23 October 1892 by Isaac Zimmerman in the name of the Defenceless Church. The cemetery is located 9 miles west and 4 miles south of Nickerson in Walnut Township. The legal description is SE Corner SE$\frac{1}{4}$ Sec. 36-26-9. This cemetery, with about 327 graves, is active and well tended.

30-2 PEACE VALLEY CEMETERY

In April 1886, land was bought from Robert Avery by the Peace Valley Cemetery Association to be used for the cemetery called Peace Valley. Now there are about 185 marked graves; the oldest grave is dated 29 January 1887. Peace Valley Cemetery is located in the northwestern part of Reno County in Walnut Township; SW Corner of NW$\frac{1}{4}$ Sec. 11-22-9.

31-1 ABBYVILLE CEMETERY

Abbyville Cemetery is a well-groomed active cemetery $\frac{1}{2}$ mile north of Abbyville in Westminster Township. Its legal description is NE Corner of SE$\frac{1}{4}$ Sec. 9-24-8. Ephram Bridgeman transferred this tract of land to the Abbyville Cemetery Association on 24 June 1901. At the present time, there are about 261 graves in this cemetery.

31-2 WESTMINISTER CEMETERY (Old)

(Old) Westminister is an inactive cemetery that has been neglected for several years. Most of the stones are lying on the ground. One large upright stone is probably the reason the plot has not been plowed. This cemetery is located 3 miles north and $\frac{1}{2}$ mile east of Arlington, or 2 miles south and 1$\frac{1}{2}$ miles east of Abbyville. The legal description is NE corner of NW$\frac{1}{4}$ Sec. 26-24-8 of Westminister Township. A neighbor has noticed that almost every Memorial Day, a family comes to decorate one of the graves. The researchers found only 5 graves; however, there could be others.

32-1 FAIRVIEW-ELMER CEMETERY

Fairview-Elmer Cemetery was originally a small plot of land on the homestead of Warren F. White. His son George H. White, seven years old, was the first person to be buried there in 1873. In 1880, Warren White, fifty years old, was buried there also. After this date there were trustees for the growing cemetery who surveyed and plotted the land. The record book noted that lots were selling for $3.00 each in 1883. Sarah White, Warren White's widow, deeded the plot to the Fairview Cemetery Association in 1888. The cemetery is in the SW Corner of NW$\frac{1}{4}$ Sec. 17-24-5 in Yoder Township. It is one mile east and $\frac{1}{2}$ mile south of the very small community of Elmer.

32-2 YODER AMISH CEMETERY

Yoder Amish is a small cemetery 1$\frac{1}{2}$ miles east of Yoder in Yoder Township. The legal description is SW Corner of SE$\frac{1}{4}$ Sec. 23-24-5. It is a neat, small cemetery with about 320 graves. All the markers are identical small, white, round-topped stones placed in orderly rows.

32-3 LAUREL CEMETERY

Laurel Cemetery is 1 mile south and 1 mile east of Yoder in Yoder Township. Although this is near an Amish community, it is not an Amish cemetery. It is probably, however, that some Amish people have been buried there. The legal description is SE Corner of SW$\frac{1}{4}$ Sec. 26-24-5. Despite the fact that there is a stone bearing the date September 1875 for a Ulysses Hamilton, infant, the official date for the beginning of the cemetery is 1890. This active cemetery has about 778 graves.

32-4 YODER MENNONITE CEMETERY

The Mennonite Church and Cemetery are located 1 mile north of the town of Yoder in the NW Corner of NW$\frac{1}{4}$ Sec. 22-24-5. It is a comparatively new cemetery since it was started on 4 December 1920. Probably it was planned at the same time as the church. Its graves contain the people of Mennonite faith in this area.

Union Township

Buntin Cemetery Page 1

Buntin cemetery is in the Northwest part of Section 35 of Union Township. In the past this cemetery was on a main road north and south with a road teeing off to the north side of the cemetery. In 1965 all roads were closed to and around the cemetery within half to three quarters of a mile of it, now you have to go through pastures and fields to get there. The cemetery is in bad state of repairs, with under brush of shoemake and thorny locust. There are twelve graves that are marked with rocks. One grave looked as though it had been moved and not filled.

OAK LAWN CEMETERY page 1

This cemetery is located a short distance south of Cainesville, Missouri on the east side of a gravel road in Mercer County. Also a short distance north of the Zoar Cemetery which is on the west side of the road in Harrison County.

Oak Lawn is a beautiful cemetery in a natural setting. There are many beautiful massive stones. One outstanding marker was constructed of various colors of small native stones molded into a large marker - truly a work of love.

Five hundred and forty-two graves were recorded.

This cemetery is located in Cypress Township 62 North; Range 28 West and in the North center part of Section 5. Recording was done by Cecil Davis, John Maize and Glen Maize. No date was given. Two hundred-eighty six recorded.

The Burris Cemetery was started with the grave of a nameless child who died while the parents were passing through in a covered wagon. Here, too, can be seen two cypress board grave markers which were prominent 75 years ago in marking graves. But fire and time has left many unmarked graves where they were used. Several years ago a grave was dug into which showed the pioneer way of burial. When lumber or a coffin was not available, the grave was dug with a ledge left about two feet above the bottom of the grave. Then poles were laid the long way of the grave, upon this prairie grass was placed; then poles were laid on the grass the short way or width of the grave. The body was placed on grass in the bottom of the grave.

Mercer County was created in 1837 from parts of Giles and Tazewell counties (Virginia). Princeton is the county seat. The county encompasses an area of 423.91 square miles, and in 1880 had a population of 7,440. There are five magisterial districts in the county, with the population in 1880 distributed as shown in the Population Summary following this introduction.

The listings for Mercer County were compiled from the National Archives and Record Center microfilm Group T9, Roll 1408, 1880 Census of West Virginia. As indicated in the FOREWORD to this volume, a code preceding the name is used to designate the enumeration district and the page number of the entry in the microfilmed census enumeration. The following letter designators are used to identify the enumeration districts in Mercer County.

MCDOWELL COUNTY

McDowell County was formed from Tazewell County in 1858. Perryville was the original county, but was changed to Welch in 1892. The county contains an area of 538.4 square miles and its population is 3069. The 1880 census is distributed through five Enumeration Districts. There were two enumeration districts named Elkhorn and two named Sandy River, but with different enumeration district numbers. This is in contrast to its six Magisterial Districts, namely Adkins, Big Creek, Browns Creek, Elkhorn, North Fork and Sandy River.

The listings for McDowell County were compiled from the National Archives and Records Center microfilm Group T-9, Roll 1407, 1880 Census of West Virginia. As indicated in the FOREWORD to this volume, a code preceding the name is used to designate the enumeration district and the page number of the entry in the microfilmed census enumeration. The following letter designators are used to identify the enumeration districts in McDowell County.

Identification Code	District Name	District Number
B	Big Creek	77
E	Elkhorn	160

DOCUMENTATION for the Ascent (direct line) Chart

Please read and use the SPECIFICATIONS and RULES OF EVIDENCE when preparing this page of documentation. Information for additional ancestral lines may be included on blank pages, showing a relationship to the lines on the basic application. You must include a four or five generation chart for each person you submit to show the inter-connection.

We suggest you use "Cite Your Sources" by Richard S. Lackey (New Orleans, Polyanthos, Inc., 1980) as an aid. Most libraries have a copy in their reference department.

If you have a photograph of your Civil War ancestor/ancestress, either in uniform or civilian dress (at any age), please consider submitting a copy with your papers. Do not send us an original. These pictures will make an excellent addition to the Ohio Genealogical Society's Civil War Archives.

List documents used for each generation on the Ascent (direct line) Chart.

Enclosed, is the necessary form for the acquisition of a government tombstone for a deceased veteran. I, per our recent telephone conversation, have chosen the Cremer Monument Company as my consignee. Please sign and date (at location # 22) on the form and return both copies to me in the enclosed self-addressed and stamped envelope. I will submit it to the Department of Veterans Affairs with necessary proofs of the Civil War service of William Harrison Mitchem.

When we talked by telephone, you stated that the setting of the stone at Mount Olive Cemetery would be done at a cost of $150.00. According to the information from the Department of Veterans Affairs, the stone should arrive within about 70 days. Please, when you return the application to me, include information as to the time I should send Cremer the check for $150.00. I would be happy to send the check at this time, if it would insure that the stone would be set soon upon the arrival from the Department of Veterans Affairs.

Thank you for your kind assistance.

Subj: Re: Civil War headstone / W. H. Mitchem
Date: 00-08-18 14:23:43 EDT
From: Nunne002
To: johnston@dodgecity.net

Hi cousins -
Finally, after years of thinking about such, filled out the request for a government headstone for our Civil War great-grandfather, William Harrison Mitchem. It took a bit of calling Pittsburg, KS to get info and permission from the City of Pittsburg AND finding a monument company there to accept delivery AND set the stone. I mailed the application to the City of Pittsburg who owns Mount Olive Cemetery for their signature. When they return the application to me, I then must mail it to the Cremer Monument Co. at Pittsburg for their signature to accept delivery of the stone.
I have asked the Dept. of Veterans Affairs to engrave a granite upright stone with the following:

William Harrison Mitchem
May 15, 1844
Aug. 22, 1898
Sergeant
Co. E - 54th Reg't - Ohio Infantry

Decided to get granite instead of white marble (both are available). The stone is supposed to be 42 inches tall, 13 inches wide and 4 inches thick. I thought granite would survive Kansas weather better than marble. When I talked to the monument company, I asked if they would do a four inch border/slab around the stone so that the cemetery mowers would not chip and crack the stone.
The application states that the consignee (Cremer Monument Co.) should receive the stone within 70 days after the application is received and approved as correct.
Knowing the US Gov., this seems rather fast, so we will see.
The stone is free and I will only need to pay for having it set, which is great. I still need to get a stone for Aunt Myrtle (like I promised Mom). Both Charles and Arthur have stones, but not Myrtle. I just need to take the time to go to Iola and DO IT...
When the Mitchem stone is set at Pittsburg, I will let you all know and maybe we can have a small reunion to see the stone.
Hope all are well,
Mary Ruth

Note 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. No interference by the Spanish authorities will be allowed by the officers of this government. Commissary General Egan has established a regular ration for the Cuban people.

Cuban Forces Rapidly Disbanding.

Santiago de Cuba, Aug. 21.—The Cuban forces are rapidly disbanding upon request of Gen. Lawton, and as fast as they lay down their arms they return to their homes and resume their former occupations. More freedom to the Cubans is being allowed, and this policy has caused general satisfaction. Numbers of the insurgents unarmed have been allowed to visit their families in this city, and Cuban officers now mingle amicably with the Spaniards in the streets. The tobacco factories have resumed operations, and are filled with workers, who, until a few days ago, were armed insurgents. The exodus of both American and Spanish troops continues.

LETTER FROM ALGER

The Secretary of War Tells of the Work of His Department.

THE SICKNESS AMONG VOLUNTEERS.

Many Commanding Officers Responsible for Much of It—What the Surgeon General, Commissary General and Quartermaster General Have Done.

New York, Aug. 22.—Chauncey M. Depew has received the following letter from the secretary of war and has consented to its publication. It was written in reply to a request for information:

My Dear Mr. Depew: The great pressure of business has up to now prevented me from sending to you the statement you were kind enough to ask for, as to what had been accomplished in the way of outfitting the army for the field, the conduct of campaign, etc. Also, the chiefs of divisions have been too much driven with work to compile the data required. One not in the midst of the work can hardly realize what an undertaking it is to call 125,000 men into the field at one time, coming from all the states, and to have them mustered and gathered in camps on so short notice, and this, too, when we had scarcely any camp outfit for their accommodation, all having to be provided for by the war department.

As you know, when the war was declared there was no equipment whatever for the volunteers in store. This was successfully accomplished, with very few accidents, as a matter of record. Subsequent calls, including the regular army (which numbered about 27,000 men when war was declared), made a total of 268,500 men. To accomplish all in so short a time has been a great work.

Thus from the homes of 216,000 volunteers has been constant and great anxiety as to what might happen to their soldiers, and hundreds of inquiries, made by letters and telegrams, have been received every day concerning individual soldiers. The feeling on the part of these individuals that the war department is responsible for the care of their men individually has naturally aroused sympathy in case of sickness and death, and has created much sorrow.

Every effort has been made from the beginning to furnish every camp with all appliances asked for, but, of course, the commanding officers in the field are the ones who have direct charge of these men. For instance, one army corps commander has division orders and enforces them, respecting sanitary affairs, and he has to-day but a fraction over two per cent. on the sick list. Others have not been successful and the consequence is that typhoid and other fevers have been bred and spread to a considerable extent. One regiment in the Chickamauga camp has a colonel who enforces sanitary rules in his regiment, obliging the men to boil all the water they drink, keeping the camp clean, and the result is that there are less than 15 sick, and the camp, too, is in as unfavorable place as any in the command. Others more favorably situated have ten times that number on the sick list. One of the regiments of the last call, not yet moved from its state, sends bitter complaints of typhoid fever.

Concerning the Santiago campaign, when the ships left Tampa they had on board three months' provisions and an abundance of hospital supplies. They had lighters to unload with at point of debarkation. These lighters were lost in severe storms on the way. As soon as we were notified of the fact, two tows of lighters were sent from Mobile and New Orleans, which were also overtaken by storms and lost. The navy supplied us with lighters and one of those was wrecked. The army disembarked, getting off a portion of its supplies and medical stores and immediately marched to the front to fight the Spaniards. The great difficulty of landing supplies subsequently was because of the wind, which sprang up every morning at ten and made a high surf, render-

MUTINY IN CAMP.

Arkansas Troops Throw Down Their Arms and Declare They Will Not Go to Cuba.

Chickamauga Park, Ga., Aug. 21.—For half an hour or more yesterday the Second Arkansas was in a state of mutiny. Many of the men threw down their arms, refused to turn out for drill and openly declared they would not go to Cuba. Augmented by the men of the Fifth Missouri, who arrived in time to cheer their friends on, there were at least 1,000 howling, shouting men beyond control in the lines of the Arkansas command. Col. Cook was sent for and the Missourians were called to their own lines by the sounding of the assembly. It speaks worlds for both men and officers of the two regiments that an hour afterward there was not even a sign of the trouble. The trouble was precipitated by the arrival of a copy of the Arkansas Democrat, containing the text of a telegram which officers of the regiment had sent to the secretary of war, asking that the regiment be selected for service abroad, and announcing its willingness to go. Members of the ranks declared the representations was false.

Negroes Warned to Leave.

Denton, Tex., Aug. 21.—Trouble is said to be brewing at Pilot Point, a town of 2,000 inhabitants, in this county, between the whites and the negroes. The trouble dates back some time, but the latest and most direct cause was the attack several days ago of a negro man on two white boys, whom he beat up badly. Indignation meetings were held by the white citizens, and placards were posted warning the negroes to leave.

News from the Third Missouri.

Thoroughfare, Va., Aug. 21.—Adjt. Gen. Bell, of Missouri, has wired the Third regiment that he is coming here next week to take sick Missouri soldiers on a special train to St. Louis, whence they will be sent home. The Third's orders to move to Middleton, Pa., were countermanded this morning. It is rumored that the camp there has been condemned and the troops ordered away.

AFFAIRS AT MANILA

Articles of Surrender Not Fully Understood at Washington.

THE TERMS OF LITTLE CONSEQUENCE

The Protocol Provides for the Cession of Manila and Leaves the Disposition of the Islands to the Peace Commissioners.

Washington, Aug. 22.—Among the war officials the terms of the capitulation of Manila, as cabled by Gen. Merritt, was a topic of discussion. No light has been thrown upon the terms by Gen. Merritt. He cabled the terms themselves, expecting probably to forward by mail the construction placed upon them by the American and Spanish officers at Manila. Unofficial advices from Manila received previous to the arival of the text of the terms indicated that the capitulation of the city included the surrender of the Philippines and that Spanish sovereignty over the entire archipelago was, temporarily at least, at an end. This view is not sustained by the conditions of the surrender as cabled by Gen. Merritt and, it may be said, it is n[illegible] view taken by the best-informed [illegible]als of the administration. While some of the war authorities last night were inclined to the opinion that the articles of capitulation, necessarily temporary and naturally somewhat elastic in their phraseology, might be construed to mean the surrender of Spanish control over the entire Philippine group, the prevalent opinion now is that they mean precisely what they say and that the surrender includes only the city of Manila and its immediate surroundings, or "suburbs," as it is expressed in the articles.

It can be said authoritatively that the president is quite satisfied with the terms as made by Gen. Merritt and Admiral Dewey. Their instructions afforded them considerable latitude for individuality of action, the president feeling confident that they would secure the best possible terms in the circumstances. That they have done so he is certain. It is pointed out that the terms of the capitulation of Manila can have but little effect upon the action of the Paris peace commission, in any event. The protocol as signed by the accredited representatives of the governments of the United States and Spain provides for the cession of the city, bay and harbor of Manila to the United States and leaves to the peace commission to determine the disposition and government of the Philippine islands. Whether, therefore, Spain is to retain her sovereignty over the island is a question to be decided by the Paris commission. The action of the commission is circumscribed by the provisions of the protocol, while the terms of the capitulation of Manila, it is suggested, can have very little more serious effect upon the commission's work than

DEATH FOR PILLAGING.

Rebels at Manila While Looting Tondo Killed by Americans—Augusti's Escape Was Understood by Dewey.

Hong Kong, Aug. 22.—Officers of the steamer China from Manila, which has arrived here, report that it was evident that the resistance of the Spaniards when Manila was attacked by the Americans was merely nominal and was made solely to maintain the honor of Spain. The officers expressed the belief that the escape of Gov. Gen. Augusti was prearranged and was well understood by Admiral Dewey. The total number of killed on the American side during the attack upon and capture of Manila was 46, and of the wounded about 100. The Spanish losses were 200 killed and 400 wounded. The fire of the Americans did practically no damage to the town or to the non-combatants. The Americans had considerable difficulty in keeping the insurgents out of the city, only admitting those who were without weapons. Five insurgents were shot while looting at Tondo.

One Life for Three.

Friendship, Ga., Aug., 22.—A negro whose name has not been learned murdered Mrs. James McGarrah and her son James with an ax. The negro next caught a negro woman, tied her to a tree in the woods and began hacking her with the same ax. She died soon after, but not before she had given a description of her assailant. The murderer was caught and promptly lynched.

Soldiers United to Steal.

San Francisco, Aug. 22.—Since the conviction of Quartermaster Young, of Kansas, for the irregular handling of government supplies, it has leaked out that a combination was formed among the non-commissioned commissary officers of the various regiments to defraud the government. Enough evidence has been secured to make trouble for several men now under arrest and under suspension.

Will All Go to Camp Meade.

Harrisburg, Pa., Aug. 22.—All difficulties in the way of obtaining additional land at Camp Meade have been overcome and the troops of the Second army corps remaining at Camp Alger and Thoroughfare gap will be moved to the new camp below this city at the rate of a brigade a day, bringing the number of soldiers here up from 6,000 to 30,000.

Young Blaine's Scandalous Conduct.

Honolulu, Aug. 11, via San Francisco.—Capt. James G. Blaine has been the scandal of Honolulu since his arrival. His first exploit was at the Pacific club. He became intoxicated, though recently a graduate of a "cure," and fell down a long flight of stairs. Everybody supposed he was killed, but he sustained merely a few scratches.

McKinley to Visit Omaha.

Omaha, Neb., Aug. 22.—President Wattles, of the Transmississippi exposition, has received a dispatch from Washington stating that President McKinley has given a positive assurance of his consent to be the guest of

GRAND WAR CONCERT

An Unusual Feature for the G. A. R. Encampment at Cincinnati.

ACTS OF ROWDYISM AT SAN LUIS.

Civil Authorities Report American Soldiers Worse than the Spaniards—Gen. Lee to Review His Troops—Shafter's Sanitary Report.

Cincinnati, Aug. 22.—One of the unusual features for the thirty-second national encampment G. A. R. in this city, September 5 to 10, is a war concert to be given the first three nights of the encampment week at Music hall. Three prominent local choral organizations will participate. The most powerful of these is the United Catholic choir, under the direction of Prof. Andrew Hoex. This choir will be made up of 500 of the best trained voices in all the Catholic choirs of the city, and their performance will be meritorious. Alternating with this immense Catholic choir will be the Orpheus club of 150 voices under Prof. Charles Graninger, and the Cambro-American Choral society, comprising 150 trained voices, under direction of the well-known tenor, Prof. David Davis. The chorus will be supported by Weber's military band of 50 pieces. It is now settled that Commander-in-Chief Gobin, who is the commander of Camp Alger, will be here on a leave of absence during the encampment week. President McKinley and members of his cabinet and distinguished officers of the army and navy are expected for the peace jubilee.

ACTS OF RODYISM AT SAN LUIS.

Santiago de Cuba, Aug. 22.—The steam lighter Laura struck a rock near the steel pier and sank in ten feet of water. At the time of the accident she had on board 630 men of the Third Michigan regiment, who were on the way to the transport Harvard. No lives were lost, but an exciting scramble for the shore took place in which many of the men fell in the shallow water. Gen. Shafter and the sick soldiers who are under the care of physicians, will leave to-day on the transport Mexico. The civil authorities of San Luis, the western terminus of the railroad, report acts of rowdyism and theft and the insulting of women by members of the battalion of the Eighth Illinois regiment, which is stationed there. It is said that the soldiers are worse than the Spaniards. The people assert that all discipline is ignored. The chief offenders have been imprisoned.

GEN. LEE TO REVIEW HIS CORPS.

Jacksonville, Fla., Aug. 22.—Gen. Lee, commanding the Seventh army corps, is making arrangements for the parade of the troops of the corps and it will probably take place on Friday of this week. The parade will be in commemoration of the signing of the protocol and declaration of peace. Invitations have been extended to President McKinley, Secretary Alger and

Sheep—Receipts, 479; shipped yesterday, 1,433. The market was nominally steady.

Horses and mules—The receipts of horses and mules have been more liberal this week. The demand is increasing for southern horses 4 to 8 years old and weighing 700 to 1,000 pounds. So far the traffic has been light, but the favorable reports coming from Louisiana regarding the condition of sugar cane and the prospects for a big cotton crop all over the south indicates that there will be a strong demand for both horses and mules this fall. Prices are steady and a much better feeling prevails.

the officer, however, he stopped. Howe called to him at the same time secreting his official badge, and he finally decoyed Brooks nearly to him under the impression that he was a friend. As soon as Brooks got near enough to recognize him he turned and ran with Howe in pursuit, but after a 100 yard chase along a hedge fence, Officers Anderson and Barrowman sprang out from the hedge, where they had secreted themselves and captured him. The amusing part of it was the two latter officers knew nothing of Howe's presence in the vicinity until they seen him sprinting along in the rear of Brooks. The prisoner was brought back to the city, and put up $15 for his appearance for trial, the time for which had at last accounts not been set yet.

How He "Conned" The Watches.

B. F. Jefferd, of Fayetteville, Arkansas, left last night with the all around crook arrested here under the name of E. L. Merchant, wanted in Fayetteville for stealing three gold watches, and Mr. Jefferd is the manager of the jewelery establishment from which they were taken. He first made his appearance in the store about three days before the theft and asked for an initial ring, but Mr. Jefferds did not have the ring with the initial Merchant wanted and asked Jefferds to order one for him. Jefferd agreed to do this and told him when to come after it. When he came to the store asked to see the ladies gold watches he appeared to be very particular as to the kind and style desired and finally decided upon three and requested the privilege of carrying them to the hotel where he would be assisted in selecting one. This request was granted him by Mr. Jefferd and the next he knew Merchant was gone and with him went the watches or in plain words he had simply "conned" Jefferds out of the time pieces. Circulars giving a description of Merchant were sent out to the principal towns and cities north, south, east and west and as a result the thief was picked up here. In Fayetteville he went by the name of Wm. Howard.

I would be very happy to find something about William Meacham/Mitchem who is the father of my William and your James and any estate papers. PLEASE, do look.....
Yes, I do know about Catherine Wert Mitchem. After William died (apparently, but I have no proof), Catherine married #2 Nelson P. Osborn on 28 Jul 1846 in Pike Co. OH. Nelson Osborn signed for some of the Meacham girls to marry in Pike Co. I have no idea what happened to Nelson. Catherine married #3, Nathaniel Hill on 23 Oct 1854 in Fayette Co. OH. Nathaniel and Catherine are on the 1860 and 1870 census of Harrison Co. MO. She died on 23 Jan 1871 and is buried in Pleasant Ridge Cemetery in Harrison Co. MO along with her daughter, Elizabeth who married Adam Butcher.
I copied quite a lot of material today and will get it in the mail, probably Friday. I am only sending the "basics" and have a great deal more concerning the children of William and Catherine.
Talk later, and PLEASE try to find the estate papers of William listing Catherine and the children.

Hi Mary,
I can't tell you how happy that we have found each other. I will have to check but I think I have the infomation on William Michem death in OH. He died and left children under age which was recorded. I have all this information when I have time to find it. In the records it list the children and his widow.
I didn't know what happened to Catherine. I had found her in the 1850 census in OH close to my James and Rebecca.
After so many years to finely find the missing link is really great. What proof do you have of the brothers William Harrison Mitchem & James Russell Mitchem? My sister and I have worked on my husband line and figured out that James father was probably William, but couldn't find any real proof.
Thank you again very much!!!!
Lea

Hi Lea,

Glad to share my Meacham/Mitchem material. It will take a bit to get it copied, as I do not have my 35+ years of family research on the computer. Also, for some reason, I cannot download successfully on my computer so must ask for Xerox copies from everyone.

My line is as follows:
Elijah D. Meacham m Sarah
William Meacham/Mitchem m Catherine Wirt on 26 Jul 1827, Montgomery Co. VA
William Harrison Mitchem m Ella Ann Conner on 6 Oct 1867, Fayette Co. OH
Orrin Ometa Mitchem m Ella Adaline Hendricks on 21 Apr 1888, Labette Co. KS
Mabel Inez Mitchem m Raymond Henry Metzinger, on 25 May 1927, Allen Co. KS
Mary Ruth Metzinger m Richard Dean Nunneley on 29 Aug 1952, Tulsa Co. OK

Your James Russell Mitchem who married #1Rebecca Butcher Blake and #2 Amanda J. Ellis is a brother to my William Harrison Mitchem.

I have no idea what happened to their father, William Meacham/Mitchem. Their mother, Catherine Wirt Mitchem remarried in 1846 to Nelson Osborn and in 1854 to Nathaniel Hill. Catherine died on 23 Jan 1871 in Harrison Co. MO and is buried at Pleasant Ridge Cemetery in Harrison Co.

Will close for now and get the Mitchem material copied as soon as possible.

Hi Mary;

Thanks for the note. Yes I did receive the "300" pages from you and have entered about 250 of those into my computer program. I have two more sections of the family to enter; William Harrison Mitchem child 5.7 and James R. Meacham (Elijah and Sarah Meacham Child #6). I was waiting to send you paper copies until I got everything entered but since you need the info on Mary now I'll put what I can into this e mail and send the rest of the details on this part of the family (20 pages) via snail mail soon.

Karen

Descendants of Mary Ann/Catherine (Meechum) Mitchem

Generation No. 1

1. MARY ANN/CATHERINE (MEECHUM)9 MITCHEM (WILLIAM (MITCHEM)8 MEACHAM, ELIJAH D.7, ICHABOD6, ICHABOD5, ISSAC4, JEREMIAH3 MEACHUM, AMBROSE2, THOMAS1) was born November 20, 1840 in Columbia, Pike/Jackson Co., Ohio, and died February 04, 1917 in Cherokee County, Kansas. She married JOHN E. FRASIER February 07, 1859 in Jeffersonville, Fayatte County, Ohio, son of FATHER FRAZIER and MOTHER. He was born April 15, 1837 in Rockingham County, Virginia1, and died November 06, 1924 in Crawford County, Kansas1.

Notes for MARY ANN/CATHERINE (MEECHUM) MITCHEM:
Mary Mitchum Frasier's children said that she was related to the late actor Robert Mitchum, but I don't know how yet. She was 76 when she died.

Notes for JOHN E. FRASIER:
John left home when he was 13 years old and worked on farms. John and his brother Jacob Wesley Frazier moved to Ohio when they were very young men. They both met and married the Mitchem/Mitchum sisters, Mary and Sarah in Ohio and then I think both familys moved to Bethany, Missouri. John enlisted in the Union Army at Bethany, Missouri on August 13, 1864, mustered in at St. Joseph, Missouri on September 8, 1864. He was a Corporal in Co. E. 43 Regiment, Missouri Infantry Volunteers in the Civil War. He was wounded in the shoulder and hand at Glassco, Missouri on October 15, 1864, and was treated in a Rebel hospital in Boonville, Missouri as a prisoner of war. He went from Boonville to St. Louis and then got a furlough and went home. After being discharged at Benton Barracks, Missouri on June 30, 1865, he returned to Harrison County, Missouri for a time. He then moved his family to Cherokee County, Kansas sometime before 1871. The Frasier's post office address was Opolis, Kansas. John always said he had one younger brother, William, who lived in Indiana and a sister, name unknown, who married a man named Cline. Both Mary and John are buried in the Crocker Cemetery. He was 87 when he died.

Many people have spelled his middle name Elyis (Elijah). Check on this.

Children of MARY MITCHEM and JOHN FRASIER are:
2. i. JAMES WILLIAM10 FRASIER, b. February 03, 1860, Bethany, Harrison County, Missouri; d. 1909.
3. ii. WILLIAM HARRISON FRASIER, b. December 28, 1861, Bethany, Harrison County, Missouri; d. April 10, 1909, Opolis, Kansas.
4. iii. ROBERT HENRY FRASIER, b. April 15, 1863, Bethany, Harrison County, Missouri; d. 1957.
5. iv. MARY CATHERINE "SISSIE" FRASIER, b. July 07, 1866, Bethany, Harrison County, Missouri; d. February 02, 1935, Burlington, Iowa.
v. J. R. (JAMES RUSSELL) FRASIER, b. September 15, 1868.

Notes for J. R. (JAMES RUSSELL) FRASIER:
Probably died in infancy. Initials and date of birth list in Department of Interior, Bureau of Pensions Questionnaire dated Jan. 2, 1915, but not listed in similar document dated 1989.

6. vi. LAURA VICTORIA FRASIER, b. December 09, 1871, Cherokee Co., Kansas; d. June 1949, Pittsburg, Crawford County, Kansas.
7. vii. ALBERT STEVENS FRASIER, b. 1874, Cherokee Co., Kansas.

Mary:

I checked the 1850 census in Rockingham County, Virginia and I thought that I might have found the right family. It is John H. Frazier (#181) 38 years old, and wife Mary, 33 years old. The children listed are Andrew-13, John-11, Jacob-9, Alfred-7, Mary-5 and Leaniah-3 (I think-the writing was so bad I couldn't tell for sure). John H. is listed as a laboror. The ages are a little bit off for both John and Jacob (Sarah Mitchem's husband) but they are close enough for government work.

I then went to the 1860 census in both Fayette County, Ohio and Rockingham County, Virginia and couldn't find anything under Frazier and thought I had lost track of them. I thought that the middle name of Andrew or Alfred's might have been William, ie., the brother in Indiana. I also thought that Mary or Leaniah might have married the Cline fellow, but I had no first name for him. I have been searching the records with these clues in mind but had come up with "zero" so far.

I really think that you may have found John H. Frazier/Frazer/Frazur again in the Fayatte County census!!! Could I have a copy of that census also? Especially with the next door neighbor being William Andrew Frazer/Frazur age 23. If William Andrew was 23 in 1860 he would have been 13 in 1850. BINGO! If John H. was 57 in 1860 he would have been 47 in 1850, not so bingo! He should have been 47 or 48 in 1860. Ten years off. Mary, his wife must have died in child birth with Shedrick W. or soon after. We might be able to find death records.

Cynthia J at 8 years old would not have been born during the 1850 census and therefore would not have shown up before the 1860 census. Shedrick W. age 4, born in Ohio shows that the family moved to Ohio sometime between 1850 and 1856. In 1860 John E. would have been 21. He was already married in 1859 to Mary Mitchem, age 20. They probably moved to Bethany, Missouri the same year that they got married. John and Mary's first child, James William, was born in 1860 in Bethany, Missouri.

Jacob would have been about 19 to 20 and Sarah Mitchem would have been 26 in 1860. I don't know when Jacob and Sarah got married but their first child, Henry W., was born in 1862 in Bethany, Missouri also.

Now where did Alfred who was 17, Mary who was 15 and Leaniah who was 13 in 1860, go to? Probably farmed out to neighbors in Ohio as laborors or maybe they went to Bethany, Missouri with John and Jacob?

By golly, I think we might be on the right trail!!!

Good work Mary. I've got to teach summer school for two more weeks and then it's off to the geneology library for more information!!

Karen

Hello Karen -
Worked at the LDS Family History Center Library today. I copied the 1860 census for Fayette Co. OH for the John H. Frazer. The copy does not show exactly how his surname looks so will send the exact data:
1860 Census - Fayette Co. OH - Union Twp. - PO Washington Court House
14 June 1860 - Page 351
559-557

John H. Frazer	57	m	Laborer	VA	cannot read/write
Cynthia J. "	8	f		VA	
Shedrick W. "	4	m		OH	
-558					
Esther "	19	f		OH	
William Andres "	23	m		VA	
Sarah J. "	1	f		OH	
Fannie Morris	50	f		OH	cannot read/write

Over the z in Frazer is written what appears to be an s....so, Fraser.

While browsing at the FHC, found the following:
John H. Frazier married Mary I. Morris on 5 Apr 1836 in Albermarle Co. VA. Albermarle Co. adjoins Rockingham Co. VA. Thought this marriage very interesting since there was a Fannie Morris living in Fayette Co. OH with John H. Fraser and you said that the John Frazier of Rockingham Co. VA in 1850 had a wife, Mary!!!!
Though not much info was shown, someone has sent information concerning a William Morris who married Francis (Frankey) Etherton on 8 Jul 1806, Spotsylvania Co. VA. William and Francis (Frankey) are supposed to have had the following children:

Betsy Morris
James Morris
Louis Morris
Francis Morris (a female) is she the Fannie Morris of 1860 with John H. Fraser??
William Morris
Mary Morris, born 1817 - is she the one who married John H. Frazier in 1836??
Susan Morris

I could not find one thing today concerning your John Frazier and his children named on both the 1850 and 1860 census. Did not find John H. in Harrison Co. MO in 1870.
As you know, I really do not do Frazier research, except for John and Jacob who married the Mitchem sisters. Just looked at the material that was available, but with little luck.
Guess if the story told is true, Indiana is probably the place to look........but where.
Also found the following which may not apply:
John H. Frasser married Hannah Dobbs on 13 Dec 1864 in Fayette Co. Ohio
(marriage from Fayette Co. OH records, but the microfilm is bad and unable to copy the record)
That is all for this time.
Mary R. M. N.

Mary:

I am sorry that I have not gotten back with you before now but I am in finals week at the university and I am a little crazy.

I am so glad that the papers finally arrived!!! I think they took the long route to Oklahoma via camel back in the gobi desert. The US mail is horrible sometimes.

I got all that additional information about John H. Frazer/Frazur/Frazier and his family that you sent. What a hoot!!! If John H. really is John E. Frasier/Frazier and Jacob W. Frazier's father this may give me the link that I have been searching for for years. Now I just have to get an official document, birth certificate, marriage license or something, for either John or Jacob showing that their father was John H.

The connection with the Morris Family via Fannie Morris is sure a good one that shows that we are dealing with the same family in Ohio that came from Virginia.

I have a question though. Did the 1860 census show that William Andrew Frazier lived in the same or separate house from John H.? If they lived in the same house they most likely were related. If they were just neighbors they might not have been related.

Do you have Jacob Frazier's family tree yet? I know that Kim Jones at kimberlyjjones@yahoo.com has his family tree pretty well documented. Jacob was her g-g-grandfather.

Thanks again for all the info. I'll talk to you later.

Hi -
Received your Mitchem information today, but have not had time to fully digest all of the material. I just quickly scanned the pages and was delighted to have so much additional information about the family.
You mailed it on 20 July 2000 and I received it on 31 July 2000.........long
trip from Houston to Bartlesville, I guess??
Thanks much and have some items to get in the mail for you. Oh yes, Waco
Cemetery has not been transcribed as far as I can tell. I found only a listing of the Waco Cemetery, but nothing else.

Thanks Mary;

I'll get the other stuff that I have in the mail to you today on Mary's linage. I got a lot of it last summer from the Laura Frasier and Cyrus Brown family children married into the Schneider family, which makes them double relatives to me. My aunt Bernice, my father's baby sister, also married into the Schneider family. All of that is shown in the records.

Hi Mary,
Surprise to hear from you. Yes I am still working on the family. Had planned a trip to Pittsburg this year, however other things happened and I didn't get to go.
I would be happy to have any thing you can share with me.
What program do you use for your genealogy? I use Family Tree Maker. If this is a program that you use then you could just send me the file as an attachment.
My mailing address is:

La Pine, Or 97739.

What is your email address?

Talk Soon,
Darlene

Hi Darlene,

Just a note to let you know that I am in the process of applying to the Veteran's Administration for a tombstone for William Harrison Mitchem. As you know, he is buried at Mount Olive Cemetery, Pittsburg, KS....without a stone. Since he is a Civil War soldier, I thought I should apply for a government stone. If approved, the only cost to me will be having the stone set at his grave site. I have already received approval from the City of Pittsburg and am now awaiting the acceptance signature from Cremer Monument Co. at Pittsburg as my consignee to accept the stone after it is engraved. I have already talked with Cremer and they have agreed to accept delivery of the stone, but I need their signature. When I receive the form from them, I will sent the forms and proof of his Civil War service to the Veteran's Dept for approval. Such a lot of paper work........but think it time that he had a stone.

Have made contact with more Mitchem "cousins" and have proven that John E. Frasier who married Mary Mitchem (dau of William and Catherine Wirt Mitchem) does belong to us. Since I had a picture that belonged to my grandmother that stated on the back "John Frazier's daughter and family", it was just a matter of finding some of that family. Finally found someone on GenForum who placed a query concerning the family. She lives in Houston, TX and has sent me a lot of her family info. If you are still working on the family, I would be happy to copy it for you. Let me know......and your current mailing address.

Later,

Lea–

Very nice to hear from you again. The information you sent this time is complete enough to make a positive identification on your James.

I am going to pass your name on to someone who is even more closely related to your James than I am. Her name is Mary Nunneley. Mary and I have been working together on our common Meacham Family for several years. You will enjoy talking to her. It appears that you might have some new information to add to Mary's information.

I am sending a copy of this note to Mary. She will contact you . She tells me that she will not be able to send you full information until after the Xmas rush, however she can tell you the basics.

Lea–please don't think I am passing the buck. I was sure that Mary would like to tell you about your family ties. You and her are working very closely on the same family.

Drop me a copy of what you two e-mail back and forth.

Thanks.......Jim Meacham

Hi Lea,
Received your E-Mail address from Jim Meacham of Jackson, OH. It appears that we are researching the same family and would be happy to share my 30 years of "looking" with you. I am new to the computer world, so am still in the paper mode. For some reason my computer will not download files (probably me) and will look into this after Christmas. My line is as follows:

and then Pike Co. OH in 1850.

Issue of William Mitchem and Catherine Wirt:
Elizabeth m Adam Butcher on 26 Apr 1846 (Pike Co. OH) to Harrison Co. MO
James m #1 Rebecca Butcher Blake on 7 Aug 1849 (Pike Co. OH) to Harrison Co.
MO - James m #2 Amanda J.
Lucinda m Joseph Blake on 15 Aug 1848 (Pike Co. OH) to Fayette Co. OH
Sarah J. (she may have married Jacob Wesley Frazier) to Harrison Co. MO
Malinda m John Baughn on 31 Dec 1855 (Fayette Co. OH) lived Fayette Co. OH
Mary (she may have married John Frazier)
William Harrison Mitchem m Ella Ann "Elsie" Conner on 6 Oct 1867 (Fayette Co.
OH) to Kansas

William Harrison Mitchem is my great-grandfather. He was born 15 May 1844 in Pike Co. OH and died 23 Aug 1898 in Pittsburg, Crawford Co. KS.

I would be happy to copy my records for you if you will send me your mailing address.

Hi Mary,

I can't tell you how happy that we have found each other. I will have to check but I think I have the infomation on William Michem death in OH. He died and left children under age which was recorded. I have all this information when I have time to find it. In the records it list the children and his widow.

I didn't know what happened to Catherine. I had found her in the 1850 census in OH close to my James and Rebecca.

After so many years to finely find the missing link is really great. What proof do you have of the brothers William Harrison Mitchem & James Russell Mitchem? My sister and I have worked on my husband line and figured out that James father was probably William, but couldn't find any real proof.

Thank you again very much!!!!

Lea

Dear Mary,

What a question, am I interested in finding the Mitchems!

We moved two years ago, but I kept my Post Office box in Middleburg just because I was afraid I would miss a chance with genealogy. We don't go back to Middleburg very often. Our box filled up with junk mail and they took all the mail and put a slip in the box that we could pick it up at the window. Only problem being you have to get to the post office during business hours. We never seem to manage that, but my husband made a special trip during the day to pick up the mail last Friday. There was your letter among the 200 pieces of junk mail and Christmas cards.

I needed some information last week and finally started to unpack my genealogy. I haven't done much since we moved. We moved from Middleburg to an interim house for six months and then finally found a house to buy. I was so worn out with boxes I gave up on unpacking but then had a lead on my Dad's family in January and decided to start again. I still have some of my information packed away. I am sending you Jedidah's family and will try to get the family sheets of his children to you next week. I worked the census, Tazewell Co., Va., and McDowell Co., Va./W.Va. courthouses for lots of information. All I have is strictly records, no oral history.

Did you really find proof that Jedidah is the son of Elijah D. Meachem of Montgomery County? If you have proof it is a miracle. I have worked on this for ten years and I have known for several years that Elijah had to be Jedidah's father but could not find proof. I went to the Montgomery County courthouse and could not find the original marriage license of Elijah D. Did find some interesting information. Elijah D. Jr. had some kind of desease that left him incapable of labor. There was an Ichobod Meachem that enlisted with Elijah in Connecticut. He died in Montgomery County leaving no children or widow. I have the application papers for pension for Elijah and Ichobod, which is interesting reading.

I am Regent of my DAR Chapter and haven't had much time the last three years to work on genealogy. My term of office if over in May. Now I can get back to my real love.

Also, my mother, Lois Mitchem Hammonds, died November 10, 1994. She had heart surgery in 1990 and had been frail since. I spent most of my free time with her. Between DAR and Mother I had very little free time.

Please get back to me as soon as you can. I can't wait to see what I missed and just what I should have checked. I am always learning. You never know where you will find the proof you need.

Mary, that does kinda throw a wrench in things! Could it be that it was in another county? I know there were a LOT of boundary changes over the years! You're right about trying to find out where original info came from! I am sure that they didn't just decide to print it without something to go on! I have often wondered if Shorten Smith and Elijah traveled together especially since they were in some of same places in the war and then they both end up in Va and their kids intermarry! The reason I say this is because I know that Shorten was in Botetourt Co. before Tazewell and I wonder if Elijah may have been there also! I guess this is just another puzzle for us to try to figure out! But then that is what keeps it so interesting! My mom has both the books that list the marriage and I will do some looking to see if I missed anything as far as where they got the info! Cheryl

Cheryl - as I told you, I wrote to the Clerk of the Circuit Court of Montgomery Co. VA for a certified copy of the marriage of Elijah Meacham/Mitchem to Elizabeth Smith. I have viewed the records from Montgomery Co. and I did not find it. Their reply to my request of 15 Nov 1998:

I'm sorry, we do not have this record in our office. However, there is a marriage record for Elizabeth Smith and Larrance Murry in 1782. If you would like a copy of this record, please mail back this letter, fifty cents, and a self-addressed stamped envelope.

The Clerk returned my check for $10.00 that I had sent with my request for the certified copy of a marriage for Elijah and Elizabeth. I have tried for many years to let the Meacham researchers know that such a marriage does not exist. I had never tried for a certified copy and thought maybe there was an early book not available to the public. NOW WE KNOW, from the Montgomery Circuit Court Clerk, that there is no such marriage in that county.

I am only sorry that it has been published in two different books. The story will never die, because some people will not follow up on a Circuit Court record. Too bad.

Wonder if we tried to write to the last author (1991) and ask her where she found such an unknown record. I suspect, as I have told others, that she just used the material of the first author without really checking her proof of marriages. My William Mitchem to Catherine Wirt is WRONG in both books.

Your thoughts...........

Note from submitter:

I had the privledge to see the Meacham/Miles Family bible on July 8, 1998 in

Christiansburg Va. I had been trying to set this up for about 3 yrs. and finally made it! It was well worth it as you will see. This is the only known documentation showing Elijah D. Meacham and his wife with their children. I believe the early Meacham entries were made by Elijah D. Meacham himself because the writing matches closely to his signature on his pension application in 1818.

There is also some information that I can't make out, I am going to try to enlarge it and see if I can read it then, it is partially readable now.

I hope others in the Meacham (various spellings) and Miles families can use this information.
Elijah D. Meacham married Francis Miles March 8, 1837 in Montgomery Co. and

to my knowledge they never had any children. (None as seen are listed in the bible)
The bible is in pretty sad brittle shape, I have pictures, which are pretty easy to read and that is what I used to enter this info.
Any questions, please feel free to email me at: chester@powersupply.net

Good luck to all Meacham/Miles researchers-- Cheryl Mitchem-Chester

Mary, good to hear from you again. My thoughts on why the Miles ended up with the bible: When Elijah died, he left everything to his wife, Frances (Miles)
and her sister. Frances never remarried and the land just kept getting willed down to nephews and so forth in the Miles family. I figure that the bible was in the house and just kept going with the land. Robin Miles is living in a trailer on the land but his cousin lives in a house on the land and the bible was in the attic of the house. Robin was raised by his aunt so I would guess that he grew up in that house but the bible belonged to his aunt and when she died her son kept the house and the bible. I don't know if the land was willed to both of them or what, but Robin pays the taxes on it. I am hoping to go back next year and take a look around and get more pictures and hopefully even see the cemetary. Problem is I am a bit of a "city girl" and not sure about trecking around in the weeds and brush. The bible does contain some Miles records too, so I guess it is the Meacham/Miles bible, but the Meacham records are the oldest.
I think that Samuel Branch Miles may have been a nephew or something to Francis. I need to go back to Montgomery Co. and look through the tax records to find out who actually lived on the land over the years. Then once I have those names, I can look for some wills to see what they say. Talk to you soon, Cheryl

Mary, What part of KY did Ziba live in? I wondered what had happened to him, he bought land in 1812 along with Shorten Smith (father in law)& Eli Blankenship (brother in law) but shortly afterwards he disapeared.
I have all the census indexes on disk from Family Tree Maker and also have the actual 1850 VA census, so I will have to do some more looking I guess!
I would love to give all the Meacham/Mitchem researchers a copy of the family bible, but the person that has it is afraid to make copies of it due to its fragile condition. I have pictures that I took of each page and they are quite readable and even more so with a magnifying glass! But I am trying to enlarge them and see if I can get a larger but still clear picture.
However the machine at Meijers was broken down and now they are on strike and I don't want to go there during the strike, so, I guess I will have to wait till that is over. With my luck, they won't bother to fix the machine while the strike is going on!! Anyway, if I can get them enlarged and they turn out I will send you a copy along with Sue Swain. It was absolutly wonderful to be able to actually hold the family bible. I truly believe that part of the information was actually written down by Elijah himself, because some of the writing looks a lot like his signature on his pension papers! The family that has the bible doesn't get into genealogy and I don't think they truly understood what it meant to me to be able to hold and photograph the bible!!! I did tell them that if they ever decided that they no longer wanted the bible, to let me know and I would buy it off of them. They said the bible was going to a neice or someone. Oh, the other really neat thing about this visit was that the family still resides on the land that Elijah purchased in 1804 for 50 pounds!!!!!! The land is still recorded under Elijah because he willed it to his second wife, Francis, and her sister and it has been willed down generation to generation and never sold!
As a matter of fact, the gentleman said that they would like to build a house but are unable to do anything with the land because they don't hold the deed.
They are looking into their options, quit deed, advertisement for descendants in the paper, etc... The land is gorgous and there is a cemetary on the top of the mountain somewhere but the only way to get to it is by hiking up the side through the brush, etc... or going up the old logging road. He said that he remembers one head stone of someone that was in the civil war but didn't remember the name. He hadn't been up there in a very long time, but didn't remember many stones being there! I am planning to try another trip to see the land during the early afternoon next year and hope to get some of my family to go with me and try to get to the cemetary if possible. Well I better get going and will try to get the info to you soon! Cheryl

Seth - nothing known
Thaddeus - nothing known

I will wait until I read the KY census for Ziba before I copy anything and send it. Sue Swain said you had "held" the family Bible. How exciting. I wish we had copies to share with all of Elijah's researchers. Everyone has worked so hard over the years.

Anxious to receive your material and share what I have found over the years.

Oh yes, Cherokee, OK is the county seat of Alfalfa Co. OK. It is in the northern part of the state and about 175-200 miles from Bartlesville, I think. If you need census records for your family, our genealogy library has the 1900-1910-1920 soundex and census records on microfilm. Would be glad to look them up.

Mary, I got the info you sent and it is wonderful, I wish I was that organized!
As for the bible pictures, there is one date that did not show up on the page with Elijah D. info, on the right side, Thadeus Meacham was born December 15 (the 15 got cut off somehow). Now that I have the enlargements, it looks more like Ziba was born 1783 not 1785 as I thought before.
As for the ? of Elijah D. and Sarah or Elizabeth--I am not positive that it is our Elijah D. but our Elijah was in Va (Battle of Yorktown) in 1781 and he did move to Montgomery after discharge and Ziba was born a little over 1 year after that marriage and shortly after his discharge in Mass. Plus, Shorten Smith was in the war with Elijah (at some of same places) and then they both moved to VA and two of their children married each other. I have always wondered if Shorten and Elizabeth may have been sisters or something. Because a lot of times the families would stay together and intermarry. I know it is a long shot but since I can find no info on any other Elijah D. being in Montgomery Co. Va. I figure it could very well be!
By the way, let me know what I owe you for the copies, etc...
The picture of William Harrison reminds me of my uncle Jim who is tall, slim and has a long white beard like his. We have some pictures of old pictures that my
dad took, I will go through them and see who they are and if any are from the Mitchem side and if so, will let you know. Dad did his mom's family too and they had a lot of pictures. Oops, I just remembered, I gave them to my aunt to put names on them. She lives in WV and won't be home here again till just after Christmas. But as soon as I get them I will let you know.

In Montgomery County Court

Elijah Meacham, aged about sixty years who is now and has been a resident of this county for twenty six years (since 1792?) personally appeared in Court and declared on oath that he enlisted in the War of the Revolution in the town of Suffield Hartford County and State of Connecticut on the 1st day of January ~~[illegible]~~ 1776 ... and that he served therein until ~~the~~ about the year 1780 when he was drafted ... and was in the Battle at the seige of York ... and served until June 1783 when he was honourably discharged at West Point, State of New York

Hi -
I probably need to write to the Montgomery County Clerk and try to get a certified copy of the marriage record of Elijah D. Meacham and Elizabeth Smith. As I said, when I questioned the date of marriage of my William to Catherine Wirt, I did just that and found both books to be in error.
Just reread the pension records of Elijah...he indeed stated that he was in the siege of York (Yorktown) and at the surrender of Cornwallis to Washington (that was 19 Oct 1781). Elijah then deposes (on 2 Jun 1818) that he served until June 1783 when he was honorably discharged at West Point, New York. In this same deposition, Elijah stated that he had lived in Montgomery Co. VA for 26 years (or since 1792).
If he married Elizabeth and maybe had Ziba, who was born in MA, wonder why she was not listed in the Bible??
Will let you know what I hear from Montgomery Co. about the marriage.
Mary

Hello Both,
Have been reading census records and the following:
1830 - Brown Co. OH - Lewis Twp - page 450B
ZIBA MECHAM
three males - 0/5
two males - 10/15
one male - 40/50 (Ziba Meacham)
two females - 5/10
two females - 10/15
one female -30/40 (Levina "Vina" Smith Meacham, dau of Shorten Smith)

Also have read Wells Co. IN and the following (will send details later):

1850 - Thaddeus Micham, age 29, b VA - wife Syntha, age 25, b OH
(Thaddeus m 7 Feb 1844 - Jackson Co. OH to Cintha Davis)
1860 - Thadeus Mitchum, age 46, b VA - wife Cyntha, age 35, b OH
1870 - Did not find, but film was poor
1880 - Did not find, but film was poor

And - the big surprise........
Benjamin Meacham m Maletta Davis on 6 Feb 1844 - Jackson Co. OH (he the son James R. and Lucinda)
1850 - in Jackson Co. OH (you have that)
I was not looking for, but found in Wells Co. IN:
1860 - Benjamin J. Mitchum, age 30, b VA - wife Malitda, age 30, b OH
1870 - Benjamin Meacham, age 48, b VA - wife Melita, age 47, b OH
1880 - Benjamin Meacham, age 54, b VA - wife Malita, age 55, b OH

I am unable to decide why the ages on both Thaddeus (probably the son of Elijah and Sarah) and Benjamin (son of James R. and Lucinda) are so mixed up on the various census years.

Will get the info I extracted from the census records to you soon. I will read 1900-1910-1920 Montgomery Co. VA for the Wirt/Miles families next. Trying to put together the family of Mary Meacham (dau of Elijah and Sarah) who married William Wirt.
Talk later,
Mary Nunneley

received some pictures of James Augustus Mitchem son of Isaiah and Louisa

He married (1) Elizabeth Smith November 09, 1782 in Montgomery Co. VA. He married (2) Frances Miles March 09, 1837 in Montgomery Co. VA, daughter of Nancy.

Notes for Elizabeth Smith:

I do not know for a fact that Elizabeth was the wife of our Elijah, but an Elijah D. Meacham did marry an Elizabeth Smith in Montgomery Co. as listed here. Then there is nothing more about an Elijah D. until our shows up in 1792 and our Elijah's first son, Ziba was born just a little over a year after this marriage. Our Elijah was at the surrender of Cornwallis in VA. Oct. 1781. According to the family bible, Sarah was our Elijah's wife, but I wonder if she may have been Sarah Elizabeth??????

Children of Elijah Meacham and Elizabeth Smith are:
5. i. Zeba^5 Meacham, b. December 19, 1783, Montgomery Co. VA; d. Bet. 1850 - 1860, KY?.

Generation No. 5

5. Zeba^5 Meacham *(Elijah D.^{4}, Ichabod^3, Ichabod^2, Isaac^1)* was born December 19, 1783 in Montgomery Co. VA, and died Bet. 1850 - 1860 in KY?. He married Vina Smith March 12, 1812 in Tazewell Co. Va, daughter of Shorten Smith and Lavinia.

Notes for Zeba Meacham:
According to the 1850 Bracken Co. KY census, Zeba was born in MASS. and Lavina was born in VA. Zeba is not listed on the 1860 Ky census but Lavinia is listed with her son James R. (last name listed as Mitchell but it is the same family). This leads me to believe that Zeba died between 1850 - 1860.

Notes for Vina Smith:
Lavinia is listed on page 46 of Dist. 1 Bracken Co. KY 1860 census living with her son, James R. and his wife Elizabeth and also with them is their daughter Mary W. age 3 and son John P. age 3/12 and James' brother, Alcibiades age 17 and Lavinia age 68, born VA. all the children were born in KY and James was born OH and Elizabeth KY.

Mary,

Sorry for the delay in getting this to you. You probably already have a lot of this but thought I would send it just in case. I do have other info, such as a court record for Jedediah, which proves some of his children. I have 2 files, and the one at my moms is more indepth and I haven't had a chance to get it all entered into my own computer. I do it at both houses and run out of time. The Stover records have been very helpful with the info. from Jeremiah down to Elijah and this is some of the info not on this set of records. My mother has a copy of these records but seems to have misplaced them mometarily. Let me know if you have them and if not, as soon as we locate them I will send you a copy.

I am hoping to someday write a complete book on the Meacham/Mitchem family (as complete as something like that can be that is!).

I hope you enjoy the pictues as much as I do and let me know if you figure out any of the very difficult (unreadable to me) to read names/dates.

I have only entered a little of the info you sent into my computer and am planning to add a little more each day. Would it be okay to include the picture of William Harrison Mitchem? I have a scanner and can add it into the book. Of course I would include the info. on who sent it and so forth.

I also hope to list out all the different prooves that I have so that others can locate them and look at them for themselves.

Well I have to get this into the mail or it will never reach you. Keep in touch.

PS- I will try to go through the 1870 Bracken Co. census the next time I am at the library and if I find anything, will be sure to let you know. Mom and I are hoping to get to the LDS branch and request some microfilm for Bracken. They have tax records and other types of info. Maybe I can narrow down when Zeba died from those. Who knows, maybe I can find an obit or something for Lavinia. I keep hoping to eventually figure out who her grandparents were.

Take Care, Cheryl

Had an E-Mail from a cousin in Ohio who sent the following info:

Funeral Home record (not named)
  Jacob Wesley Frazier, son of Sarah Jane Frazier
  born 4 April 1878
  died 27 July 1936
  residence and place of death - Madison Twp. Scioto Co. OH
  place of burial: Adams Cemetery

He is sending me a copy of the record. This is surely the last child listed on the 1880 census for the Fraziers in Harrison Co. MO.
Send me your current mailing address and I will mail a copy of this record to you as soon as I receive it.
Also....have seen your queries concerning the Wirt bunch. I do think that William Wirt who married Mary Meacham (dau of Sarah and Elijah) and our Catherine Wirt who married William Meacham/Mitchem were probably brother and sister. I do wonder about the Elizabeth Wirt who married Elijah D. Meacham, Jr. As you know, Elizabeth and Elijah were in Jackson Co. OH in 1850 and living in their household was a Samuel Wirt/Wert, age 22, born VA. On the 1840 census of Pike Co. OH, there were two older children living in their household who were born before their marriage on 4 Mar 1830 in Montgomery Co. VA. I rather think it possible that Elizabeth Baldwin had married #1, Humphrey Wirt on 20 Nov 1821 in Montgomery Co. VA and #2, Elijah D. Meacham, Jr. The Humphrey Wirt does not appear on the 1830 census as head of household, so assume he was already deceased by that census and Elizabeth married Elijah on 4 Mar 1830.............your thoughts.
Will send a copy of the funeral home record when I receive it and your mailing address.

Hi Kim -
I told our cousin, Karen Frasier-Scott of Houston that I had not been in contact with you. Old age must be creeping up on me..........sorry. I was excited to find Karen and now have had contact with many of the Mitchem group. Still have a couple of the children of William and Catherine Wirt Mitchem that I cannot find any family members. Both stayed in Fayette Co. OH. Sure there are some around that area.

We have talked before. You sent me all of your Mitchem info, probably about a year ago. I haven't done much research lately....no time. I did receive an email regarding a possible brother of Jacob Wesley Frazier. It was the gg granddaughter of John Eliza Frasier. I noticed in your information, you show Mary Mitchem married a John E. Frazier/Frasier. I bet John and Jacob were brothers and they married sisters. What do you think. I just wrote back to my Frazier contact with the same question....I'll let you know what she says.

My g-g-grandmother was Sarah (Jane?) Mitchum born around 1835 in Virginia and married to Jacob Wesley Frazier, born around 1839 also in Virginia. They moved to Bethany, Harrison County, Missouri, where my g-grandmother, Mary Jane Frazier Mc (or MAC)Gregor was born (I have census records showing this). I have researched some Mitchum's from Virginia, including a Colin and a Dudley, both with DAR connections but I have been unable to connect Sarah to them. They had Sarah's in their family but so did alot of families. I would appreciate any help making this connection. (I know I sent this e-mail twice but I thought somewhat might look under this spelling and not the other.)

My ancestor, Catherine Wirt, married William Meacham/Mitchum 26Jul1827 in Montgomery Co. VA. A William Wirt married Mary Meacham/Mitchum, William's sister (this gets confusing). Elijah D. Meacham/Mitchum Jr. married Elizabeth Wirt 4Mar1830, also in Montgomery County, VA. I feel sure all of these Wirts who married Mitchums were related, possibly siblings. Please advise of any additional info. you might have. I'm trying to research Catherine's ancestors.

Hi Kim,
Feel pretty certain that Sarah J. Mitchem is a daughter of William Meacham/Mitchem and Catherine Wirt of Montgomery Co. VA to Jackson and Pike Co. Ohio by 1840. William and Catherine married on 26 Jul 1827 in Montgomery Co. VA and had the following:
Elizabeth m Adam Butcher to Harrison Co. MO
James m #1 Rebecca Butcher Blake / #2 Amanda J. Ellis to Harrison Co. MO
Lucinda m Joseph Blake lived Fayette Co. OH
Sarah J. m Jacob Wesley Frazier to Harrison Co MO
Malinda m John Baughn lived Fayette Co. OH
Mary m John E. Frazier/Frasier to Harrison Co. MO and Cherokee Co. KS
William Harrison m Ella Ann Conner to Cherokee Co. KS and Crawford Co. KS

Pike Co. OH - 1850 census - Dist. 7 - Marion Twp - page 263
39-39
Adam Butcher 25 Farmer Ohio
Elizabeth Butcher 23 VA
Mary E. Butcher 3 OH
Sarah Micham 16 VA
William Micham 7 OH

The William Micham, age 7 is William Harrison Mitchem who married Ella Ann Conner. He is living with his sister and her husband, Adam and Elizabeth Butcher. Sarah is their sister and surely the one you are researching.
Have a lot of information to share on this Meacham/Mitchem family if you are interested. Let me know.

Just received this e-mail today from Betty Moore. See what you think.
1. Jeremiah Meacham b 1613/1614 Somersetshire, England married to Margaret
2. Isaac Meacham b 1642 Salem, Essex, Mass., married Deborah Browning
3. Icabod Meacham b 11Aug1679 Salem, Mass. Maried Elizabeth
4. Ichabod Meacham b 20Feb1725 Enfield, Conn. married Hannah
5. Elijah Meacham b 26Mar1762 married Francis Miles (and also, we know, Sarah). This info per "Family Book of Remembrance" by Leonidas Devon Mecham. She also reference a book "Meacham, Mitcham, Mitchum Families of the South" by C.E. Mitcham. She said the info. is also in NY genealogical magazines.

Let me know what you think. Her e-mail is BMM@netcommander.com

Hi Kim -
The lineage of Elijah Meacham is possibly correct back to Jeremiah Meacham. The main problem is that it has not been proven. Much of the information concerning him in the Family Book of Remembrance is incorrect. I have not actually seen the book, but have seen copies. Children are credited to his marriage to Frances Miles. Elijah and Frances had not children. She so testifies in her application for his Revolutionary pension.
The book by C. E. Mitcham is, as far as I know, is about the Southern Mitchems/Mitchams, and does not concern our CT family. There is a man who states on the Internet, that he has more Mitcham/Mitchem/Mitchum/Meacham, etc., than anyone, anywhere. Well, he also, thinks he may be related to Elijah. He knows that he is from the Southern Mitchams..........I could guarantee him if he would listen.......his Mitchams are not related to the CT Meachams. I had one contact with him and decided it best not to "argue". Hopefully, one day, he will have some good luck in his research and prove his line to the NC Mitchams!!
What do I think......those of us who are working on Elijah and his wife, Sarah Unknown and their children just need to keep focused on the records available that show real proof of our family. We have proof that Elijah and Frances had no children.
I just wish I knew where and who Elijah married as his first wife and the mother of his children.
Let's keep looking!!

Hi Kim,
I have looked for years for the following Sarah J. Mitchem:
1850 census
Pike Co. OH - Dist 7 - Marian Twp
39-39
Adam Butcher - 25 - farmer - b OH
Elizabeth - 23 - b VA
Mary E. - 3 - b OH
Sarah J. Micham - 16 - b VA
William Micham - 7 - b OH (my greatgrandfather)

History of Fayette Co. OH (1881) by R. S. Dills
Page 937
John Baughn, the subject of this biography, married Melinda Mitchem, fourth daughter of William and Catherine (Wort) Mitchem. The nativity of the Mitchems is Virginia. They were the parents of seven children: Elizabeth, James, Lucinda, Sarah, Melinda, Mary and William.

Elizabeth Mitchem m Adam Butcher on 26 Apr 1846 - Pike Co. OH to Harrison Co. MO by 1860
James Mitchem m #1 Rebecca Butcher Blake on 7 Aug 1849 - Pike Co. OH and m #2 Amanda Unknown to Harrison Co. MO by 1860/70
Lucinda Mitchem m Joseph Blake on 15 Aug 1848 - Pike Co. OH to Fayette Co. OH
Sarah J. Mitchem - last found 1850 census - Pike Co. OH living with sister, Elizabeth Butcher
Malinda Mitchem m John Baughn on 31 Dec 1855 - Fayette Co. OH - lived in Fayette Co. OH until death
Mary Mitchem - nothing known
William Harrison Mitchem m Ella Ann "Elsie" Conner on 6 Oct 1867 - Fayette Co. to Cherokee Co. KS - died in Crawford Co. KS

William Meacham/Mitchem and his wife, Catherine Wirt, married on 26 Jul 1827 in Montgomery Co. VA. Moved by 1840 to Jackson Co. OH. William apparently died about 1844-46 in probably Pike Co. OH. Catherine married #2 Nelson P. Osborn on 28 Jul 1846 in Pike Co. OH and married #3 Nathaniel Hill on 23 Oct 1854 in Fayette Co. OH. Catherine Wirt Mitchem Osborn Hill died 23 Jul 1871, age 66y. She is buried at Pleasant Ridge Cemetery, Harrison Co. MO (as are her daughter and son-in-law, Elizabeth and Adam Butcher).

I would not be surprised to find that Sarah J. Mitchem, dau of William and Catherine Wirt Meacham/Mitchem is your ancestor.
Now for my questions:
Do you know when and where your Sarah married Jacob Wesley Frazier?
Where did Sarah die and when?
What are the names of the children of Sarah and Jacob?

I have always wondered why Elizabeth Mitchem and Adam Butcher named a daughter Sarah J. and a son Jacob W. ....now I probably know!

Look forward to hearing what you know about Sarah J. I just finished abstracting the census records for Harrison Co. MO for the Butcher and Mitchem families. Wish I had noticed your Mitchum/Frazier sooner and could have looked for them in 1860-70-80.

I have a large amount of information on the Meacham/Mitchem family that I can copy and mail to you, if we do connect.

Dear Mary- It sounds like we may be able to make a connection. I have a copy of the 1880 Missouri Census for Harrison County showing Sarah (Jane) Frazier age 45 born in Virginia. Her husband, Jacob Wesley Frazier was born 1839 in Virginia. I don't know for sure when they went to Missouri, but their oldest son at the time was Henry, age 19. His place of birth shows Missouri, so that would have been close to 1860, when James and Elizabeth moved to Missouri. That would make sense, that they would travel together. Do you know where in Ohio they stopped and for how long? Maybe we could check Ohio census records. I live in Ohio, so that may be easier for me to do than for you. I would love to share the info. I have for Sarah's daughter Mary Jane Frazier MacGregor (my great grandmother) and on down the line. Please send me whatever you might have from Sarah on back. My home address is Kim Jones 8540 Heilman Drive, New Carlisle, Ohio 45344. I look forward to hearing from you.

MITCHUM FAMILY

SARAH JANE MITCHUM FRAZIER AND DECENDENTS

1. **Sarah Jane Mitchum** born Montgomery County, VA 1834. Wed Jacob Wesley Frazier about 1860 (guess), place unknown. Jacob born in VA about 1839, place unknown. 1880 Census for Harrison County, Cypress Township, Missouri shows Jacob age 41, birthplace Virginia, and Sarah age 45, birthplace also Virginia.

Jacob Wesley and Sarah Jane Mitchum Frazier had the following children, birth years based on age on 1880 Census.

a. Henry b 1861 in Missouri
b. Alfred b 1863 in Missouri
c. William b 1865 in Missouri
d. Adam b 1868 in Missouri
e. John b 1870 in Missouri
f. James b 1872 in Missouri
g. Ellen b 1873 in Missouri
h. Mary Jane b 04May1876 Harrison County, Bethany, Missouri
**my great grandmother
i. Jacob b 1879 Missouri

Family stories said that there were two other brothers, Loren and Charles, but they are not on the 1880 census. It could be they were born earlier and had left home or had not yet been born. Or possibly Loren and Charles are middle names or nicknames for one of the sons already listed above. Further research is needed here. Also, family stories said that these Loren and Charles as well as Jim and John were ½ brothers to my great-grandmother Mary Jane. Supposedly, Mary Jane's mother had died and her father had remarried. Mary Jane did not like her stepmother, so she left home at a very young age. Now, whether Sarah Jane is her real mother, or her stepmother still needs to be proven. And the name of the other mother is unknown at this time. Dates and places of death and burial are still unknown for Jacob and Sarah Jane. Possibly she is buried near her mother at Pleasant Ridge Cemetery in Harrison County, Missouri. Family stories had always said Jacob and Sarah Jane were buried in Portsmouth, Ohio. I have tried contacting Frazier families in Portsmouth to try to find a connection, but have been unsuccessful to this point.

When Mary Jane left home, she took a job as a farm cook. Here she met my great-grandfather **Edwin Samuel MacGregor**. Edwin was born 15April1862 in Patchogue, Long Island, NY to **George William and Susanah Estelle Hart McGregor**. He had one sibling, as far as I know, a sister Laura. George was born 11May1830 in Scotland and Susanah was born 22Mar1832 in England. I have had these dates for so long, I'm afraid I no longer remember who gave them to me. George owned a fishing boat and worked as a fisherman. An old family recipe for oyster pancakes is supposed to have been passed down from him. Family legend says that George was in the Civil War

and fought at Gettysburg, but I have been unable to document that through the National Archives. He sometimes went by the last name of Gregory and McGregor has also been spelled MacGregor. That is all I know of these two.

Mary Jane and Edwin were married 15Jun1893 in Muncie, Indiana, Delaware County. Mary Jane was very embarrassed about their age difference (14 years) so she lied about it in the family Bible. On their marriage license, Edwin used the name Samuel E. Gregory. Mary Jane died 07May1969 Springfield, Ohio and is buried in Ferncliff Cemetery, Springfield. Edwin died 17Nov1931 in Springfield, buried in Ferncliff Cemetery, Springfield. They had the following children:

a. **Edwin Samuel MacGregor Jr.** b 27Oct1894 Muncie, Indiana d 10Mar1990 Santa Barbara, CA, buried Ferncliff Cemetery, Springfield, Ohio, Clark County. He married three times. Wife #1 Maude (unknown). They had two children; Edwin S. MacGregor III and Virginia. Wife #2 Clara Messenger. They had one child; Patricia. Wife #3 Alma Beaver. No children to this union.

b. **Alvin Wesley McGregor** b 21Oct1897, Waverly, Ohio, d 11July1975 buried Ferncliff Cemetery, Springfield, Ohio, Clark County. He married once to Helen Winters on 06Sep1919 in Columbus, Ohio, Franklin County. They had one child, Betty Maxine.

c. **Betty Laura McGregor** b 25Jan1900 in Springfield, Ohio d 16Jan1980 in Springfield buried Ferncliff Cemetery, Springfield, Ohio. She married Paul Lohnes on 16Jun1925 in Springfield, Ohio and they had one child, Robert Alan.

d. **Pearl MacGregor** b about 1901 died as an infant, buried in Ferncliff Cemetery, Springfield.

e. **Forest Filmore MacGregor** b 08Nov1902, Springfield, Ohio d 23Feb1980, Saginaw, Michigan, buried Oakwood Cemetery, Saginaw, MI. Married twice. Wife #1 Christine Brock. They had two children, Mary Ellen and Jack. Wife #2 Stella Amburgey. They had one child, Nancy Jane.

f. **Oliver Warren McGregor** b June 1904 Springfield, Ohio d 18Oct1905 buried Ferncliff Cemetery, Springfield, Ohio

g. **Laura Estella McGregor** b 04Nov1907, Springfield, Ohio d 01Mar1981, Springfield, Ohio, buried Ferncliff Cemetery, Springfield. Married 06April1926 to Carl Sebastian Heil in Newport, Kentucky. They had one child, Carl Richard.

h. **George William McGregor** b 19Jun1911 Springfield, Ohio d 24Jun1986 Springfield, Ohio, buried Rose Hill Masoleum, Springfield, Ohio. Married Helen Louise Healy 24Aug1928 in Covington, Kentucky. They had two children, Barbara Ann and William Richard. George is my grandfather (he went by Bill).

i. **James Ellsworth McGregor** b 22Sep1914 Springfield, Ohio d 21Nov1968 Springfield, Ohio buried Glenn Forest Cemetery, Yellow Springs, Ohio, married 24Aug1940 to Gladys Louise Huff in Springfield, Ohio. They had one child, Cheryl Ann.

j. **Mary Gwendolyn McGregor** b 30Oct1917 Springfield, Ohio d 21Jul1976 Springfield, Ohio buried Ferncliff Cemetery, Springfield, Ohio. Married 15Jun1940 to Ralph William Patton in Springfield, Ohio. They had two children, Sandra Lee and Sally Jean.

NEXT GENERATION

I have concentrated my research backward and not too much to the side. I haven't tried to keep track of all of my second and thirds cousin's marriage dates or number of children. Mary...I NEED that picture. Let me know how much I owe you. I have NO pictures of Sarah and would love to have it. I owe Karen a copy of a picture of an older Jacob. I've tried to send it several times and am too inept at the process. I will have my husband help me and send it to you too. If you want copies made off of it, let me know. Thanks and I look forward to seeing the picture. Kim

10 June 2001

Dear Kim,

I am so excited to have pictures of some of these Mitchem children.

Decided to make copies of all three and their spouses. Am sending the following:

Jacob Wesley Frazier and Sarah Jane Mitchem
(your family)

John E. Frasier and Mary Ann Mitchem
(Karen Frasier-Scotts family)

William Harrison Mitchem and Ella Ann "Elsie" Conner
(my family)

I was thrilled when Karen told me she had found the pictures of Jacob and Sarah Jane and John and Mary Ann in her grandmother's album. I already had the picture of William Harrison Mitchem and Elsie Conner.

We just keep working and finding more good items. Karen said the death certificate I found for Sarah Jane just passed her by……..then she knew for sure that the picture was Jacob and Sarah. How exciting !!!!

Enjoy……..

Mary

I've looked through everything and it's great. Just have a couple of questions.

I'm assuming that Myrtle Alice (daughter of Ella Hendricks) is not the natural daughter of Orrin Ometa Mitchem since she was born in 1886 and they weren't married until 1888. Was Ella married before? Did Orrin adopt her?

A Butcher cousin gave me slightly different dates for the following:
I have no idea which is right.
April 12 1902 death date for Adam Butcher (you have April 2)—
Jan 1, 1925 for George Willis Butcher death date (you have March 11)— LDS
March 22, 1888 for Sarah J. Butcher (you have 1888) – LDS
Nancy Catherine Butcher Feb 14, 1865 for her birth (you have Feb 3, 1864) and Aug 9, 1885 for her marriage (you have Aug 16). – LDS

I've typed all your information into my genealogy database. I'll mail you the complete document of your data combined with mine.

Glad to hear from you. Not sure I'm going to add too much to all the wonderful work you've done.

Second Generation

2. Mary Ellen2 Butcher (Elizabeth1 Mechem) was born in Pike Co., OH June 3, 1847. Mary died July 13, 1912 in Penalosa, Reno Co., KS, at 65 years of age.

She married Milton Burris in Bethany, Harrison Co., MO, Dec 27, 1877. Milton was born July 7, 1840. Milton died Jan 13, 1915 in Reno Co., KS, at 74 years of age.

Obit: Kingman Leader Courier

Milton Burris, was born in Jackson county, Ohio, July 7th, 1840 and departed this life January 15th, 1915 at 3:20 a.m., aged 74 years, 6 months 8 days, after being an invalid for nine months.

He with his parents came to Harrison county, Mo., when a small boy.

At the age of 37 he was married to Mary Ellen Butcher at the home of her parents in Harrison county, Mo., Dec. 27, 1877.

March 18th, 1878 they moved to Kansas to the old homestead one mile north and one and one half miles east of Penalosa, where they lived together for 36 years at which time the All Wise saw fit to separate them.

His aged companion of 45 years preceded him to the grave a little more than two and one half years.

To Mr. and Mrs. Burris were born seven children of which four preceded them to that rest beyond.

He leaves to mourn their loss, three children, Edgar Burris, Penalosa, Mrs. Rena Shipley, Penalosa, Mrs. Sadie Dix, Plevna; one brother, G. W. Burris, Chandler, O?; six grandchildren and many friends.

He was converted when just a boy and was a faithful church worker always being mindful to the Master at the end.

When he and his companion moved to Kansas they untied with the United Brethern church of which they were both workers for the betterment of humanity, letting their lights so shine that the world might see their faithful work that they were strict observers of the law written in the Lamb's Book of Life.

He had acquired such a knowledge of the Bible that he was at any time ready to converse intelligently on any subject pertaining to the Christian life.

When a boy he worked from place and of his own efforts acquired an education after which time he taught school several terms in Missouri, and a private school in a basement near Lerado immediately after his arrival in Kansas. Then he studied law for a time. When ready to be admitted to the bar he in his studies had learned that he could not be a successful lawyer and lilve the life that the desired to live.

He enlisted in the army for three years in Company M 13th Regiment of Cavalry, Mo. He was honorably discharged proving he made a good soldier. One feature of his war life was that he carried his testament all through the war.

He was a kind and affectionate husband and father, and though being an invalid for nine months he bore his aches and pains calmly, and only wished that the Master would call him from the afflictions and woes of this world.

The funeral sermon was conducted by Rev. J.B. Carbaugh assisted by Rev. C.V.

Priddle of Panalosa.

By the request of the children he chose the same befitting words that he preached the sermon from for his companion who preceded him, which was from Rev. 14th chapter and 13th verse: "And I heard a voice from heaven saying unto me. Write, Blessed are the dead which die in the Lord from henceforth: Yea, sayeth the spirit, that they may rest from their labors; and their works do follow them."

The funeral was preached at Lerado, Jan. 17 at 2 o'clock after which the remains were laid to rest in the Lerado cemetery by the side of his companion.

All through a life of toil He bravely bore his task; A trusting heart within his breast Beat hope for his reward at last.

With father's love and father's care He brightened up the home, And lightened many heavy hearts Until his task was done.

And though our hearts are sad with grief Our memories still remain, As we stopped to view the loved one We know we'll meet again.

Merry Ellen Butcher was born in Pike county, Ohio, June 3, 1847 and departed this life July 13, 1912, at the age of 65 years, 1 month and 10 days.

She, with her parents, moved to Harrison county, Mo., in 1856, where she grew to womanhood. At the age of 30 years, at the home of her parents, she was united in holy matrimony to Milton Burris, of Harrison county., December 27, 1877. March 18, 1878, they moved to Kansas where they bravely faced the hardships of the prairie life of this country for 36 years at which time death separated them. To this union were born seven children, of which four preceded her to the mysterious realms which are veiled from us by death. She leaves to mourn their loss a husband, three children, Edgar Burris, of Penalosa, Kans., Mrs. Rena Shipley, of Arlington, Kans., Mrs. Sadie Dix, of Nickerson, Kans. One sister, Mrs. Nancy McNamee, of Nickerson, Kans. Three brothers, James Butcher, of Hill City, Kans., George Butcher of Nebraska, and Jacob W. Butcher, Bethany, Mo. Six grandchildren and a host of friends.

At the age of thirteen she was converted at prayer meeting and united with the Methodist church of which she was a faithful and consistent member until they moved to Kansas. Then she and her husband, Milton Burris, united with the United

Brethren church of which they both were faithful workers and colaborers with all. Both believers and unbelievers, showing them the way of the righteous by, faithfully following the footsteps of the Master. Mrs. Burris will be missed in the Sabbath School, as she was regular attendant. That smile, that look of joy that greeted not only her class but the whole Sunday School will be missed but not forgotten. She has given to the world the life of sacrifice which stands as a greater monument than human hands could erect. As a wife, mother and sister she was kind and affectionate, bore her pains and hardships without a murmur and was a cherished friend by all who knew her.

The funeral sermon was rendered by Rev. J.B. Carbaugh of Penalosa, and he chose the befitting words from Revelations 14th chapter and 13th verse: "And I heard a voice from heaven saying unto me. Write, Blessed are the dead which die in the Lord from henceforth: Yea, sayeth the spirit, that they may rest from their labors; and their works do follow them." The funeral was preached at the Methodist church at Lerado July 15 at 11:30 o'clock after which the remains were laid to rest in the Lerado cemetery.

All through a life of toil She bravely bore her task; A trusting heart within her breast Beat hope for her reward at last.

With mother's love and mother's care She brightened up the home, And lightened many heavy hearts Until her task was done.

And though our hearts are sad with grief Our memories still remain, As we stopped to view the loved one We know we'll meet again.

Hi -
Just checked the dates in question.
The following:
Harrison Co. MO cemetery records (by) Harrison Co. Genealogy Society, pub 1985
Pleasant Ridge Cemetery
Adam Butcher
d Apr 2, 1902 - 76y 1m 27d
Maybe the Society mis-read the stone, do you think??
The other dates on various people are from the LDS records, so have no idea if any of those are correct. Will see your dates and proofs when I receive your material. Will correct what I have used as dates.

* ANNE "DOLLY" M^c^NAMEE - BORN JACKSON CO OHIO
DAUGHTER OF HIRAM AND MARY M^c^NAMEE

Mo., Dec. 27, 1877.

March 18th, 1878 they moved to Kansas to the old homestead one mile north and one and one half miles east of Penalosa, where they lived together for 36 years at which time the All Wise saw fit to separate them.

His aged companion of 45 years preceded him to the grave a little more than two and one half years.

To Mr. and Mrs. Burris were born seven children of which four preceded them to that rest beyond.

He leaves to mourn their loss, three children, Edgar Burris, Penalosa, Mrs. Rena Shipley, Penalosa, Mrs. Sadie Dix, Plevna; one brother, G. W. Burris, Chandler, O?; six grandchildren and many friends.

He was converted when just a boy and was a faithful church worker always being mindful to the Master at the end.

When he and his companion moved to Kansas they untied with the United Brethern church of which they were both workers for the betterment of humanity, letting their lights so shine that the world might see their faithful work that they were strict observers of the law written in the Lamb's Book of Life.

He had acquired such a knowledge of the Bible that he was at any time ready to converse intelligently on any subject pertaining to the Christian life.

When a boy he worked from place and of his own efforts acquired an education after which time he taught school several terms in Missouri, and a private school in a basement near Lerado immediately after his arrival in Kansas. Then he studied law for a time. When ready to be admitted to the bar he in his studies had learned that he could not be a successful lawyer and lilve the life that the desired to live.

He enlisted in the army for three years in Company M 13th Regiment of Cavalry, Mo. He was honorably discharged proving he made a good soldier. One feature of his war life was that he carried his testament all through the war.

He was a kind and affectionate husband and father, and though being an invalid for nine months he bore his aches and pains calmly, and only wished that the Master would call him from the afflictions and woes of this world.

The funeral sermon was conducted by Rev. J.B. Carbaugh assisted by Rev. C.V. Priddle of Panalosa.

By the request of the children he chose the same befitting words that he preached the sermon from for his companion who preceded him, which was from Rev. 14th chapter and 13th verse: "And I heard a voice from heaven saying unto me. Write, Blessed are the dead which die in the Lord from henceforth: Yea, sayeth the spirit, that they may rest from their labors; and their works do follow them."

The funeral was preached at Lerado, Jan. 17 at 2 o'clock after which the remains were laid to rest in the Lerado cemetery by the side of his companion.

All through a life of toil He bravely bore his task; A trusting heart within his breast Beat hope for his reward at last.

With father's love and father's care He brightened up the home, And lightened many heavy hearts Until his task was done.

And though our hearts are sad with grief Our memories still remain, As we stopped to view the loved one We know we'll meet again.

Merry Ellen Butcher was born in Pike county, Ohio, June 3, 1847 and departed this life July 13, 1912, at the age of 65 years, 1 month and 10 days.

She, with her parents, moved to Harrison county, Mo., in 1856, where she grew to womanhood. At the age of 30 years, at the home of her parents, she was united in holy matrimony to Milton Burris, of Harrison county., December 27, 1877. March 18, 1878, they moved to Kansas where they bravely faced the hardships of the prairie life of this country for 36 years at which time death separated them. To this union were born seven children, of which four preceded her to the mysterious realms which are veiled from us by death. She leaves to mourn their loss a husband, three children, Edgar Burris, of Penalosa, Kans., Mrs. Rena Shipley, of Arlington, Kans., Mrs. Sadie Dix, of Nickerson, Kans. One sister, Mrs. Nancy McNamee, of Nickerson, Kans. Three brothers, James Butcher, of Hill City, Kans., George Butcher of Nebraska, and Jacob W. Butcher, Bethany, Mo. Six grandchildren and a host of friends.

At the age of thirteen she was converted at prayer meeting and united with the Methodist church of which she was a faithful and consistent member until they moved to Kansas. Then she and her husband, Milton Burris, united with the United Brethren church of which they both were faithful workers and colaborers with all. Both believers and unbelievers, showing them the way of the righteous by, faithfully following the footsteps of the Master. Mrs. Burris will be missed in the Sabbath School, as she was regular attendant. That smile, that look of joy that greeted not only her class but the whole Sunday School will be missed but not forgotten. She has given to the world the life of sacrifice which stands as a greater monument than human hands could erect. As a wife, mother and sister she was kind and affectionate, bore her pains and hardships without a murmur and was a cherished friend by all who knew her.

The funeral sermon was rendered by Rev. J.B. Carbaugh of Penalosa, and he chose the befitting words from Revelations 14th chapter and 13th verse: "And I heard a voice from heaven saying unto me. Write, Blessed are the dead which die in the Lord from henceforth: Yea, sayeth the spirit, that they may rest from their labors; and their works do follow them." The funeral was preached at the Methodist church at Lerado July 15 at 11:30 o'clock after which the remains were laid to rest in the Lerado cemetery.

All through a life of toil She bravely bore her task; A trusting heart within her breast Beat hope for her reward at last.

With mother's love and mother's care She brightened up the home, And lightened many heavy hearts Until her task was done.

And though our hearts are sad with grief Our memories still remain, As we stopped to view the loved one We know we'll meet again.

Mary--

That's the way to go! Nothing more rewarding than to answer a question that has been on your mind forever. I was looking for information on this Mary the other day. I am in the process of entering all the information I have into Family Tree Maker. Could not find anything on her.

I found another similar problem in the 1870 Census for James S. Meacham, James R. Meacham's son, It lists his three sons Franklin, Harvey, and George. It also lists a 3 month old female by the name of Alice Meacham. I have nothing in my family notes about her. It's possible she died at a very early age and was not mentioned(and not known) by the rest of the family. Will watch for record on her as I sort out facts.

Have been working hard on Wollam and Eby lines. New information on a week to week basis. Getting those families on FTM also.

I have a site for you to visit:

http://home1.gte.net/tdanlk/

The John Wollam there is my Great Granduncle that lived here in Jackson. The site has a very nice writeup--I think you would enjoy reading it.

Later....Jim

(NOTE: Edgar B. Stover, age 2, should probably be age 2/12 since he was born in March and the census was taken in June.)

The following:

Samantha Meacham married George Stover on 18 May 1879, Wells Co. IN. Did she die when the baby, Edgar, was born or did I miss Samantha and George on the 1880 Census?? AND - where was Samantha in 1860...she should have been about two years old since she is shown as 12 years on the 1870 census. Since the baby is living with Benjamin and Maletta as a grandson, age 2/12, I bet Samantha died in childbirth. Also, the ages vary so much on these Wells Co. census records, Samantha may well have been born after the 1860 census.

Will let you know if I need any of the records you mentioned in your last mail.

Later,
Mary

My great-grandfather, William Harrison Mitchem was born 15 May 1844, in Pike Co. OH., son of William Meacham/Mitchem and Catherine Wirt.
Catherine (after William's death) married #2, Nelson P. Osborn on 28 Jul 1846 in Pike Co. OH. Catherine married #3 Nathaniel Hill on 23 Oct 1854 in Fayette Co. OH and moved to Harrison Co. MO by 1860 (several of her children moved to KS and MO.
In 1850, Pike Co. OH (Marion Twp)

Sarah, b 1834
Malinda, b 1838
Mary Ann, b 20 Nov 1840
William Harrison, b 15 May 1844
As we now know, Mary Ann was living in the household of James R. and Lucinda Meacham in 1850 in Jackson Co. OH. All of the children have been located on the 1850 census and none were living with their mother. This makes me think that, for some reason, she was not given guardianship of her children (not unusual, as I have seen such in records in Fayette Co. OH).
This is my story............but thought some of the names might show up in Jackson Co.

Mary

Dear Mr. Meacham:

I obtained your name from the query you placed in the Jan-Feb 1994 issue of the Genealogical Helper. Although unable to offer any information concerning Franklin B. Meacham, I was very interested because my Meacham/Mitchem family came from Montgomery Co. VA to Jackson Co. OH about 1837.

The research is still in progress, but it appears possible that one Elijah Meacham, born 26 Mar 1762 in Hartford Co. CT and died 26 Oct 1851 in Montgomery Co. VA, may be the father of at least three sons who migrated to Jackson Co. OH from Virginia.

Elijah married #1 Elizabeth Smith on 9 Nov 1782 in Montgomery Co. VA. It is thought that they had issue:

Simeon m Priscilla ?
Jadeth m   ?
* William m Catherine Werts/Wertz
Mary m William Werts/Wertz
James R. m Lucinda ?
Elijah m Elizabeth ?

Elijah married #2 Frances Miles on 8 May 1837 in Montgomery Co. VA. They had no children.

I descend from William Meacham/Mitchem/Michem who married Catherine Werts on 27 July 1827 in Montgomery Co. VA. They had issue:

Elizabeth m Adam Butcher
James m Rebecca Butcher Blake
Lucinda m Joseph Blake
Sarah - nothing further known
Malinda m John Baughn
Mary - nothing further known
* William Harrison m Ella Ann (Elsie) Conner (my great-grandparents)

William Meacham died, probably, in Jackson Co. OH (Liberty or Franklin Twps) between 1844 (birth of last child, William Harrison) and 1850 (not listed on census). We have not located his place of burial. His wife, Catherine Werts Meacham/Mitchem may have remarried to Nathaniel Hill in 1854.

Do you descend from James R. Meacham who had issue: Charles; James; Benjamin; Elijah; William; and Mary?

I am enclosing an SASE and would be anxioux to hear from you after the holidays if you are a tied to any of these families. I will be happy to share my records concerning Elijah (a Rev. War soldier from CT) and the later generations.

Sincerely,

Mary

Dear Mr. Meacham,

I said in my letter of 20 Dec 1994 that I was anxious to hear from you...it was certainly a wonderful surprise when you called to talk about this Meacham/Mitchem family.

As you can see by the enclosed material, much work still needs to be done on the family research. The ancestral material from the LDS Family History Center was contributed by many people from about 1908 until, I believe the latest date was 1991. Discrepancies occur in several generations, even to the correct parents of children. It does give us a basis for further research, including names and locations.

You mentioned that you might make a trip to Montgomery Co. VA in the spring. I believe there are still Mitchems living in that county or were in 1985. A Mrs. J. F. Swain of Middleburg, VA is a Mitchem and she mentioned that a friend told her that some of the family still resided in the area.

I have ordered some microfilm, deeds and wills, from Montgomery Co. and will share what I find from that search.

Will close for now and look forward to receiving the information on your James Meacham.

Sincerely,

Mary

Dear Mary,

I'm sorry that I dropped off the face of the Earth. I lost your new address in mid 1996. I wrote to your old address and it was returned. Last week I was going through some bank papers to be filed and there was your letter. I'm very sorry.

I got a computer last Xmas and am trying to learn how to use it. Years ago we had a Commodore, but that has been my only exposure to the world of computers. I was lucky not to be required to have used one while at Shell Oil. I don't care anything about computers, but I do appreciate what they can do. The Windows 95 allows you to use the computer without digging into how and why the thing works.

I trust you are still working on the Meacham genealogy line. Last month I got Family Tree Maker. That got me back into trying to get my records into order and to do some new research.

Let me know when you receive this. I have a photo for your collection. Also I hope to get my family sheets, charts, etc. in order soon. Some of the data is on the computer at this time.

Also, now that I am on a computer, I find it much easier to type out a note to someone or better yet--send them an E-mail. I have never used a typewriter in my life. Drop me a note if you are on line.

Hope to hear from you real soon!

Your friend,

Jim

Dear Jim,

Received the wonderful picture and information today. I bet that is James R. Meacham, son of Elijah. He does look pretty young. Wonder if the boy is his first born, Charles?

I have only briefly looked at the family group sheets. I have a lot of information concerning your James R. and Lucinda and their children. As I told you, I have been reading the census for Jackson Co. and have picked up more family items.

Now - quite some time ago, you send me a copy of an ancestor chart and list of the children of a Charles Meacham and his wife, Margaret Comer. The lady who had send it to your local genealogy society showed on the ancestor chart that the father of Charles Meacham was James, son of James S. Meacham and Margaret Wellman. WRONG, as you know. Now you need to look at the information given by the submitter, Margaret Childs Baldwin (really not sure of her name).

I think she is very right in part of her research, but was very wrong on part. Charles Meacham (teacher for many years in Jackson Co.) was the son of James R. and Lucinda Meacham. The census records seem to prove the children of Charles as she has them listed. I believe that Charles was married twice (as she shows) and note that she has sent a copy of a picture of Charles and his wife to the genealogy society.

I will not try to convey all of the information I have concerning Charles Meacham and family by computer. I have just figured out the data and have not typed it up in any good form. We are going to Kansas for a few days (our little special grandson, Ben, is having surgery on Friday). I will get the material ready soon and send it.

Again, thanks for the wonderful picture. Did I send you a copy of my picture of William Harrison Mitchem (son of William and Catherine Wert Mitchem). William born 1844. If not, let me know and I will do so.

Off for now and the next few days.

BY IDENTIFYING OLD PHOTOGRAPHS, THIS CAN LEAD TO THE TIME PERIOD, THE PHOTOGRAPHER AND HIS REGISTER, WHICH CAN PROBABLY HELP YOU IDENTIFY YOUR FAMILY PHOTOGRAPH.

Compiled by Jane R. McCafferty

Many people have old photographs and many have no idea of which family member it is a copy of. If you can determine what kind of a photograph it is, then you have narrowed the time period down that it was taken in.

The second thing is to look for an identifying photographer's name or style. If you can find the name of the photographer, then it's probable that he kept a register of his business. Every photographer's register gave all kinds of information, like the date and place it was taken, who the subject was and how much they paid for the picture. By 1840 it was quite common to have your picture taken and no one individually had a camera, so they had to go to a photographer. These registers are collectable and available IF you have found out the name of the photographer. These registers can be located by looking in the National Union Catalog Manuscript Collection. These books are found in all large libraries and the office responsible for this series is located in the Library of congress. At the Manuscript Special Materials Cataloguing Office there are several different indexes that can be used to help you identify the area or state that your photographer worked. With this information, you can find out where your photographer's registers have been preserved.

The photographer Bell (Beall) was popular in the Washington DC area and his registers are located at the Library of Congress.

Mr. Bill Rogers, of Rogers Studios in Frankfort, KY is a world renowned specialist in reconstructing old pictures and helping to identify a person, if several photos might be of the same person. He says that by just studying a small area like the one eye or ear area on one picture and then compare that same area on the second picture, with a magnifying glass, most time you can identify that they are the same person, only photographed in a different time period.

Remember that in that period that your kind of photograph was taken, there were not many photographers in that area or state in that particular time period. Once you find out who took the picture, find out where his registers are, and by a process of elimination you can find out more about your specific picture.

THE CHRONOLOGY OF PHOTOGRAPHY

1. The DAGUERREOTYPE, 1839-1857, invented by L. J. M. Daguerre in 1837. This is the oldest of the commercially made photographs. It is a positive, one of a kind photograph that has a shiny, mirror-like appearance. It sometimes appears positive, sometimes negative, depending on the angle at which it is held or viewed. It has a fragile silver surface on a copper plate. Each daguerreotype was originally enclosed in a case, and still needs that protection.

2. The AMBROTYPE, 1852-1863, invented by Archer & Frye in 1851. This is a positive on a class and will have a coating of red or black paper or cloth behind the class. Ambrotypes were enclosed in cases.

cont'd

3. The MELAINOTYPES, FERROTYPE or TINTYPE, 1856-20th Century were positives. The tintype can range in size from tiny (3/4 inch) to 8 by 10 or larger. They are not shiny like daguerreotypes, not on glass like the ambrotypes, but they are an image on metal. They can be found in cases or in paper frames, wall frames, albums or just loose. If they were slipped in cases or pasted in paper frames, they are more likely to be earlier. If they were just slipped into a frame, they are probably later in the period. If the pose was formal, the earlier the time. The more casual or a group of people, the later in time. Tintypes were taken in great numbers at fairs and amusement parks. Look for signs of the photographer on the back of the paste-on paper. Also, compare the clothing fashions of that era for a time clue.

4. The CARTE de VISITE, 1859-1914, invented by Disderi in 1854. These were the first paper photographs, 2-1/2 by 4-1/4 in size and called visiting cards. Many were never put in albums, but some could be found there, with or without tintypes and cabinet portraits. The earlier ones were the thinnest while later ones were heavier and thicker. This type continued to be made in Great Britain and Scandinavia after it was discontinued in the U. S. by the turn of the century.

5. The CABINET PORTRAIT, 1866-1914, invented by Window in 1866. This is a negative the size of 4-1/4 by 6-1/2 and was found in albums, wall frames and often just loose. Again, study the fashions for a closer determination within the time period. One hint, if the photograph is an oval pasted on the card or if the photograph is surrounded by dark grey or a black mount, it was probably made after 1900.

6. The POST CARD, 1905-1930. These can be found in profusion and sometimes they were mailed, so look for the postmark as a clue for the time and area.

Sometimes on the back of the Tintype and the Carte de Visite photographs you can find a revenue stamp. This is a good clue that the picture was taken during the time of the Civil War. The photograph was taxed and the revenue stamps indicate that the tax was paid. Sometimes the stamp will have the date and maybe even the photographers name or initials on it in ink.

Copies of photographs were made from at least 1860 on. Daguerreotypes were copied on Tintypes and Cabinets, so it pays to check with an expert when in doubt.

Dear Loretta,
Dear Larry,

I have some time tonight so I thought I would drop you two a note.

Enjoyed all of your e-mail notes the lase few days-thanks!

As I told Larry the other day, I am related to the Northern Meachams. My Dad told me over and over that I was related to the Southern Meachams. He left no question in my mind that this was the case. About two years ago I received a family tree from a Southern Meacham showing the Northern Line. There was Elijah and his kin!!!!!!!!!!!!!!!!!!!!!!!!
After some checking and some new research the whole story fit together. I was a Northern Meacham! Since that time I have seen information from several sources showing Elijah and my family line. Census, birth, marriage, death, war, pension, and much other information all show that Elijah lived in Virginia and came from Connecticut. Is this in question? Do you have proof that correct or incorrect?

I would be happy to dig out the details if it would help someone. Please let me know.

If I may be so bold---It appears from what you are saying you are both of the Southern Line. What is your interest in Elijah???

Looking forward to hearing from you. Be very happy to work with you on your line if I have information that would help.

I would appreciate any information on Elijah!

Your friend ,

Jim Meacham

Jim,

I don't believe that any of us are questioning anything regarding Elijah. I myself have stumbled across records that showed him, and his brother and/or Father, being in Virginia and coming from New England. Our primary interest in Elijah was based on another's claim that all of the material we had collected was wrong and that Our line actually ran from Elijah. That is exactly why I was trying to verify the information I had on him because Loretta and I both, as far as we have been able to determine, are from the Southern Line. At first, after discovering the Revolutionary War pensions on Elijah and Ichabod, I just wondered where they fit into the scheme of things and if they were part of our line because I didn't show anything on them, in either line. Then this other mess came up and I just wanted to prove to the individual in question, or actually help Loretta prove, that there was a distinct Southern Line and that it, in fact, did not originate with Elijah as this other individual was claiming. At least, that's the way I understood things after Loretta explained to me what was going on. I may have crossed a wire or two but I believe I pretty much have the basics down right. Thanks for the offer of help, it is really appreciate it and may holler someday. Stay in touch and I'll do the same. I'm sure we'll always be able to help each other out from time to time.

Larry

I will give you some of info I have--I dont know that we will ever be able to connect up with certainty.

I completed a book last year on an Elijah Meacham who moved into Meriwether County, Ga around 1820. He was relatively successful in his endeavors and the book covers many of his descendants, a number of whom also achieved a measure of success.

In the second section of the book I cover where Elijah may have come from & info on some of the early Meachams to America.

The only clues I have as to where our Elijah came from are some old letters written a number of years ago by women now deceased, who claim that our Elijah Meacham was the son of Elijah Meacham of Christiansburg, Virginia who had been born in Nova Scotia and who was late in life married Francis Miles. Where they obtained this info--I have no idea.

However, when I have tried to check records in Christiansburg I will admit there are some conflicts in info. Elijah seems to claim on his Pension Application that he does have a son Elijah--but it looks like he is trying to claim that is his only son and that the son is sick or dead--perhaps a plea for sympathy. I have been told that he may have also tried to place the child with others---perhaps because of a shortage in funds. Whatever--it is difficult to see what is happening---I have also heard reports that this Elijah (jr?) may have died in Va.---so you see how confusing. I think there is even a possibility our Ga Elijah may not have been a son of Va Elijah, but perhaps a son of a brother of Va Elijah.

I dont have my complete notes here--so Im typing a bit from memory--but compare this with your information:

Elijah Meacham, Sr.
 m. Elizabeth Smith
 m. Francis Miles
 children:
  1) Polly Meacham (Worth or Wirt)
  2) Simion Meacham
  3) Asa Meacham
  4) James Meacham
  5) Elijah Meacham
  6) William Meacham?
  7) son--name unk??
  8) son--name unk??

If you have the names of all children, please let me know.
Also let me know who you think the father of Elijah of Va would be.

Hi Jim,
So nice to hear from you again. Glad you have been enjoying the information being sent out. We did find the Rev. War pension papers that prove Elijah came to VA from CT and Ichabod from MA to VA. This issue is not in question anymore. There were a couple of reasons for our interest in Elijah's line. One being that our two families (Elijah and George Washington) given names aswell as the Mitcham spellings are almost identical and they live right around each other. For awhile had wondered if perhaps the two lines connected. Haven't found this to be the case. The other reason for the interest is due to the fact we are trying to map out ALL the Southern Meacham/Mitcham's. Clarence E. Mitcham's book was about as close as anyone has come thus far to accomplishing that goal but there is still much work to be done and everything has to be verified.

Larry and I concentrate on the Southern Meacham's as the Northern lines are so well maped out. However need to eventually get Elijah's line so I know which of these "Southern" Meacham's aren't really Southern. LOL!!

Yes, Larry and I are both of the Southern lines. To say we are cousins in matters of genealogy doesn't mean anything but we are closely related. My grandfather, James Cody Mitcham, Sr. and Larry's grandmother, Eunice Faith (Mitcham) Elliott, were half brother and sister. Larry's mother Dorothy (Elliott) Homsey and I found each other about 10 years ago. Until that time my mother never knew Eunice Faith had exsisted. Isn't that something?? Larry's mother passed away last Feb. and he has picked up the gaunlet continuing her work.

Well guess I had better close this for now. Thanks for writing.

Best Regards,
Loretta

Dear Larry,

I have some time tonight so I thought I would drop you two a note.

Enjoyed all of your e-mail notes the lase few days-thanks!

As I told Larry the other day, I am related to the Northern Meachams. My Dad told me over and over that I was related to the Southern Meachams. He left no question in my mind that this was the case. About two years ago I received a family tree from a Southern Meacham showing the Northern Line. There was Elijah and his kin!!!!!!!!!!!!!!!!!!!!!!
After some checking and some new research the whole story fit together. I was a Northern Meacham! Since that time I have seen information from several sources showing Elijah and my family line. Census, birth, marriage, death, war, pension, and much other information all show that Elijah lived in Virginia and came from Connecticut. Is this in question? Do you have proof that this is correct or incorrect?

I would be happy to dig out the details if it would help someone. Please let me know.

If I may be so bold---It appears from what you are saying you are both of the Southern Line. What is your interest in Elijah???

Looking forward to hearing from you. Be very happy to work with you on your line if I have information that would help.

I would appreciate any information on Elijah!

Dear Jim,
Received your messages when I returned from Hutchinson, KS. I am sending a few items and thoughts concerning Elijah D. Meacham of Connecticut to Montgomery Co. VA.
Elijah D. Meacham DID NOT marry Elizabeth Smith on 9 Nov 1782 in Montgomery Co. VA. I have viewed the original marriage records on microfilm. Elizabeth Smith married Lawrence Murray on that date. This error was published in two books, the first by Anne Lowry Worrell in 1932 (reprinted in 1976 and 1979 by Gen. Pub. Co.) and published again by Therese A. Fisher in 1991 (Heritage Books, Inc.). Both books show my ancestor, William Meacham/Mitchem and Catherine Wirt/Wert with the marriage date of 1 Feb 1830. I have a certified copy of their marriage from the Montgomery County Clerk - the date is 26 July 1827. This date is also verified by the LDS microfilm from the county records. I have no idea how Worrell came up with those wrong dates (and names) for the marriages. I suspect MS Fisher used MS Fisher used the work of MS Worrell without verification. Or so it appears.

For the birth of Elijah D. Meacham. The 1850 census shows his birth location as Nova Scotia. The following:
Connecticut Place Names (by) Hughes and Allen. Published in 1976 by the CT Historical Society - there are three listings for Nova Scotia...
Nova Scotia (Waterford) a community
Nova Scotia (Watertown) a school district NE of the village (also Scott's Mtn.)
Nova Scotia - called probably an error for another location
I have found two birthdates for Elijah. I have found no proof for either date. They are, 26 March 1757 and 26 March 1762. Need to check Hartford vital records for the birth of an Elijah to Ichabod and Hannah Meacham, if those records are extant.

Elijah D. Meacham had a wife, Sarah (Sally). This is confirmed by deeds in Montgomery Co. VA beginning with the first found deed of 22 March 1802 when Elijah and his wife, Sarah convey to John Caseday. Additional deeds to some of his probable sons also show this wife. NOT ELIZABETH!!. Although it is not proven at this date, it is possible that the following may be the children of Elijah D. Meacham and Sarah Unknown:

Simeon married Priscilla
Jedediah married Hannah (Joana) Smith to Tazewell Co. VA
William married Catherine Wirt to Jackson and Pike Co. OH
Mary married William Wirt
James R. married Lucinda to Jackson Co. OH
Elijah D., Jr. married Elizabeth Wirt (she may have been a Watkins who married
 first Humphrey Wirt) to Jackson Co. OH

Elijah D. Meacham married #2 Frances Miles on 8 May 1837 in Montgomery Co. VA. Her application for pension on the Revolutionary War service of her husband, Elijah Meacham states that they had no children. I have found that some had credited the children to Elijah and Frances. Her testimony given for the pension has apparently not been considered by those researchers.

Old Elijah died on 26 Oct 1851, Montgomery Co. VA. His will does not list all of the living children. I have wondered a bit about this. Jedediah was still living in Tazewell Co., but is not mentioned.......

Will close for now and you might want to let Larry and Loretta know that Elijah D. is definitely a Connecticut Meacham by his own admission (Nova Scotia on the 1850 census).

Talk later.

Dear Jim,

I had noticed on the Jeremiah Meacham sheets that Elijah was credited with two marriages - Sarah Cook and Francis Miles. But the children are definitely wrong. In the first place, he had no children by Francis "Fannie" Miles.

I think Elijah D. Meacham and wife, Sarah, may have had the following:

1. Simeon (ca1788-aft 1860) m Priscilla
    Issue:
    Asa H. ca 1822- m Melvina Cyrena Keffer
    Priscilla ca 1833
    Mary ca 1833
    Jacob Stanton ca 1836 m Nancy Godbey
    Catherine ca 1837
    Sarah ca 1838
    Emaline ca 1841 m Levi (Len) Hickman
    Note: Early census records indicate additional children.

2. Jedediah ca 1792 - m Hannah/Joana Smith, dau of Shorten Smith
    Issue:
    Sarah ca 1814- m Amos Totten
    Francis (Fred/Frank) ca 1817 m Christina Milam
    William ca 1819 m #2 Susan Barn Deal
    Elijah D. ca 1820 m Matilda Squitner/Stiltner
    Isaiah ca 1823 m Louisa
    Thomas J. ca 1825 m Mary Wolf
    Rebecca ca 1834 m Henderson Elswick
    Isaac ca 1837 m Elizabeth Odell
    Lucinda ca 1839
    Lewis ca 1843
    NOTE: Jedediah had more than one marriage. It is not known if he had more children / or if all of these listed above are really his. Names are taken from census records and marriage records of Tazewell Co. VA. The name was always Mitchem (and still is) in McDowell Co. West Virginia.
3. William Meacham/Mitchem ca 1790/1800 m Catherine Wirt/Wert
    Issue:
    Elizabeth 1828-1894 m Adam Butcher
    James ca 1830 m Rebecca Blake
    Lucinda ca 1833 m Joseph Blake
    Sarah ca 1834
    Malinda ca 1838-aft 1881 m John Baughn
    Mary
    William Harrison 1842-1898 m Ella Ann "Elsie" Conner
    NOTE: Have quite a lot on this family since it is my line through William Harrison Meacham/Mitchem
4. Mary Meacham ca 1795 m William Wirt/Wert/Worth/Whitt
    Issue: (Wert)
    Elizabeth ca 1826 m J.. B. Stephens
    Mary ca 1829 m Samuel Branch Miles
    William ca 1831 m Martha Ann Miles
    James ca 1834 married (probably) Mary Woolwine
    Charles D. ca 1836 married (probably) Mary Faulkner
    John B. ca 1838 married (probably) Mary Thompson
    NOTE: Further research needs to be done in Montgomery Co. VA

5. James R. Meacham 1800-1893 m Lucinda
   Issue:
   Charles 1822-1900 m #1 Eliza Rush and #2 Margaret Comer
   Benjamin ca 1826 m Maletta Davis
   James Starlin 1828-1890 m Margaret Wollam (did he marry a #1 ??)
   Elijah ca 1831 m Clarinda Price
   William ca 1833 married (probably) Mary Horn/Howe
   Mary ca 1840
6. Elijah D. Meacham, Jr. ca 1807 m Elizabeth Wirt
   Issue:
   Elijah D., III ca 1831
   Margaret ca 1833
   Minerva ca 1840
   Elizabeth ca 1842
   NOTE: Did Elijah marry Elizabeth Wirt, formerly Elizabeth Watkins,
   widow of Humphrey Wirt? Both marriages in Montgomery Co. VA
   The 1850 census, Jackson Co. OH has a Samuel Wert, age 22
   living in the household of Elijah and Elizabeth Meacham.

A big lot of work needs to be done on this Meacham family. The material that we now have has been shared by Sue Swain of Virginia (Jedediah & Hannah); Darlene Mrvich of Oregon (William Harrison and Ella Ann); James Meacham of Ohio (James R. and Lucinda) and Mary Nunneley of Oklahoma (William Harrison and Ella Ann).

A bit on Ichabod Meacham:
born 2 Feb 1759 - probably Enfield, Hartford, CT
died 3 Nov 1837 - probably Montgomery Co. VA
Ichabod was never listed on any census in Montgomery Co.VA, though he lived there. I suspect that he resided with Elijah. The 1810/20/30 census indicate that there were two older males in the household. By 1830 one male was 60-70 and the other was 70-80. Probably Elijah and Ichabod. The LDS Library lists Ichabod and Elijah as brothers and the sons of Ichabod and Hannah Unknown Meacham.
In a letter dated 24 Sep 1915 from Idah Meacham Strobridge to the Bureau of Pensions concerning Ichabod, she stated that he died in probably Montgomery Co. and that William WITT was the administrator of his estate.

I will close for now and yes, you certainly have my permission to share any of the Meacham/Mitchem information I send to you.

Will be gone for a few days to visit my two sisters. We have not been together for about seven years - we may just talk, talk and talk!!

Dear Jim,

Received the good material on the Meacham line and am still going through same. I was happy to receive the marriage records of the children of my William. One of the most revealing items was the marriage of William's daughter Lucinda to Joseph Blake. The bondsman was listed as "Nelson Osborn, step-father". This seems proof that Catherine Wert Mitchem, widow of William, is the same Catherine Meachum who married Nelson Osborn in Pike Co. OH on 28 Jul 1846. I do not have this full record, only the names and date from microfilm. Another item of interest was the chart (# 14 J) of the Ichabod Meacham family sent to you by Willis T. Finley of Longview, TX. As you mentioned, it contains many errors...but, an interesting thing is that the author of this chart has listed wife #1 of Elijah as Sarah Cook. Please note in the deeds I am sending that most of the deeds concerning Elijah list his wife as Sarah/Sally. We know that the children listed are surely in error and that #2 Frances Miles had no issue.

I have checked the marriage records of Montgomery Co. VA (enclosed) and find NO MARRIAGE for Elijah Meacham to Elizabeth Smith on 9 Nov 1782. I am a loss to understand where two authors obtained this information. It has been published in the following books:

> A Brief of wills and marriages in Montgomery and Fincastle Counties, Virginia, 1733-1831, by Anne Worrell, pub Genealogical Pub. Co., reprint 1979. Page 29, as follows: Elijah D. Mitchem to Elizabeth Smith, married by Simon Cockrell on 9 Nov 1782.

> Marriages in the New River Valley, Virginia, by Therese A. Fisher, pub Heritage Books, Inc., c1991. Page 166, as follows: Elijah D. Mitchem & Elizabeth Smith; 9 Nov 1782.

Both books also list the following marriage:

> Lawrence Murray to Elizabeth Smith, 9 Nov 1782

I might mention that both published books list the marriage of my William Mitchem and Catherine Wertz as, 1 Feb 1830. This is WRONG...because I have a certified copy of their marriage from Montgomery Co. and the date is 26 Jul 1827. I am unable to locate any marriage record in Montgomery Co. VA that can verify the information in the Worrell or Fisher books. Mrs. Worrell's book was first published in 1932 and Ms. Fisher's in 1991. I would surely like to have an address for Ms. Fisher to inquire where she obtained her information and also, to inquire if she knows the definition of the word plagiarism. Fisher's work has the same errors as the 1932 book. Interesting...

The children of Elijah , with the possible exception of Elijah D. Jr, are not listed in the marriage records. A marriage for Elijah D. to Elizabeth Wirt is shown in the records as 1 Feb 1830. This is the date

published in both books for my William and Catherine.

Some of the enclosed deeds are very difficult to read. The microfilm was not clear and I have not had the time to transcribe directly from the film. I may order a copy from the VA State Archives to see if their copy is better than the LDS films.

The Nunneleys are both retired. Husband, Dick, from Phillips Petroleum after 38 years. He worked in the Tulsa division 20 years and was sent to Bartlesville in 1974, so spent the last 18 in the main office. I worked as a secretary for many years in Tulsa (Tidewater Oil and at a church) and went to work for the City of Bartlesille (library) when we moved here. I retired from the City in 1989. Dick loves golf and we both spend as much time as possible at the lake fishing and more fishing. I volunteer at the public library when needed, work at the LDS Family History Center each Thursday afternoon, am on the board of the Bartlesville Women's Club and have been Registrar for the Bartlesville Chapter, Daughters of the American Revolution for many years. I am currently assisting the LDS Church in publication of a book of cemetery records of White Rose Cemetery in Bartlesville. It is the oldest cemetery and contains about 12,000 graves. They have been working on it for over one year and there seems to be no near completion date, I am sorry to say... We have three babes, Richard, Jr., age 41, wife Judy, no children. He teaches at the University of Minnesota (Minneapolis). Son, Michael, age 39, wife Kathy and grandbabes, Brad (14) and Kyle (9) live in southwestern OK (Granite). Mike is a former school teacher, now VP at a bank and a rancher. He has been out of teaching/coaching for 10 years and has recently tendered his resignation to the bank and will return to teaching. Daughter, Kathleen, age 31, a single mom, has our local grandbabes, Sarah (6) and busy Benjamin (4). She lives about nine blocks from us and works for Phillips. Dick, Sr. graduated from the University of Tulsa, Dick, Jr. from the University of Oklahoma and Mike from Oklahoma State University. This makes for interesting conversations during family reunions! All family members are sports fans. Dick, Sr. was an outstanding basketball player for TU (1951-54) and was inducted into the Tulsa Athletic Hall of Fame in 1985. A fun event for our family.

I mentioned my work at the LDS Church. I am not a member, but our local genealogy society offered to assist the Church with volunteers if they opened a Family History Center. This, apparently, has never been done before. We are open every day from 9-4 and two nights each week. The Church has entrusted us who volunteer with keys to their building. This is wonderful, because we can use the library/computer and such in the evenings and Saturdays. It is a wonderful arrangement for the Church and a GREAT arrangement for volunteers. It has worked now for three years and I hope it continues.

Will close for now and look forward to our continued work on this Meacham group.

Sincerely,

Mary

DEAR MARY,

I cant tell you how happy I was to hear from you. As you mentioned in your last letter, "much work still needs to be done on the family research". But it sure is a lot more fun to have someone to share information, thoughts, and ideas with.

The information you sent was great. I especially appreciated the Pedigree Charts and the Family Group Records from The Church of Jesus Christ of Latter-day Saints. I had nothing close to all of this information. Also the LDS-IGI were appreciated. My copies were outdated since I left the Houston area in 1992.

The rest of the information will help us work back and forth together. The Rev. War records of Elijah & Ichabod is information that I had, however, I will go over this information page-by-page to make sure that we both have *all* of the same info. I will try to do this real soon. Note that I have not enclosed my Family Group Sheets. They need to be updated before you get copies. You can let me know what other information you might need or be looking for. I will try to get to work on them.

Let me tell you a little about myself (and the boss-my wife), before I go on. I am a semiretired paleontologist from Shell Oil Company. I worked for Shell for 5 years in Midland, Texas and then 18 years in Houston. In 1991 Shell (and most of the other major oil companies) dropped their paleontology staffs. I was given a choice of early retirement or a probable pink slip down the road. Since they gave me five years so that I could get early retirement, I took them up on

their offer. My wife and I gave serious thought to our future and decided to move back to Ohio (both from Lima, Ohio) and let things happen as they might. We both wanted to return to Ohio, live in the country, and live in the hills someday. I had visited Jackson once on a genealogical trip and decided that this was the place. We live on a 40 acre farm in the App. foothills about 7 miles from Jackson. We are about 6 miles from the old Meacham homested. We have a few goats & hope to have more. We opened a childrens resale store (Hand Me Ups) which is doing great. I teach a little at the University of Rio Grande. We love JACKSON, OHIO, THE COUNTRY, GOATS, SEMIRETIMENT, NOT LIVING IN THE BIG CITY ---- GOD BLESS SHELL! Oh yes - we still have two boys in JR/HIGH School. I would like to hear a little about your life when you get time.

I better finish & get this ready to take to town this afternoon.

Note that I made a preliminary trip to the Pike County courthouse last week. I found marriage records for: James, Lucinda, and Elizabeth (William Mitchem's kids). Next I want to go up to Washington C.H. (Fayette Co.) for a preliminary trip.

I need some information from you. You sent me all of the details of William Harrison, William, and Orvin Ometa Mitchem Families —— Could you please send me your thoughts on where they lived, when, and why you think that. For example, you say "William Mitchem died, probably, in Jackson Co., Oh. (Liberty or Franklin Twp.) between 1844 (birth of last child W.H.M.) and 1850 (not listed in census)". Based on the marriage records of his children, do you think he might have died in Fayette Co.???? Also please let me know your thoughts on Elijah (James and Williams'

brother). This information would help me search. Also what documents (birth, death, marriage) do you have or need.

Must stop now. I hope you can use what I am sending. Let me know what you need and are looking for and I will find or send what I can.

Again, thanks for the info. Will be looking forward to working with you on the family.

P.S. – Would you please watch for information for the Meacham that Willis T. Finley is looking for. His last letter to me is enclosed. Thanks – he is at a standstill!

Also, if I misspell your Mitchem line – sorry. It will take a while to change my thinking.

Sincerely,

Jim

Mary–

You are a "busy little beaver". I can't find the time to get away from the house to work on genealogy. I did make some progress this week on Probate Court records.

I have Benjamin Meacham in Jackson in the 1850 census.

Your problem with the "mixed up" ages on the census was explained to me by a "professional" some time ago. Each time the census was taken, a different member of the family answered the questions. Ma knew her information but not sure of Pa, Little Elroy knew very little about anyone, and little Mary[no offence] knew everything except where Ma and Pa were born--Census Taker takes his best shot=every one else on the page was from Ohio so "ditto" Ma and Pa. OK?

Hey----I have us a new worker! Related to, of all people we need, SIMEOM. Will try to find out where she is with her work.She sends the following note:

Elijah D. Meacham
  Simeon Meacham
    Mary Meacham
    Stanton Meacham
    Catherine Meacham
    Sarah Meacham
    Emeline Augusta Meacham b. August 3, 1842 in Charlottesville, VA
      (her g.grandmother)

1st m. Hickman
2nd m. Clark
3rd m. Marker September 5, 1868 in Jackson County
  Preacher= B. S. Meacham

I am afraid to ask what the B. S. stands for!?!?

Later.....................

Jim

Dear Jim,

I had noticed on the Jeremiah Meacham sheets that Elijah was credited with two marriages - Sarah Cook and Francis Miles. But the children are definitely wrong. In the first place, he had no children by Francis "Fannie" Miles.

I think Elijah D. Meacham and wife, Sarah, may have had the following:

1. Simeon (ca1788-aft 1860) m Priscilla
   Issue:
   Asa H. ca 1822- m Melvina Cyrena Keffer
   Priscilla ca 1833
   Mary ca 1833
   Jacob Stanton ca 1836 m Nancy Godbey
   Catherine ca 1837
   Sarah ca 1838
   Emaline ca 1841 m Levi (Len) Hickman
   Note: Early census records indicate additional children.

2. Jedediah ca 1792 - m Hannah/Joana Smith, dau of Shorten Smith
   Issue:
   Sarah ca 1814- m Amos Totten
   Francis (Fred/Frank) ca 1817 m Christina Milam
   William ca 1819 m #2 Susan Barn Deal
   Elijah D. ca 1820 m Matilda Squitner/Stiltner
   Isaiah ca 1823 m Louisa
   Thomas J. ca 1825 m Mary Wolf
   Rebecca ca 1834 m Henderson Elswick
   Isaac ca 1837 m Elizabeth Odell
   Lucinda ca 1839
   Lewis ca 1843
   NOTE: Jedediah had more than one marriage. It is not known if he had more children / or if all of these listed above are really his. Names are taken from census records and marriage records of Tazewell Co. VA. The name was always Mitchem (and still is) in McDowell Co. West Virginia.
3. William Meacham/Mitchem ca 1790/1800 m Catherine Wirt/Wert
   Issue:
   Elizabeth 1828-1894 m Adam Butcher
   James ca 1830 m Rebecca Blake
   Lucinda ca 1833 m Joseph Blake
   Sarah ca 1834
   Malinda ca 1838-aft 1881 m John Baughn
   Mary
   William Harrison 1842-1898 m Ella Ann "Elsie" Conner
   NOTE: Have quite a lot on this family since it is my line through William Harrison Meacham/Mitchem
4. Mary Meacham ca 1795 m William Wirt/Wert/Worth/Whitt
   Issue: (Wert)
   Elizabeth ca 1826 m J.. B. Stephens
   Mary ca 1829 m Samuel Branch Miles
   William ca 1831 m Martha Ann Miles
   James ca 1834 married (probably) Mary Woolwine
   Charles D. ca 1836 married (probably) Mary Faulkner
   John B. ca 1838 married (probably) Mary Thompson

indications justified the hope of the general's recovery. ... septic poisoning set in, and from that time, with the exception of occasional rallies, the patient's health steadily declined. The general realized that the end was near, and often spoke of his work as being finished.

The aged evangelist died at his residence, The Rookstone, *Hadley*wood some eight miles from London, where he had been confined to his bed ever since the operation. Present at the bedside when the end came were Mr and Mrs Bramwell Booth and their daughter and son, Adjutant Catherine Booth and Sergeant Bernard Booth; the general's youngest daughter, Commissioner Mrs Booth Helberd, and Commissioner Howard, Colonel Kitching and Dr Wardlaw Milne.

In Memory Of Mrs Martha Marshman

Among the hills of Pennsylvania three score and eight years ago, a little child came to gladden the hearts of Balear and Harriet Wollum. The family a few years later came to Ohio and for a short time settled in Cincinnati. From there they came to Jackson county, and for years the father was a contractor and builder of high merit. They soon became one of the substantial families of Jackson. Here Martha lived the life of the child, attending the public schools and forming acquaintances that have lasted all through the years.

In young womanhood and during the Civil War, she gave her hand in marriage to Mr Harry Marshman, then an active and faithful young cavalryman, and who later became one of the well known business men of the county.

Her life is an open book, known to many of the older people as well as the new friendships she has formed. Deep shadows have fallen upon the home for it was in the home that she reigned supreme. Her devotion to her home and to her family has been remarkable and ideal. She was a lover of the good and beautiful, standing firmly for the right as she saw it. If by kindly words or gentle assistance she could lighten the burdens of others, she counted it a privilege to do so. Her life was noted for its quiet charity, sincerity and loyality to friends and truly she had a "guard upon her mouth and watch upon her tongue," for no one ever heard her speak evil of anyone. Sorrows have visited this home, but Mrs Marshman bore them with the fortitude that makes men martyrs. She joined the M E church when a young woman and always maintained the interest that is characteristic of the Christian.

For a year Mrs Marshman was in failing health and her last sickness, extending over a period of four weeks was marked by patience and fortitude and complete trust in her Heavenly Father. She welcomed her Pastor and friends who so kindly administered to her spiritual comfort, joining in several hymns as they sang them.

Mrs Marshman has been a widow for four years, her husband and four children having preceded her to the realms invisible. Left to mourn are two children Mrs C M Carrick of Plymouth, and *Harry* Marshman Jr, of this city, five grandchildren and one sister.

Here we have our trials, tribulations and sorrows, but she has entered "God's Great Homeland" and greeted "those angel faces," which she has "loved, long since and lost a while". When the young are taken we think nothing sadder could have befallen, but we need only to lose sight of a dear kind face that has been for many years a daily presence; to long for the old associations, in order to realize that the place longest filled and now empty, leaves us with the greatest yearning. But she has gone; to those who knew her best, the loss is greatest.

TRIBUTE TO MRS MARTHA MARSHMAN

The Woman's Foreign Missionary *Society* pauses to pay tribute to the memory of Mrs Marshman, one of our number who has fallen "asleep in Jesus". For years this quiet, gentle sister has been one of the mighty host of consecrated Christian women, who publish the tidings of salvation through Christ the Savior, to the women in heathen lands. Although her health has not permitted her to do active work, her willing help and cordial sympathy were a strength to this society. In her death we mourn our loss. But we rejoice in her gain in the great joy of meeting her dear ones who have gone before

We, the Women's Foreign Missionary Society extend our sincere sympathy to these children, who today bid a long farewell to the mother who never failed in the tender ministrations of love, whose prayers for their welfare ceased only with life. They have a beautiful memory of a dear mother, who had known sorrow and pain, yet was gentle and Christlike.

Missionary Society,

Four Hundred Bushel Of Potatoes To The Acre

Kitchen, Ohio, Aug 19, 1912.
Ed Standard Journal, Jackson, Ohio: I noticed in a recent issue of your paper a record of ninety three potatoes from a single hill. I believe that record will remain unchallenged. On Aug 16th, I dug potatoes from a plot of ground containing 10 square rods which yielded 25 bushel, or 400 bushel per acre. They are of the variety known as Lee's Favorite, purchased from Ford Seed Co, of Ravenna, O.

Yours truly,

Hi Mary,
Surprised to get your letter and information. Yes I am still researching, however I must say that I have not done much on the Mitchem line lately. This new information will start me again. I have been working on other lines on my fathers side. I have had excellant results in using the internet. I plan to submit what I have in my "Family Tree Maker" file, to family tree maker soon. What program are you going to use for your family file? I have moved since we last corresponded, my new address is 36700 Parsons Creek Rd. Springfield Or. 97478. This is not truley a new address, just my home. The address you had was my business address, and I have since, sold that business, and have a new one in Sunriver Or. The PO did forward the mail to here in Sunriver.
Again Glad to hear from you,

Dear Mary:

I recieved your information November 18th, it was very complete and informative. I can not tell you how nice it is to get information so well researced and documented. From your letter I see you have encountered similar problems with the information some times submitted by others. But there is still value in what they offer, as it some times gives a direction in which to continue ones research. I have a number of errors in information submitted to the FHL LDS, that I am working on now.

The information I have about the son of Ella and Wm. H. Mitchem, Matthew M. Mitchem, is that he was born June 27, 1870 in Kansas. This came from Jewel Neufeld, grandaughter of "Gertie", and came from her things, which she was given after her mother and father died. The second information came from John Teegen, grandson of Marcus Mitchem. He has items that belong to his mother Marie Lorene Mitchem. His information is the same as that of Jewel's.

The research for the death dates of William and Catherine Werts Mitchem is still on going. William and family were in Jackson Co. Ohio in the 1840 (Liberty Twp pg 35), as was, I believe his brother James in (Franklin Twp pg 10). James was still there on the 1850 census pg 308. There is also an Elijah, same twp pg 305. This is probably Elijah Mitchem Jr., Elijah Sr. was still alive in Montgomery Co. Va. on the 1850 Census. Catherine Mitchem was still alive in 1854 as she remarried a Nathaniel Hill in Fayette county, 23 Oct 1854. As near as I can tell Nathaniel was from Champaign Co., from about 1810 to 1840. I will check the 1860 Census for them the next time I am at the FHL. I wiil also see what cemetery records are available for Jackson Co. Ohio. I have already checked Pike Co. and found nothing.

Have you done any research on Champe, Mulliner, or McGarrey? If so would you share with me what you have? If not let me know and as I research these lines I will keep you informed as to what I find.

The picture copies you sent were wonderful. I have all the same ones of Gertie, the others I will treasure. Should you have a negative

made of the one of Alvina, I would love to have a print. I have a display in my living room of as many of my ancesters in antique reproduction frames as I have been able to acquire. I also collect Daguerreotype, Ambrotype, and Tintype cases.

Thank you again for everything. I will write again as soon as I have more information to share

Sincerely,

Darlene Mrvich

Dear Darlene,

Thanks so much for the information on the Mitchem/Yehle families. Mother (Mabel Inez Mitchem Metzinger) often talked of Aunt Gertie's family, but knew little of their family history. Grandpa Mitchem (Orrin Ometa) died when Mother was only 16, so the Mitchem family ties were not as strong after her Dad died.

A little info about my family...I was born at Wewoka, OK in 1931 to Mabel Inez Mitchem and Raymond Henry Metzinger. We moved to Drumright, OK (Dad was with Sinclair Oil from 1927-1964) in 1932. Attended school there, as did my sisters, Helen, Nancy and Eva. Married Richard Dean Nunneley in Tulsa in 1952 and had issue:

Richard Dean Nunneley, Jr. who married Judith Ann Stone, they have no children. Both teach in Minneapolis, MN. Dick, Jr. at the University of Minnesota and Judy at Minneapolis School of Art and Design.

Michael Ray Nunneley who married Kathryn Clements. They have Bradley, age 14 and Kyle, age eight. Mike is a former school teacher/basketball coach for many years, but now is a farmer/rancher and vice-president of a bank. Wife, Kathy, is a former teacher and accountant, but now stays home with the boys. They live at Granite, OK.

Mary Kathleen Nunneley, who is divorced and works for Phillips Petroleum as a secretary. She lives in Bartlesville and has two children, Sarah Elizabeth Richards, age six and Benjamin Richards, age four.

I retired from the City of Bartlesville in 1989 and husband, Dick, retired from Phillips Petrolem Co. in 1992 after being with the company for 38 years. We spend a great deal of our time fishing and Dick plays golf when not fishing. I am on a couple of local boards (Daughters of the American Revolution and Bartlesville Women's Club, Inc.), volunteer at the local library when needed and work each Thursday at the LDS Family History Center. I am not a member of the LDS Church, but our genealogy society helps staff the Family History Center and this allows it to be open every day. And, of course, spend a great deal of time doing genealogy.

The pictures of William Harrison Mitchem and Ella Ann "Elsie" Conner are wonderful. I had never seen William and was thrilled to know that I will soon have a copy. I am enclosing copies of some of the pictures that my Mother had when she died. If you do not have any of the Philip/Gertie pictures, let me know so that I can have them copied for you.

As you see, I have little information on William Mitchem and Catherine Wert. I am still puzzled concerning their date of marriage. It has been published twice as 1830. The first time in a book by Anne Lowry Worrell in 1932 and again in a book by Therese A. Fisher in 1991. The reason I wrote for a copy of the marriage was the date seemed wrong and indeed it was an error in both books. I did not retain a copy of my letter to the Montgomery Co. VA clerk written in 1981, so do not recall if I had asked for their marriage about "1827" or just what I requested. I do know that they had married previous to 1830 per my research. Do you have any information on where or when William and Catherine died? It would seem before 1850 since the children were all living in other households.

I am only sending the Mitchem material at this mailing. The Rose and Conner copies will come later. There is more to copy on those lines, so took the easy way out for the first mailing.

Oh yes, the Mathew M. Mitchem, born May, 1870, died before 1880 a child of Ella Ann Conner and William Harrison Mitchem as listed in the Popejoy book could be an error. It was given to me years ago and I have been unable to prove him as a son (Popejoy book, page 249). Another error in the book, page 248, attributed to me but wrong, are the children of John Conner and Alvina Popejoy. Daughters Martha and Jane are ONE person. There was not a daughter, Sarah, or so it seems. This information came from a Sherwood Conner of Ohio and he was in error on quite a lot of his research. My mother said that her grandmother, Elsie (Ella Ann Conner Mitchem) always said that she had only one sister and that her sister married well and had a bigger wedding than she (Elsie) and they used pounds and pounds of flour just to make her wedding cake. The 1870 census of Fayette Co. OH sure seems to support Grandma Elsie's story since her sister Martha Jane and husband John Wesley Roebuck have his mother, Lidy Roebuck living in their household and Lidy, age 65, lists her real estate at $21,600.00 and personal estate as $500.00. This is quite a nice sum for 1870.

I will close for now and will copy the rest of the family material in a few days. Also, returning your check and the stamps. I think if we share our copies of vital records and information it will probably be about even. The only time I charge for copies is when I provide a lot of information to a distant family member who sends me nothing. Sharing is what genealogy is all about...

Thanks again for the items I did not have and will look forward to hearing from you soon.

Sincerely,

Mary

DARLENE (WEATHERLY) MRVICH

I was born Eugene Oregon, to Virgil Weatherly and Leona (Collins) Weatherly, the first of nine children. My primary education was in the Eugene public schools. My secondary was at the University of Oregon. I majored in psychology, with a minor in business admistration. I returned to school many years after high school, after my last divorce, and when my youngest son started first grade.

I have two sons, both from previous marriages. Rodney my oldest is married. My youngest, Glen married in August. I raised my sons as a single parent. Remarring twelve years ago, after both of the boys were not living at home.

I now own and operate a small convenience market in Springfield Oregon. Have done so for eighteen years. My husband is also self employed, as a painting contractor.

For enjoyment we camp, garden, travel limitedly to historical places, hunt and fish. I also enjoy computers, tax law and geneology. One day I hope to enjoy Grandchildren.

All my brothers, sisters and their families live in Salem, Eugene, Springfield Oregon area. We have family get togethers each July 4th and Thanksgiving. What a gathering forty to sixty, if they all show. Our July 4th gathering is generaly a camp out on my Central Oregon property. Thanksgiving is at each familys home on different years. We are a close family.

Dear Darlene,

HAPPY NEW YEAR

I received your letter, work sheets and the great pictures, but Christmas was fast approaching and I have not had time to answer until today. I have copied some things over the past two weeks, which may help us with our search. Also, enclosing a picture that I had copied for you of Alvina Popejoy Conner. The original is quite dark and the copy turned out even darker, I am sorry to say. Maybe properly framed, it will look fine.

When time allows, I would love to have copies of Edward Popejoy Conner and James Rose Conner. They are wonderful pictures! I, too, copy old photos and frame them.

In the Jan-Feb 1994 issue of the Genealogical Helper, a James F. Meacham had placed a query concerning the Meacham family of Jackson Co. OH. Since he lives in Jackson, Ohio, I decided to write to him. I wrote on 20 Dec, and what a surprise! He called and indeed is of the Elijah Meacham family from Montgomery Co. VA. He descends from the son James. He was so excited that I had written and talked for over 30 minutes. He said he would send his information and I will share it with you as soon as I hear from him. He did say that he knows only of his ancestor and is not familiar with any of the others who came to Ohio, but often wondered who those other Meacham/Mitchem families were that lived in the area. I think he was originally from Ohio to Texas and recently retired from Shell Oil Co. and decided to return to Ohio.

I have ordered the Montgomery Co. VA Index to deeds and Index to probate (1773-1953) in hopes some information can be found. I was told several years ago by a Mitchem researcher who lived in VA that at Deed Book M, page 138, William Mitchem sold his land purchased from Elijah D. She said it was sold in 1836. I will then try to find the original purchase deed. I sure hope Elijah sold it to William for "one dollar and love and affection" - this may be the only proof that Elijah is really his father, since William will not be listed in the will of Elijah.

I tried several years ago to find some information on the Champe, Mulliner and McGary/McGarey lines, but had no luck. I believe Martha McGary Popejoy's father to be John McGary for the following reason:

> Fayette Co. Ohio - Chancery Court Records - Book C - page 75
> August Term - 1849
> William Rankin, Jr. vs Edward Popejoy et al. John J. Popejoy, unmarried son of Edward; John Hays partner in Edward Popejoy's cattle business; A. S. Ballard rented the store room and ware house and two other rooms of John J. Popejoy. John Majary? grandfather of John J. Popejoy.

I have not seen the original record and this is from a book George A. Robinson, Jr. published in 1957. The John J. is probably John Isaac Popejoy who married Frances Pearson, 24 Oct 1849. He indeed, was unmarried at the August term of Court.

A John McGarray/McGery/Magary was on the Butler Co. OH tax lists for 1806-1807-1808-1809-1810 and on the 1820 Butler Co. OH census. The following marriages for Butler Co.:

Jane McGarey m Frederick Troxell 15 Oct 1807
Betsey McGarey m John Martin 20 Jan 1812
Fanny McGarey m Platt Bayles 1 Apr 1812
Patsey McGarey m Edward Popejoy 13 Jan 1814

From the abstract of will - Book A - Fayette Co. OH:
Jane Troxel, probated 30 Dec 1836. Daus. Lovina, Frances Jane; sons, Sylvester, Oliver. Mentions portion of estate of Grandfather McGary. Executor, Edward Popejoy. Wits: C. B. Woodruff, Edward Popejoy, Rebecca Benson.

I have not seen the original papers. The Fanny McGarey who married Platt Bayles in 1812 may be the same as Platt Boyles who were in Tippecanoe Co. IN, Sheffield Twp, page 243 on the 1840 census. I have not pursued the girls.

I am so excited about returning to the Mitchem research after 10 years. Please know that I have not forgotten that I promised to copy the Conner and Rose material. I will get that copied soon.

Look forward to hearing from you soon.

As ever,

Mary

Dear Darlene,

It has been a long, long time since we corresponded concerning the Mitchem family. Are you still doing research? I almost gave up on the group and then was recently contacted by someone I had corresponded with several years ago. He has, also, started the search again. We both have gotten computers recently, so we have been "talking" regularly.

I sent the enclosed to him (James Meacham, 4332 SR 776, Jackson, OH 45640-9296). It is rather nice to have someone who lives in the same place that our William and Catherine Wert Mitchem lived. Jim descends from James R. and Lucinda Meacham.

The material I sent to Jim will be shared with a "Larry" somebody and a "Loretta" somebody. Do not know their last names, but I gather they are of the Southern Mitchams and not related to Elijah of Montgomery Co. VA.

I have not, as yet, learned how to enter my family information into my new computer. Surely this will come to me soon. My cousin is coming to visit at the end of August and will give me lessons!! At this time, I am mainly using the Internet, etc. I have quite a lot of new information, but have not gotten it typed and ready to copy.

The big find (still reading film and such) was Elizabeth "Betsy" Mitchem who married Adam Butcher. I have found them in Harrison Co. MO in 1860. Will be brief with the info, but the following:

Elizabeth "Betsy" Mitchem (dau of William and Catherine)
  born: 25 Sep 1828 - Montgomery Co. VA
  died: 24 May 1894 - Harrison Co. MO
  buried: Pleasant Ridge Cemetery - Harrison Co. MO

  married: 26 Apr 1846 - Pike Co. OH, to

Adam Butcher (son of Adam Butcher and Nancy Blake)
  born: 15 Apr 1825 - Pike Co. OH
  died 2 Apr 1902 - Harrison Co. MO
  buried: Pleasant Ridge Cemetery - Harrison Co. MO

ISSUE: (more info later)

Mary Ellen Butcher (1847-1912) m Milton Burris
James S. Butcher (ca 1852-) m Harriet Lucas
George Willis Butcher (1853-1925) m Anna Marie McNamee
Sarah J. Butcher (ca 1859-) m Mr. Sprague
Jacob W. Butcher (1862-1917) m Virginia Bennett
Nancy Catherine Butcher (1865-1946) m Milton Prose McNamee

I was very surprised to find in my research that Mary Ellen Butcher and her husband, Milton Burris moved from Harrison Co. MO to Reno Co. KS. Both Mary Ellen, her husband and all of their children are buried in Reno Co., some even in Hutchinson cemeteries. I have been to Hutch several times to visit our daughter Kathleen and her family and it never dawned on me to look for anyone in that area, but the family of Philip and Gertie Yehle. Small world.......

Going to visit my two sisters for a few days, so putting away the genealogy. Hope you are still looking. If not, just drop me a note.

Sincerely,

Mary Nunneley

Hi Darlene,
Thought I would get the Meacham/Mitchem things in the mail and then found out about the Meacham/Miles family Bible that is now in the possession of someone in Montgomery Co. VA.
I received a bit of the information from Sue Swain of Berryville, VA and finally found it at the following location:

www.yahoo.com
genforum meacham

It is listed in a reply concerning the Meacham family by Cheryl Mitchem-Chester of Ohio. I sent her an E-Mail several days ago and finally, today, received a reply. She has taken pictures of the Bible, but do not feel certain that she will share the material. She does not want any contact made with the current owner (per Sue Swain) and hopes to go back to Montgomery Co. next July and try to get copies of the Bible. There is also a burial ground on the original land owned by Elijah Meacham. She hopes to canvas the cemetery at that time. We will see.

If you cannot access the Bible record, let me know and I will send you a copy. It does show that our William (who married Catherine Wirt) was a twin to James and they were born 17 Jan 1801. FINALLY - a proof that William was, indeed, a son of Elijah D. and Sarah Meacham!

Let me hear from you.

Also what you have on her children.
Will Talk later,
Darlene

Dear Mary,

Recieved your work sheets and the picture of Alvina. The picture does look nice now that I have it framed. All information is just wonderful and fills in for me some of the questions I had.

I obtained the microfilm of Elijah Meacham's will. I am enclosing a copy, it is not very clear on the copy, however the film enabled me to confirm that Mary Meacham Wert, Simeon, and James were his children.

How exciting that you have found another Meacham, who is researching his family tree. I look forward to having a copy of what he shares with you.

I am still trying to locate Nathaniel and Catherine Werts Mitchem Hill. He was not on the 1860 census index. So I will look for them on a county by county search in 1870. I have a microfilm reader at my office at my business and I rent films from the American Genealogical Lending Library. Our local LDS History Center is only open two Saturdays a month, the only days I don't work. So I try to work on items there that I can't get from AGLL. If I come to a dead end on a family line I start on another line. Sometimes I have three or four searces going at one time.

I am sending the pictures of James and Edward Conner. Also copies of a couple of letters that James wrote to Ella. The letters give a small window of thier life.

Will close for now and write again soon. Thank you for the picture and all the other information you have shared with me.

Sincerely,

Darlene Mrvich

Dear Darlene,

The pictures of the twin boys, James and Edward, are absolutely wonderful. Thanks so much for the copies and do you have the originals or who owns them??

I am sending copies of the deeds from Montgomery Co. VA that I copied from microfilm at the LDS Family History Center. They are almost illegible, so think I will order them from the Virginia State Archives to see if I can get better copies.

Please note in the deeds that Elijah Meacham/Mitchem's wife is SARAH/SALLY, not Elizabeth. I checked the marriages for Montgomery Co. VA and found no marriage for Elijah to Elizabeth Smith. This marriage is listed in two different books and I believe it to be in error (same error as our William to Catherine). I did find Elizabeth Smith to Lawrence Murray in Nov 1782 (date given for Elijah to Elizabeth). Note on one of the items enclosed (from Jim Meacham that Elijah married Sarah Cook - it may be wrong, too).

See my note on the marriages from Pike Co. OH that I received from Jim Meacham of Jackson, OH. It sure looks as if Catherine, widow of William married Nelson Osborn, since he is listed as step-father to their daughter, Lucinda. Wonder where Catherine and Nelson Osburn were in 1850?? All of the Mitchem children are living with other families.

I wrote to a descendant of Jedidiah, son of Elijah, who lived in Tazewell Co. VA. We had corresponded several years ago, but she did not answer my letter, so apparently no longer does research on her Mitchem's. I hoped she would still be interested for she was the first to suggest that our William was the son of Elijah. It has only been a couple of months, so maybe she will still answer. She did mention in one letter that her husband did not like for her to "do" genealogy. Could be that he won the battle!

I wish we could find a picture of Martha Jane Conner Roebuck, sister of James, Edward and Ella Ann. This would make that family complete in pictures, with the exception of their father, John Conner. Since he died in 1867, there may have been no picture of him. Martha Jane remained in Fayette, Co., at least until 1880, so she may have had many of the family pictures. I wish I could find one of her descednants who might have her picture.

Will close for now and plan to start reading census film. I, too, belong to AGLL and have a Dukane MDP reader at home. It makes it much easier to do research.

Sincerely,

Mary

Mary,

She is willing to share information but the way she writes to me she is afraid if this man has too many requests, etc. to see or copy the Bible he may just back away from everybody and she would lose her contact. She appears to be fairly young. Her father was about mid-sixties. She is in Ohio and travels back to VA/WVA every summer. She let enough slip that I think I can find the man, but I am willing to give her a chance. She works 40 - 50 hours a week. So she may just be slow. The National (Regent, President whatever) of the Colonial Dames, I have known since I was 19. I worked for her husband. She now lives in Blacksburg and has some contact with the Miles family. Because she wants me to join the Dames, she is trying to get some help for me too. We have to have the copyright page of the Bible in order to use it for any organization. I think what I sent you has a description of the condition of the Bible. It is put together with Duct tape. Apparently Elijah left the Bible to Frances and Miles information is recorded in it as well as the Meachem information. While I am waiting, I hope to get the New England part of this family going full speed. I do now know who the children were and that Jed was really Elijah's child. I wonder if one of the other children wrote all this information in their Bible. Simeon staying in the area and probably has descendents if we can find them. I will use a little brain power and see if I can come up with something.

You take care of yourself and get well soon. Keep in touch.

Dear Mary,

I was overjoyed to receive your letter. There's not many of us researching Mitchems. My Mother is a Mitchem.

Sorry I confused you about the county census, you guessed right, it was Tazewell Co., Va., in 1850 census and McDowell Co., Va., in the 1860 census.

All I have is tidbits of information but will share what I have.

I have been trying to research the Mitchems for three years and could not get beyond my great-grandfather James J. married Harriett Russell (no dates, places, etc.). Now old James was a rascal. He had two families and apparently lived with both women 6 month of each year. Had children by both, even named them the same names, Benjamin, John William, etc. His daughter, Aunt Virgie, told me he was married to another woman, divorced her (for sitting on another man's lap) and then married her Mother, Harriett O. Russell. I haven't found a divorce record yet. Or in fact a marriage record to another woman.

Virgie was the baby and her father died when she was 14, Harriett having died several years before. Grandpa kept Virgie until she married. Virgie is still living, she's in a nursing home but two years ago she set me on the track that finally paid off.

Grandpa would not talk about his family and discouraged anyone else mentioning them. He moved his children away from the area. The family has always been closed mouthed about the Mitchems maybe because they ~~where~~ were never sure James and Harriett were married. I finally found their marriage record in Mercer Co., W. Va., last October and now some of them are beginning to "remember" some things. Among them the vague recollection that some of the family went to Texas.

From James J's marriage record I found his father was Elijah D. I then found Elijah's m. record to Matilda Squitner in Tazewell Co., Va., in 1844. Before 1850 Virginia does not always have records of parents names especially on ministers returns.

Then I really got lucky. Elijah married a second time in Mercer Co., W.Va., in 1887. He listed his father as Jordon (not clearly written) and mother Hannah. I feel sure this is Hannah (Joanna) and Jedidah. I will have to go back to the courthouse and bully someone in letting me see the original marriage application not just the clerk's record book. Also found where his second wife remarried in 1893 so he died somewhere between the two dates and I may be able to find his death record to help prove this.

William, one of Jedidah's sons, stated on his marriage record he was born in Montgomery Co., Va.

I have a lot of research to do now that I know where I am going with it. I hope to go home to McDowell Co. and stay at least a week to work on this next month. It looks as though my line is going directly back to Montgomery Co. Will check what I can to see if your William is mentioned.

I would say it appears possible, even probable, that your William is a brother or cousin of Jedidah.

I don't know your circumstances for traveling to the counties you need but if you have access it would appear to be a good bet to check the Orphan Court Records. Also Chancery Records. Deeds (even when land was contracted for but not paid for) give some strange information especially about relationships.

I know from the census records that most of the Mitchems of 1850 – 1870 time period could not read or write. That explains their sloppy records. Misspelled names, ages off by several years, etc. Everything connects but is just off center. Just enough so there may be doubt.

Got your name from Laura Stoddle who in turn had gotten it from a Gary H. Sapp, P.O. Box 494, Hawthorne, CA 90250. Laura is looking for a Nancy Mitchem who married John Arnold and were originally from somewhere in Virginia.

I am at work right now so don't have access to my census records, but I think your 1820 Montgomery Co. Jadeth Michom is my Jedidah.

I am writing this at work between busy times so it is a mess. Let me know if you don't understand something.

Mrs. James F. Swain

Dear Sue,

Not to seem formal, but the above just lets me keep up on addresses when I go back to letters.

You are right!! William could certainly be the son of Elijah Micham on the 1820 census of Montgomery Co. VA. I have found a William on the 1830 census since I last wrote. As follows (index only):

Elijah D. Meacham	Montgomery	pg 84	no twp listed
Simeon Meacham	Montgomery	pg 84	no twp listed
William Meacham	Montgomery	pg 84	no twp listed

Wonder where the Jadeth and James Micham of 1820 went by 1830 or are their names so misspelled that they are hard to find??

You said that your Grandpa would not talk "family" - it seems to go with the name. Many years ago, a Mrs. Edgar (Ada) Mitchem from Oakley, Kansas came to Iola, Kansas to see my Mother's oldest sister, Myrtle Groves (1886-1970) to gather Mitchem information. She stated that the Mitchem's were eligible to join DAR on this line. The Ada Mitchem did not know that my Aunt Myrtle was not really a Mitchem. Grandmother had her two years before she married my Grandpa Mitchem, but Myrtle was always accepted as a Mitchem. After Aunt Myrtle died in 1970, I started working on the genealogy and tried to contact the Ada Mitchem. She had also, died. Her son still lived in Kansas (and a daughter in Colorado that I could never find). The son, Edgar would not answer my letters, refused my calls and would have nothing to do with my requests for copies of the material my aunt had given to his mother. I finally called another Mitchem in the area and found it was a daughter-in-law of the Edgar. The young woman was delightful and very excited to find that her husband's grandmother had done some genealogy on the family. She was going to ask her father-in-law the whereabouts of all the years of work. I never heard from her again and she did not answer my letter when I sent additional material and the names of area genealogical societies she could join. So my luck has not been great with contacting my own, apparently, family. In all of my years of research, you are the first that I feel almost certain will be from the same family.

I work at the Bartlesville Public Library and use my vacation for the most part, in helping with my Dad who is in a nursing home 85 miles from me. This allows me no genealogy travel time. I must do it all by mail or hire a researcher. I have hired two researchers (in NJ and KY). Was pretty lucky with both and have just contacted a lady to do W. VA work, but have not heard from her as yet. Some of my Charles Rose family (including Charles who died in 1816, Monongalia) went from NJ to W VA. As far as VA research, most of the county records can be ordered interlibrary loan on microfilm. The Virginia Archives are great to have all of these will, marriage, order books, etc., on film. This, of course, does not include the W. VA. counties. I will just have to begin ordering those counties in VA that seem to apply to our Mitchem line and start reading. I bought a large Dukane microfilm reader a couple of months ago. It is fun to have one of my own and not stay at the library after I get off work.

Don't know Laura Woddie, but did have one letter from Gary H. Sapp - seemed no connection.

Must close - would like to have your family group sheets if you could send copies. Might help when I begin the VA film searching.

Sincerely Mary

Dear Mrs. Nunnsley,

I was given your name as a person researching the Mitchem family from Virginia.

My mothers' family is from that part of Tazewell Co., Va., that became McDowell Co., Va. (1858); McDowell Co., W. Va., (1863). I have been researching this family for about two years. Just recently I found the connection to make my bits and pieces fall into place as family lines.

I am sending you copies of work sheets that show more than I can get on family group sheets.

My direct line is:

Lois Mitchem m. Curtis Hammonds
John William Mitchem m. Susan Sarver - 191
James J. Mitchem m. Harriett O. Russell - 1880
Elijah D. Mitchem m. Mililda Squitner 1844
Jedidah Mitchem m. Hannah ——— (probably Smith.)

Jedidah was Elijah's father and from the census etc., it appears Thomas, William, Isiah, Fred (Francis) were brothers or at least close relation.

We do not have an oral history on this family so I am having to really search for any information.

Would appreciate any information that might connect with any of the people listed.

Sincerely,
Sue Hammonds Swain

Dear Sue,

Happy to receive your letter concerning the Mitchem family. Though your census records enclosed do not list the county, I guess that they must be Tazewell Co., VA.

I have had less than success in researching my Mitchem family of Virginia. Am enclosing what little I have. By the very important 1850 census, the children of my unknown ancestor were all living in different households. I am relying on the enclosed history from Fayette Co., Ohio, to believe that my unknown ancestor is really William Mitchem who married Catherine Wort (Werts) in Montgomery Co. VA. I have been unable to find out what happened to William and Catherine and why their children were so scattered with other families at such an early age. I can only guess that they died very early or separated, which is not uncommon, though we think of divorce as a modern day problem. Not so.

Since William and Catherine were married in 1827 in Montgomery Co., VA, I look to the 1820 census for a possibility of the name of a father for William. It appears that Elijah, Simeon or Jadeth Micham in that county all had sons 0-10. If William was one of these, he would only have been about 17 at his marriage. This is a bit young, so unless the census taker is in error, I cannot accept any of the three as the father of William who married Catherine. See my problems?? I now need to check ALL Mitchems in VA to try to find one who has a son in 1820 who would be of marriageable age in 1827. Just because they married in Montgomery does not mean William lived there. Early marriages were usually in the county of the bride, so he may have lived in another county.

From the birth places listed by their children, it would appear that they moved from VA to Ohio after 1834. I have not located them on an 1830 census in VA or 1840/1850 in Ohio. I am at a loss to explain how they "did not exist" with such a large family.

Our counties of interest, Tazewell and Montgomery, do tie together in the late 1700 by boundry changes, so it is likely that these people were related.

I have let my Mitchem research stop over the past few years and you have renewed my interest, so will get back to it. My mother was a Mitchem (Mabel Inez Mitchem) and when she died of cancer 2½ years ago, a lot of my research stopped. She was my greatest fan and it made it a bit hard.

Let us keep in touch and keep looking. Who gave you my name???

Sincerely,

Mary

Dear Mary,

I feel awful, I am sorry. Last night I was cleaning out papers and there was the letter I thought I had mailed you over a year ago. When I did not hear from you I thought you must have had an emergency and then I just slipped back into my little depressed world and forgot about it.

I should explain what has been happening to me. I thought I was handling a huge problem with my siblings very well. Then Mother died and I still thought I was alright. Recently, I started to come out of this depressed state and realized what bad shape I was in. I am not out of the woods yet. I hope that getting back into the genealogy work and really having to think and do research and get involved with something that I can control to some extent will help me. I had a running disagreement with the siblings for over five years before my Mother died. When she died they would not even let me in the house. As I said, I thought I was handling it, with difficulty, but handling it.

My daughter told me my house was such a mess, if I would take time off from work for a couple of days, she would help me get it liveable again. That was a shock. Then she told me if I did not at least start to come out of this (I didn't know I was depressed) she thought I should get medical help. That did shock me. After about two months of having my eyes open again, I realize that it was taking a concious effort on my part to just make the decision to wash the dishes or go to the store. My job I had to do so it used up most of what I had to give.

I have been just sort of wondering around and loosing things. I can't find my car keys half the time, misplace the checkbook, think I have paid bills until I get a second notice, just plain not functioning. I did go through the motions, but that is all. I also had a woman run into my car broad side and put me in the hospital overnight in September. I still have not settle the insurance. I am working on it.

Anyway, I hope you will forgive my forgetfulness and still be willing to share the good news about Jedidiah.

Dear Sue,

And again, two years pass and we have not shared any genealogy on the Meacham/Mitchem family. I do not know where the times goes, but hope you are still researching the family.

I am enclosing a copy of an E-Mail I send to Mr. James Meacham, 4332 SR 776, Jackson OH 45640-9296. Jim descends from James R. Meacham (son of Elijah and Sarah) who married Lucinda Unknown. I looked through my worksheets and sent him some of the information I have gathered and then decided to copy it and send it on to you.

Jim and I corresponded several years ago and we both recently got computers, so thought we would get back to looking for the Meacham/Mitchem bunch.

I found the following marriages, probably for Jedediah:

Jedediah Mitchum to Joanna Smith
13 Sep 1813 - Tazewell Co. VA

Jed Mitchum, age 66, widowed, to Elizabeth Lambert, age 36,
daughter of Garrett Lambert
17 Mar 1856 - Tazewell Co. VA

Does this agree with your research on Jedediah? Also, how close am I on the list of children for Jedediah and Hannah???

Will close for now and hope you are still doing genealogy. If not, just drop me a note to let me know.

Sincerely,

Mary Nunneley

Dear Mary,

What a question, am I interested in finding the Mitchems!

We moved two years ago, but I kept my Post Office box in Middleburg just because I was afraid I would miss a chance with genealogy. We don't go back to Middleburg very often. Our box filled up with junk mail and they took all the mail and put a slip in the box that we could pick it up at the window. Only problem being you have to get to the post office during business hours. We never seem to manage that, but my husband made a special trip during the day to pick up the mail last Friday. There was your letter among the 200 pieces of junk mail and Christmas cards.

I needed some information last week and finally started to unpack my genealogy. I haven't done much since we moved. We moved from Middleburg to an interim house for six months and then finally found a house to buy. I was so worn out with boxes I gave up on unpacking but then had a lead on my Dad's family in January and decided to start again. I still have some of my information packed away. I am sending you Jedidah's family and will try to get the family sheets of his children to you next week. I worked the census, Tazewell Co., Va., and McDowell Co., Va./W.Va. courthouses for lots of information. All I have is strictly records, no oral history.

Did you really find proof that Jedidah is the son of Elijah D. Meachem of Montgomery County? If you have proof it is a miracle. I have worked on this for ten year and I have known for several years that Elijah had to be Jedidah's father but could not find proof. I went to the Montgomery County courthouse and could not find the original marriage license of Elijah D. Did find some interesting information. Elijah D. Jr. had some kind of desease that left him incapable of labor. There was an Ichobod Meachem that enlisted with Elijah in Connecticut. He died in Montgomery County leaving no children or widow. I have the application papers for pension for Elijah and Ichobod, which is interesting reading.

I am Regent of my DAR Chapter and haven't had much time the last three years to work on genealogy. My term of office if over in May. Now I can get back to my real love.

Also, my mother, Lois Mitchem Hammonds, died November 10, 1994. She had heart surgery in 1990 and had been frail since. I spent most of my free time with her. Between DAR and Mother I had very little free time.

Please get back to me as soon as you can. I can't wait to see what I missed and just what I should have checked. I am always learning. You never know where you will find the proof you need.

Dear Sue,

We corresponded several times in 1985 and 1986 concerning the Mitchem family of Montgomery Co. VA. I have hopes that you are at the same address and still interested in this family.

I had almost discontinued my research on the Mitchem line, but have been contacted by two different people recently. They have contributed some information that has made a difference.

It now appears that Elijah Meacham/Mitchem who married #1 Elizabeth Smith on 9 Nov 1782 in Montgomery Co. VA is the father of all the Mitchems in Montgomery Co. Elijah married #2 Frances Miles, but they had no children.

If you are still interested, I would be happy to copy the new material and share it with you. I am enclosing a new family group sheet for Elijah and an SASE for your convenience to answer.

We still need the children of Jadeth/Jedediah and Hannah (Smith) which is your line. Hope you have that information.

Will be anxious to hear from you.

Sincerely,

Mary

Dear Mary,

First I must apologize for not getting back to you sooner. I did write a letter in March and kept a copy for myself. At least I think that is what I did. I found a signed copy of the letter, in my carryall bag that I take to work with me, a couple of weeks ago. Now I am not sure what I did because I was writing some long overdue letters at that point and I probably did not mail yours. I haven't heard from anyone that I sent them your letter.

I was not doing very well emotionally at that time. The following is the story:

We moved two years ago. I kept my post office box in Middleburg because I have so many contacts for genealogy out there and I keep getting mail. Anyway, the box filled up because the post office put so much junk mail in it, so they took everything out and put in a notice for us to pick our mail up at the window. Only problem being you have to pick up the mail during office hours, when none of us were free to go to the post office. Frank finally made a special trip on his lunch hour and picked up all the junk mail, Christmas cards and genealogy letters. Anyway your letter was in there. I was so glad to hear from you.

The reason I was so bad about the mail was my mother was here to stay with us last June/July. She was not well. You may recall she had heart surgery in 1990 and had not been really well since. The doctor told me in 1993 she had cancer and he could not find the area and wanted to do more tests. Tests that were making her ill and very uncomfortable. She was not a candidate for surgery or chemotherapy because of her heart so I felt it was unnecessary torture. All last summer she kept bleeding but refused to go to the doctor. Finally in November she hemorrhaged so bad she was scared enough to go to the doctor. She had colon cancer and it was a situation of without surgery she would die in a couple of weeks, with surgery she had a chance (no % just a chance). She survived surgery on November 4, but died of pneumonia on November 10, 1994. I stayed in the hospital with her from the 4th until she died. I was very close to her and she was not just a mother she was a friend. I called her at least twice a week and drove the 380 miles down there at least every other month. Took care of her after her surgery for a month. Now I just plain miss her.

I accepted her death but my siblings attitude and actions were very hard to deal with. Still I was all right until I received a package from them February 4th that I am still trying to come to terms with. I am getting better each day. Hopefully I am past the worst and I will stop dwelling on

the negatives and fully appreciate the cousins and good friends that I have. But when I wrote to you in March I was having some really bad days. I would start something and not remember what I had done, what I had done with things, or what I was supposed to be doing. Sometimes our own mind is our worst enemy.

I promised Mother I would get this Mitchem genealogy straight someday and I have been working on it. I was so thrilled with your letter and kept wondering why I did not hear from you. Then I found my letter where I thought I had mailed it.

I was Regent for my DAR chapter for three years. My term ended in May but now I have District duties. I ask for and got the lineage research chairmanship. So I hope to be able to work on my own genealogy in the process of doing work for the DAR. Our Elijah D. has not been established as a DAR patriot. I hope to do that this year.

I am enclosing what I have proved for Jedidah. Do you have proof that Jedidah was Elijah's son. That is the piece I am missing.

Hope to hear from you soon. Let me know what I owe you for copying.

12 March 1986

Dear Mary,

I should have written to you before but I keep planning to go back to Montgomery County and I have had to cancel my plans at least twice. I stopped in Christiansburg in October and found records for William and Catherine. I only had a couple of hours and planned to stop there again on my way back from taking Mother home. Thought I would read all I could and take the time to have copies made when I had more time. When I started back there were floods and bad weather so I came straight back. Everytime I start back we have snow and I do mean snow. I have tried to get into W. Va. to plan Mother's surprise birthday party that we are giving her this week-end for 2 months. We finally had to plan it by phone.

When I took her back in October, we arrived at 8:00 p.m. and she had a gall bladder attack at 12:00a.m. and was in the hospital at 3:00 a.m. Her gall gladder had perferated and she had gangrene and I ended up in W. Va. 3 weeks taking care of her. Needless to say I did not get much genealogy done.

I will copy all the referenceswhen I get back to Montgomery County. If you don't want to wait for old slow poke, I do have a reference for you. There was a deed in Book M, page 138 dated 1836. Catherine and William were selling the land they had bought from Eliga D. This may be a clue as the time period when they left Virginia.

From the 1850 census record Eliga D. was 93 in 1850 and states he was born in Nova Scotia. His widow Frances filed for his pension 1856 so assume he died near that date. I need to order his pension records. Also his will is in M ontgomery County.

I found another woman in Bluefield, Va. who is working on the Mitchem family. She is from Jedidah's line, same as mine.

Another clue for you. People traditionally traveled in "communities", seldom alone. From the census record you send me, I would say some of the Mitchems married Butchers. You might try checking the Butcher records. I am at work so do not have the papers with me but I seem to recall one of them may have married a Butcher and took some of the younger children to raise.

So far have not found anything more on Zida, but did find Simon still in Montgomery County. And surprise - there are still Mitchems in Montgomery County according to recent marriage records. Have a friend who grew up in Christiansburg and went to school with a family of Mitchems.

Must close and get to work. Keep in touch.

Sue

11 September 1985

Dear Mary,

I hope you kept a copy of your last letter because I am answering it as written. I will probably be very disjointed.

Looks a though the female line is the only one willing to accept "family" as "family". I have had two or three people who wanted me to research their line for them. Only one would furnish what (very little) information she had. I know the Mitchems had a family split. There are red and black Mitchems. I believe this split started about the time of the Civil War, but that is only a guess. My Mother's family is the red line. Some very fair and red or blond hair.

Before I forget, Giles Co., Va., was formed in 1806 from Montgomery, Tazewell and Monroe Va/W.Va. and others. You might try talking to anyone who may have heard your mother talk about her family. It may be one of those little loose pieces that if you can find the end and start following it could lead somewhere.

If you want me to, I will contact Edgar Mitchem's wife and see if I can get any information from her without bringing you into it. You can never tell how people will react. She may not have had acess to the material and then someone died, became infirmed, etc., and she could get her hands on it, but so much time had passed she didn't feel comfortable getting in touch with you. If you want me to write her sent me the address.

I have a copy of Warral's book but anyone can make a mistake and printers also make mistakes.

I am going in that direction the week of October 14th. I really feel Montgomery Co., is a county where I should stop and do some research. My home is in McDowell Co., W.Va., just across the mountain from Tazewell Co., Va. I am going to visit my mother and other Mitchems (I am about to talk them into being proud of their family) and do research. In fact, I have already told Mother the research is my first priority.

2.

I will be in McDowell, Mercer Va/W.Va. and Tazewell and Montgomery, Va. Then try to do some of Daddy's line from Scott and Lee Co., Va. I'll be away at least two weeks. I'll try to pick up what I can for you.

The Rose family married into the Mitchems in McDowell Co., W.Va. I am trying to find a contact now of someone who attends the annual Mitchem/Rose Reunion at Princeton, W.Va. One of my correspondents told me about it and said she would get me a name and address. May not be your Rose family.

I do not have much luck with the Virginia Archives. I seem to do better at the courthouses. I have been to the Archives in Richmond several times. They are very far behind in cataloging and filming. There is a wealth of material in storage in Richmond that may never see the light of day again.

I am fortunate my husband feels guilty about hating my genealogy work, therefore he is very liberal about it. I can not talk to him or James about it at home at all. I joined a genealogy club to have someone to talk to and be a sounding board. We meet once a month and help each other. We are a small group and meet at the library. We support each other through the rough times and around the road blocks.

13 Sept. 1985

I am writing this at work and ~~[illegible]~~ every so often they want me to actually work for them. You can see it was a rather long interruption this time.

I am enclosing copies from Netti Schreiner-Yantes book "Archives of the Pioneers of Tazewell Co., Va." You should be able to get a copy from ILL. Made notes on each sheet for you.

Also, I found another census record. Answers one of your questions.

1st message. I did order the book. Some interesting things, but a lot of guessing.

Sue:

Looks like we are related.

The book I did is $58 for hardcover & $48 for softcover. If you want something
to dress up bookcase I would go with hardcover as much more impressive.
If you think you will primarily use as research tool—then go with softcover &
I will send you a copy for $28. The Book concerns Judge George Washington Mitcham, the father of my great-grandfather, Beauregard Mitcham, but also goes back to Judge Mitcham's father, Elijah Meacham, Jr. and also has section on his father Elijah Meacham, Sr.—and in that section I do cover earlier ancestors as well. It is about 400 pages long. Will also send you rough
notes along with book.

I would like very much to get my hands on Elijah Meacham, Sr's Bible & will purchase it if reasonable. I would suspect the Frances Miles family would have little use for the Bible as Frances & Elijah had no children.

Elijah married Frances Miles when he was about 80 and she was about 36. In his will he did leave her all his personal possessions which I presume included the Bible. At the time of his death she was about 50, so I imagine her prospects for re-marriage were not excellent & he left her just about everything.

If you are interested in book you can order at: Herb Schroeder, 1923 Woodhue Drive,
Spring, Texas 77386 (I do think it would assist you in other research.)

2nd message. Can you relate to any of the information?

Cousin Sue:

Very interesting—what you sent me.

I will tell you what I have on my end so you can see
how it fits in with what you have there.

Something seems amiss. There is a mystery here
that I can't at this point solve.

My first information came from old letters written by
descendants of Elijah Mitcham of Meriwether County,
Ga in which they claim his father was Elijah Meacham,
Sr. of Christiansbury, Va. The people who wrote these

letters have been deceased for a number of years, so I can not question them as to how they came up with this information. Since much does not seem to fit together it could be they were mistaken.

When I pulled the application for pension on Elijah Meacham, Sr.—he does say that he is disabled in some way & that has a son Elijah but it is hard to read & he does seem to indicate his son may be deceased. He makes no mention of other children & so leaves the impression that this may have been his child. Of course, everything is not as it seems at times. He may have left the impression that he had only one child and that child was deceased in order to help qualify for pension.

His initial application for pension was rejected. There does not seem to be a question about his service, but at that time one had to prove one was in need in order to gain a pension. Although Elijah Sr. was not a wealthy man, he did have some land holdings—he employed the services of an attorney on a contingency basis & was granted the pension.

When our Elijah moved into Georgia it was primarily a wilderness area controlled by Cherokee & Creek Indians. Many of the early settlers were from upper class families on the east coast. There is myth sometimes that people came with the shirts on their backs—this was considered extremely foolhardy. A settler needed supplies & cash enough to keep him surviving for 2 years—that was considered adequate time to clear the land and begin earning a living. If you came with nothing that was considered suicidal to you and your family. Elijah seems to have come in around 1810 and married a Rebecca Norman there (Rebecca is listed in LDS records as Indian, but I believe she came from Puritan settlement at Midway). By about 1825 Elijah is in Meriwether County. Within a short period of time Elijah is well-established and has acquired slaves is a highly-respected member of the community—appearing in court to handle estates, appraise property, etc.

It is a bit hard to believe that Elijah could have risen as far as he did without some initial help–and especially if his wife was indian.

Now, it should be mentioned that Elijah did settle near Warm Springs–and even at this time Warm Springs was sought out by the ill & handicapped. There does seem to be some suggestion that Polio was a problem in the Mitcham family there—although I have heard no mention of this openly. If so, it is possilbe that Elijah may have had polio.

But if this is the same person—how can you explain someone being tossed to poor house–eventually becoming a very successful Georgia settler?

Will add that in Elijah Sr's will he makes no mention of Elijah Jr. He does leave land in his will to daughter Polly Meacham (Worth) who

was apparently a widow at the time. He also leaves property to his son Simion. The balance of his property he leaves to Frances Miles & her sister Elizabeth Miles. He does make mention in the will that he had earlier deeded property to James Meacham, and this is presumed to be another son. An Asa Meacham is apparently living nearby & is presumed to be another son. In addition to daughter Polly & possible sons Elijah, Simion, Asa, and James he is believed to have had maybe 3 other sons.

Advise me as to how this fits into what you have there.

Mary,

The time line is not right. Any suggestions? At this time Elijah Jr. was in Montgomery County.

I copied these before I forgot. Another sign of old age. I was 60 in July and for the first time I feel old. Maybe I'm just sick. This is my pity day. Keep working, I'll be alright.

Sue

Dear Mary,

Cheryl posted this information on the GenForm on the internet, but she has not sent me the pictures yet. I need to shake her up on that. So far she will not tell me who this man is. She plans to go back next July and go to a cemetery on top of the mountain where she has been told there are graves. She is playing it close to the vest. I think I can find him, but will give her a chance to follow through. I think she is leary of letting the information out, thinks too many people contacting him may annoy him and she will lose the contact. When she first found him he had misplaced the Bible and had to hunt it and get back in touch with her. The whole process took over two months.

To join the Colonial Dames I need more than these pictures. If I get pictures, you have pictures. I have a distant cousin who lives in Christiansburg (where the Miles descendent lives) and I may have to spend a week end with her and see what I can find out. As always it takes patience to work with Genealogy.

I have to dig out my information on Jed and Hannah. Will try to do that this week end. Right now I am working on finishing the 2 rooms in the upstairs. I dare not let down on that while I have Frank started. It has taken me almost 5 years to get him in 1st gear. I have a DAR meeting Saturday, special chruch meeting Saturday evening and a CAR trip to Baltimore to Ft. McHenry on Sunday. I am making a note to check this though so if I have any time I will drag all the folders out. If you do not hear from me by next Wednesday, give me an e-mail nudge.

Do you have the man in Ohio's line? I am assuming he is James son of Elijah D. from Enfield. I am at work and this is a crazy day. I have had 6 phone calls while I have been trying to type this.

Keep in touch.

Sue

Dear Sue,
I am so delighted to hear from you and cannot believe that we can now prove that your Jedediah and my William can now be proven as the sons of Elijah D. Meacham of Enfield, Hartford Co. CT. I know we both always felt pretty sure that they were the sons of Elijah and Sarah, but just could not make the break through to get that final proof.
Who owns the Bible and who is the lady that sent the information to you? I will certainly pay her for copies. I am working now with a man in Jackson, Ohio is is a descendant of James Meacham (son of Elijah). He will be thrilled when I tell him that the Bible has been found.
Do you think that Jedediah and Hannah had all of the children that I listed on the paper I sent to you? I rather think they did, as I saw no other Meacham/Mitchem that seemed probably as the parents.
Please let me know about the person who owns the Bible and who will share copies with us.
Talk later.

Hi Mary,

No, I have not received anything other than e-mails from Cheryl. You sure are smart about this work. I thought Ziba had dropped off the face of the earth. In fact, I thought he probably had died and there was no record. If you find he has a son named Elijah, please let me know. I am corresponding with a man in Texas who is very confused about Elijah. Will look up his e-mail and send you a copy later.

I am having medical problems which may slow me down more than I already am. I have been ill, not enough to miss work or go to bed, but not well for several months. Found out last week I am diabetic and I have something wrong with my heart. Go to the specialist for the heart thing on Thursday to find out if I can have the minor surgery I need. I have some fiberous growths that need to be removed. That, of course, was how they found everything else. I thought I was just getting old. I am getting old.

Hope to hear from you soon.

Love,
Sue

Good Morning Mary,

Yes, it is from Herb. I sent him lots of information that you probably do not have. Things that I hand copied from Montgomery Co., Court Order Books. He still believes the letters. I think the people who wrote the letters got their generations or their lines mixed.

Example of this is the reply I received from my grandmothers cousin. He said the Sarvers came from England to Tazewell Co. about 1850. True - they came from Germany to England and then to William Penn's colony (Pennsylvania) about 1735 and then to Bototout Co., VA, in 1770's and then to Tazewell Co. about 1850.

I learned a big lesson on that one. I did not believe they came from England and I knew the dates were wrong, but we were both right and both wrong. I really feel Herb's research is lacking in this one. But, he is a really nice person and so involved in his genealogy that I have been really carefully how I approached this. I am sure he has read Cheryl's information posted on the Meachem genform and I have not heard from him so will let him look a little longer and give myself time to get a little stronger too before I write him again.

I will start digging out some of this information for you. In addition to my not feeling well, we are trying to finished the two rooms upstairs in our house because our son wants to come home. Single and wants to save some money. Truth is he is lonesome living alone and would really like to have someone take care of him again now that he has asserted his independence. I am also trying to write two stories about my grandparents (my Mitchem grandfather) for the McDowell County Hertiage Book. Deadline last week. But, I think I can still get it in. Anyway, I will make it a priority to get some of this information to you as soon as I can.

I have to go to work, they pay me some you know.

Love,
Sue

BINGO.............
Bracken Co. KY 1850
Page 436
772-772

Ziba Mitchem	66	m	farmer	Mass
Levina	56	f		Va
James	22	m		OH
Mary	17	f		KY
ALCIBRADIS	9	m		KY

There was also, a Henry Mitchem, 38, born Va (and family) and a John Mitchem, age 25, born OH. John was living with the family of John D. Cline. Have copied all of the census and will get it to you later. Ziba was also, there in 1840. I read the 1860 census and it was almost illegible, so did not locate them. There was one John Mitchem.

I ordered four rolls of Bracken Co. marriages. There were some Mitchems listed in the index, but the records are very difficult to figure out. They are even worse than Montgomery Co. VA marriages.

I had a long E-Mail from Herb Schroeder (IN THE COLOR RED). Oh my.............
very confusing. He does not even realize that Elijah D., Jr. could not possibly be his Elijah. Our Elijah D., Jr. is much too young to have been in Georgia by 1820. He thought that maybe old Elijah had been married several times and that his Elijah was from one of those marriages. I really do not think that a family would name two sons Elijah. He also doubts that Mary Meacham who married William Wirt could be a daughter of Elijah and Sarah, because the only daughter listed in the will of Elijah was Polly Worth.....................

Now - we have another of the sons of old Elijah and Sarah who went to Ohio. Does not surprise me a bit, nor did the place of birth of Ziba. I had guessed he would be born in CT or MA.

Off for now and I really, after reading Herb's long E-Mail, have no idea how to reply. I am sure he means well, but he will only confuse our Elijah (from CT) researchers. Herb mentioned that he knew for sure that Elijah was born in Nova Scotia. He is quite right. If he would only check place name of CT, he would discover that there were at least two listings for Nova Scotia, both near Scott's Mountain. Help me!!

Sue - please get well soon.
